RAWCAMPING

THE **JOURNEY** BEGINS HERE

The picturesque landscapes! The wide-open spaces! The deafening silence of the night! The serene freedom!

What better way to enjoy the Namibian experience than camping in the wild under clear African Starlit skies? Imagine driving down a dry riverbed, witnessing animals in their natural wild habitat, being surrounded by vast landscapes. Imagine sitting around the bushman-tv, the campfire, and listening to the jackals calling while sipping on a hard-earned cold beer?

THE DESTINATION *Namibia*

WHERE THE AFRICAN ADVENTURE YOU HAVE ALWAYS DREAMED OF AWAITS!

With us, that is what you can expect in our Raw & Wild Camping Adventure.
About Africa Tours & Safaris offers unique guided self-drive or passenger tours into Namibia's most remote and wild areas. Not only is it off the beaten track, but more often than not, there is no track.

What better way to enjoy the real Namibia, the Namibia most travellers do not get to experience?
We will take you into our backyard and introduce you to our way of life, passion, adventure, tranquillity and freedom.

From where the sandy 4x4 tracks meander under ancient camel thorn trees and over majestic mountains. From the Ugab to the Brandberg, Damaraland and beyond.

Our hand-picked guides are all experienced off-road drivers who will help, educate and advise you along the way. They also keep you entertained with interesting information and will teach you how to explore our beloved Namibia with minimal impact on the environment.

We provide you with well-equipped 4x4 vehicles and only work with smaller groups to ensure a personalised experience. You will be enjoying some action adventure! From awe inspiring revelations to adrenalin rushed manoeuvres, we guarantee you the unforgettable!
