Who is Galaxia MICE?

We are **GALAXIA MICE** - a team of creative experts delivering top-quality MICE services. We build MICE products that are specialized and cost-effective, bringing your business real and lasting value. Our seasoned team of professionals has the industrial experience and know-how to handle your every corporate need.

Flexible to your business needs, our tailor-made agendas feature everything from team-building exercises, excursions, leisure activities, meeting logistics to award ceremonies and countless other customized events.

We create experiences that have the effect you are searching for. We also work around conveying bona fide, enthusiastic and original programs that are typically not offered by others; allowing our customers the opportunity to reach their goals with innovative methods.

Our extensive network spans dozens of countries, cities and languages, and our partners are some of the most prestigious and established tourism companies in the world. We know our clients and understand their business needs. Your drive, combined with our industry experience, assures that you will receive the best possible service and professional experience.

Why Galaxia MICE?

Hard Work

Striving to deliver smooth, stress-free events. Our team is extremely commited and available 24h a day.

Creativity

Transforming ordinary events into unforgettable experiences. We are always coming up with new ideas.

Support

Our amazing team will be with you from beginning to the end, guiding you through every step.

Experience

With over 30 years of experience, we have seen everything from small incentive groups, to huge conferences.

Our Services

Meetings & Conferences

With your needs and expectations in mind, our expert team will design and facilitate powerful meetings and smooth-running conferences. We invest time and energy in building engaging and original programs for meetings and conferences tailored to every client, helping you achieve your goals and realize your full potential.

At GALAXIA MICE, we are equipped with the know-how and expertise to organize and comprehensively manage both technical and non-technical conferences. We work closely with your team right from the start, understanding your unique requirements in order to ensure a successful and fulfilling outcome.

Our services encompass all of the following:

- Accommodation
- Transportation
- Audiovisual production
- Staging
- Catering
- Venue & Restaurant selection
- Meet & assist
- Tours & activities
- City sightseeing
- Giveaways

Our Services

Incentives

Galaxia MICE has positioned itself as one of the leaders in the Middle East in the design and execution of Incentive programs, creating unforgettable memories and motivating people to always perform to the best of their abilities.

At GALAXIA MICE, we care deeply about each small step of the design and execution process. We strive for a detail-oriented approach, delivering efficient programs that meet their full potential.

We commit to services that ensure the ROI of our clients' Incentive Program:

- Assisting in overall program design and implementation
- Appointing a dedicated account manager
- Working on client's budget management for the incentive program
- Incentive branding, marketing and teaser campaigns
- Handling complete online registration process for the program
- Handling pre-event and post-event travel, including flight, logistics and overall management
- Organizing gala and award nights
- Offering themes production
- Assisting in Speaker Management
- Offering risk assessment and contingency planning services
- Obtaining legal & government permissions
- Securing accommodation
- Carefully considering venue selection and catering
- Designing effective and memorable team-building activities

Our Services

Events

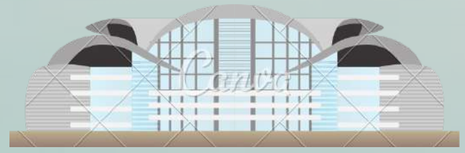

Our expert staff is equipped to handle events of every type and scale: from stand-alone events to larger programs or conferences. Through them, we aim to foster lasting business relationships and build the ideal opportunities for the growth of your business.

We evaluate our clients individually, crafting events that are driven by the unique needs of each business. We take each detail to heart, striving to orchestrate events that maximize potential and fulfill the highest expectations.

Each organizational errand such as inquiring and reserving venues, arranging logistics, sorting out catering and banqueting, equipment and audiovisual rentals and set-up will be handled to the best of our considerable capabilities to meet your desired expectations.
