Indonesia DMC

After having worked for many years in the tourism industry, Mr. Putu Winastra created in July 1999 in Denpasar, Bali, his own Indonesia DMC, a limited liability company named Karang Bali Asli Tur.

Since then, the company purpose is to promote all over Indonesia by designing packages tours from Borneo, Sumatra, Sulawesi, Papua, Raja Ampat, Sumba, Lombok, Java, Flores and Bali. The company aim is to make travellers discover both diversified cultures and landscapes of the largest archipelago on Earth.

At first, K.B.A Tur started its business as a domestic tour operator and over the years, the company has grown to more than 50 employees today.

Nowadays, K.B.A Tur is operating as a Destination Management Company by working only on the B2B market with foreign partner tour operator, wholesaler and travel agencies, mainly in Europe, north America, Middle East, Africa and Asian to design travel packages all over Indonesia.

Our philosophy

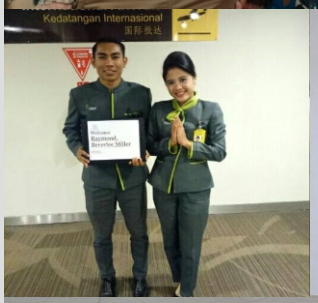
Our Special services

Tailor-made services
Aware that each project is singular, we have created a tailor made and customization service to create the best experience to live in Indonesia for the travelers, according to their travel wishes. Our team can either customize a pre-designed travel package based on the partners demand or design a tailor-made trip according to each customer's special request.

Exclusive concierge service
Our exclusive concierge service based on the spot will be pleased to answer the customers' last-minute wants within best delay from their arrival up to their departure to make sure they will get the best out of their stay in Indonesia. Our team and working methods adapt to every single request in the most professional and flexible way to satisfy every special needs.

Extra services on-site
We provide extra services on-site which may facilitate the travellers' stay in Indonesia, as for example a mobile phone, child seat, wifi router or even a VIP airport access.

Responsible traveller kit
Conscious about the environmental concerns facing our today's world, as a local travel agency we decided to provide to our customers a ”responsible traveller kit” at their arrival in Indonesia, as to give a local response to the global issues.



Our products

Activities

K.B.A Tur proposes to its partners different products to answer the needs of both FIT and GIT and also for incentives.

To fit the specific demand of each customers, K.B. A Tur proposes tailor made tours and a wide range of pre-defined packages. By partnering with a wide range of local suppliers, each aspect of the packages is customizable according to the wishes of the customer. We create awesome packages from day trips to several-week journey and from one island packages to combined islands trips.

We offer different thematic tours such as authentic travel, Ring of Fire experience, family vacation, exceptional cruising and memorable honeymoons . We design every specific tour to make people live the best experience in Indonesia.

Destinations to explore

Indonesia is the largest archipelago on Earth with more than 17,000 islands scattered over both sides of the Equator. It is located between the Indian and Pacific oceans on the Ring of Fire and is spread over 5,120 kilometres from East to Wes.

Here, the climate is tropical and the average temperatures vary very little through the year ranging from about 26 to 30 C and support a high level of biodiversity.

Sumatra

Situated in the extreme West of the Indonesian archipelago, Sumatra is a wildisland, mostly covered with deep jungle offering grandiose landscapes.

In addition to an exuberant nature with many endemic species, including thefamous orangutans ano the Sumatran tiger, there are also peoples with verytraditional cultures.

Evolve alongside locals and share their daily life in a local village. Expedition in the jungle to explore nature and animals such as Orangutans and other species of monkeys.

- Sultan Palace Tour
- Mosque
- Chinese temple
- Elephant Station
- Kuala Traditional Market

Java

Java has the largest jewels of the Indonesian archipelago, such as the temples of Borobudur, which is the largest Buddhist monument in the world, and Prambanan or the volcanoes Bromo and Ijen.

Java is also an island full of mega-cities, mesmerizing natural beauty, and profound traditions in art, music and dance.

- Crossed by train in wonderful landscapes such as rice fields
- Visit of Lembang, floting market of Bandung and Kawa Putih, crater lake
- Walk in Rancabali tea plantations
- Visit of the fishingvillage of Kampung, community with strong ancestral traditions
- Green Canyon: rock climbing, swimming, traditional boating
- Expedition in the jungle of Pangandaran: deer, porcupines, birds, monkeys etc.
- Exploring Jogjakarta: traditional artistic and cultural heritage
- Visit the largest Buddhist temple in the world: Borobodur, view of the volcanoes
- Visit Taman Sari Aquatic Temple and Prambanan Hindu Temple
- Bike Day: Batik plantation and manufacture in Giroloyo, visit of rural villages, rice harvest with locals, sunset on the beach

Borneo

The island of Borneo is rich both naturally and culturally. No traffic, the sound of rare birds from deep within the rainforest, a little bit of fog over the calm waters and monkeys including Orang utans that are sitting on top of the trees along the river.

Welcome to Tanjung Puting and the Jungle of Borneo.

Bali

The rich and diverse culture of Bali plays out at all levels of life, from the offerings placed everywhere, to the processions of joyfully garbed locals, to the otherworldly traditional music and dance.

Almost everything has a spiritual meaning in the Island of Gods. The middle of Bali is dominated by the amazing volcano and is the land of breathtaking rice fields.

Lombok

With divine beaches, the majestic Mount Rinjani and spectacular marine lifeto discover, the island of Lombok has no shortage of attractions both in and out of the water. Challenge yourself with a trek up steep volcanic peaks. Hire a bike and cycle through lush evergreen rice paddies.

Which ever way you choose to spend your time you won it be disappointed with the spectacular natural beauty offered here.

Gili

Gili Islands provide a wide range of fun activities which goes beyond diving and snorkeling. But most of all, let is be honest, the Gilis just look like paradise.

Sumba

Unlike many volcanic islands in Northern Indonesia, it is not green and lush, but dry, dusty, arid. Sumba is a dynamic mystery with its rugged undulating savannah and low limestone hills growing more maize and cassava than rice.

Sumba possesses lots of culture, traditional lifestyle, friendly and hospitable people, bizarre landscapes, untouched nature and many unspoiled beaches.

Flores

Flores has a lot of special beauties that are still unknown to the world. Komodo dragons living in their natural habitat, colorful lakes of Kelimutu volcano, traditional villages and Pink Beach.

There is so much to see in Flores.

- Visit the village of saga de Mini and Bena with a view of the Mount Inerie
- Sunrise on Kelimutu volcano
- Beach with green stones of Jalia
- View of the Ebulobo volcano
- Komodo Island, trek to discover species such as Komodo dragons
- Pink beach and diving

Sulawesi

Sulawesi is one of Indonesia is most fascinating Islands. It is tied physically and historically to the sea and ringed with teeming waters and reefs. Its interior is mountainous and filled with dense jungle. As do proud cultures, isolated by impenetrable topography, who guard their customs against the onslaughts of modernity like the mystic Tana Toraja indigenous ethnic group.

- Visit the village of Bugis, Toraja and Karuaya
- Misty blue mountains
- Discovery of Bolu's traditional market and local activities
- Excursion to rice terraces, old houses, cocoa and Coffee plantations, old tombs and traditional cellars
- Visit of traditional weaving factories
- Immersion in the village of Kajang, a unique tribe preferring to dilate themselves from the modern world
- Scuba diving at Liukang island
- Free day in Bina
- Board a motorized boat to explore Tempe Lake and its floating homes
- Visit of Lokamata

Papua

Papua is a pearl in the East side of Indonesia. Papua offers sublime landscapes and extraordinary animals. There, you will be able to visit ancient tribes, go trekking in valleys, explore wild animals and discover the best undersea water.

The charm of Papua is peoples, the resilience of its cultures and the grandeur of its dramatic land scapes and idyllic seascapes will leave you speechless.

Incorporated Businesses

De Klumpu Bali
Eco Tradi Stay

K.B.A Tur is also involved in the hotel management sector by owning 2 different hotels.
De Klumpu Bali is a luxury eco lodge providing refined traditional style accommodations in the middle of rice fields with a wide range of services.

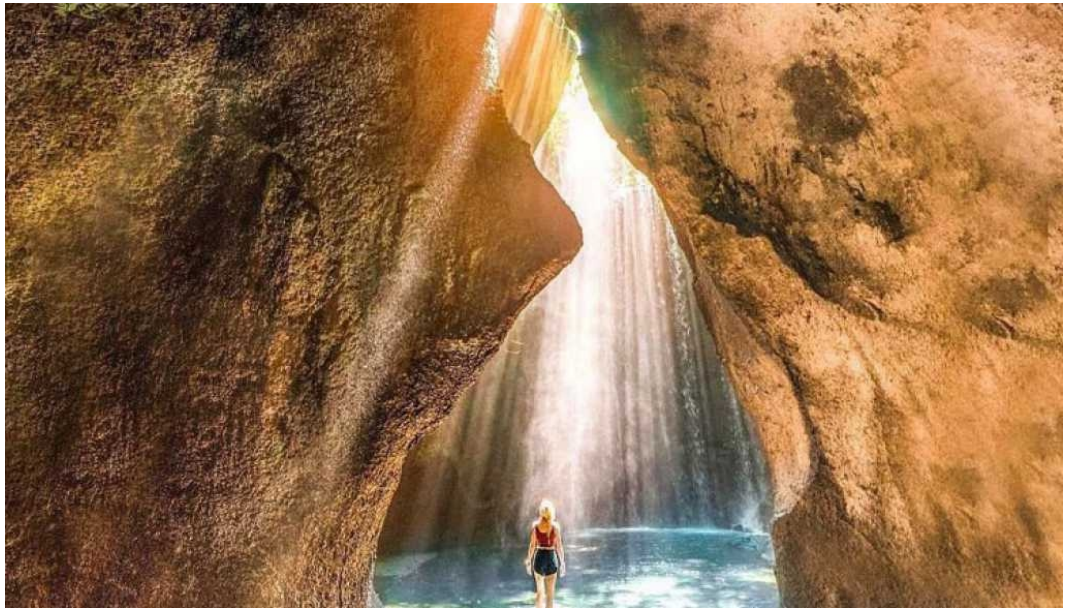
D'Umah Bali
Eco Tradi Home

The second hotel, De Umah Bali, offer the traditional Balinese home style, by providing calm Balinese style sleeping cocoons arranged and decorated in a traditional manner.

undisan

Eco Tradi Activities

Both hotels are located in a small and traditional village in East Bali, named Undisan. This place is a mix between mountains, forests and rice fields where we offer different outdoor activities, which include Balinese cooking lassons, waterfall trekking and rural Balinese life and farming activitles.



KM Trans

K.B.A Tur owns a transport company named Karang Mesari Transport and shortened to KM Trans, This company operates only in Bali for K.B.A Tur transport operations.

It possesses a wide fleet of vehicles, from small cars to large busses to response to both individual travelers and groups needs.

Our Environmental Commitments

K.B.A Tur has received in December 2018 the international Travelife Partner certification. We are the 11th company in Indonesia to have reached this certification which attests that our company complies with several criteria related to sustainability and social responsibility. In plain terms, this certification attests that we fight to run our business along ethical lines, embracing the pillars of sustainability.

In this way, we decided to provide reusable bags made from palm leaves and gourds to avoid daily use of plastic and we decided to join frequently beach clean-ups to preserve Indonesian beauty. If we want to keep our charming archipelago accessible for travelers, it is our role, as a local travel agency, to support the environment preservation.

Promote a Community Based Tourism

Thanks to our community-based tourism projects, our customers can immerse in unique experiences while generating revenue and improving welfare in remote and impoverished communities of Indonesia.

As an example, we are proud to support a local orphanage in Bali, named Gurukula Foundation, where our customers can live authentic experiences. We have also designed authentic activities with some of our employees' families to make travelers discover the authentic side of Indonesia.

Commitments and Certificate

Recognized agency

With the aim to highlight its trustfulness on the far side of the world, K.B.A Tur became involved in a certificate and accreditation process.

First of all, our company has been licensed by the Indonesia Ministry of Culture and since 2005. K.B.A Tur is a member of the ASITA, the Association of the Indonesian Tours and Travel Agencies which provides to the customers both satisfaction and security protections.

In April 2019, our company officially became a member of the Pacific Asia Travel Association, a strategic partner of the UNWTO.
This global association aims to promotethe responsible development of travel and tourism in Asta Pacitic
