Who We Are?

First Class Fleet Management LLC is an industry pioneer in organizing and arranging the best in class luxury transport for our customers in UAE. We cater to all your transfer needs round the clock relentlessly. Our experienced staff takes priority of your safety more than anything. By taking up the responsibility of your ride, we ensure that you enjoy a hassle-free pick up and drop without any delay.

Our mission is to continuously and fully build out direct personal and human relationships. Our main goal is this mighty principle. Our vision is to establish a strong foothold in the ground transport sector in UAE by offering unparalleled services to our clients. We treat our customers with utmost courtesy and strive to offer unparalleled services, in terms of safety and convenience.

We keep going on in this business serving people for over a decade. We specialize in fleet management, taking care of everything from the necessary administration quotation, reservation and dispatching of the vehicles or chauffeur-driven vehicles.

Track on the Go!

You can find the expert security system with us. All the vehicles are GPS enabled and you can track on the go! This real-time tracking feature developed by our parent company-Lagoon Technologies-ensures safety and avoids any probability of taking the wrong routes. Our chauffeurs make sure that they take you to the desired location in the shortest possible time in a modest way!

Our expert team with a coupled experience of more than 15 years can provide you with complete fleet solutions along with supporting systems tailored specifically to your company or event requirements. We have been providing services with a personal approach from our management on the event day to ensure that the services will run smoothly.

Our luxury fleet comprises the most luxurious stretch limousines. We strive to deliver magnificent luxury limo service for every occasion such as *Party, Birthdays, Weddings, Proms and Family & Friends gatherings.*
You can choose the one that best suits your occasion. We offer the best limo ride at a reasonable price.

Our Achievements!

Our achievements till now are impressive. In numbers: more than ten years' experience in personal transportation services in the UAE, FC Fleet management is still growing. We are proud to provide you high-quality widespread services, because our mission can be filled only in high levels to build up direct personal and business relationships.

We provide highly experienced Chauffeurs/drivers along with your preferred type of vehicles such as Lexus ES350, Infinity, Mercedes Cars, BMW, Bentley, Rolls Royce, SUV and MPV. We also provide services of commercial vehicles from 15, 30, 35 &50-seater Luxury Coaches.

Being a fleet management company, we ensure to get the best rates in the market and take on the extra work needed to manage your requirements and help develop your strategy and identify sources of procurement savings.

We operate round the clock and are always reachable to our esteemed guests.
Call us any time, our well-trained professional chauffeurs will be at your service!
