Share your ideas and dreams with us; together we will create the reality of an extraordinarily memorable event.

About Us

V&C Event Masters is the team of passionate experts in planning your event. We will design and produce any type of occasion you can imagine, either a social or corporate meeting. You and your guests experience will become a memorable moment with the skill and dedication that ***V&C Event Masters*** will put into every detail.

Our services

Your needs will be fully covered as we work based on a complete service to cover each part of the organization of your event. We will accompany you throughout the process; from the search and reccomendation of destinations and suppliers, site visits, contract negotiations, planning and organization of the entire program to the operation of the event.

Your experience and expectations will be shaped by functional options that ***V&C Event Masters*** will find for you, facilitating each step of the process.

- ✓ Understanding your goals and expectations.
- ✓ Assistance in the search and selection of the destination and/or location that meets your plans.
- ✓ Group Room Block management for you and your guests.
- ✓ Efficient use of your budget.
- ✓ Effective negotiations that turn into direct benefits for you and your guests.
- ✓ Search, quote and confirmation of professional suppliers.
- ✓ Bilingual staff available (Spanish and English)
- ✓ Advice, planning and coordination of your event within Mexico and abroad.

What make us different

The fact that you and your guests enjoy the event is our mission, therefore, the ***V&C Event Masters*** team will take care of every single detail to make of your experience the most pleasant from start to finish.

You will be sorrounded by an environment full of cordiality, empathy, warmth, respect, passion for details and professionalism that will stand out in every moment.
