# CREATORS OF LIVE

*Consulting & organizing events worldwide!*

Creators of Live is a consultancy and organization agency for events with the world as a backdrop. We stand for **live communication and live events** from the Netherlands to the most exotic destinations and in between. A **full-service organization agency** for (brand) experiences, incentives, meetings, conferences and events. We work according to our creative, exclusive and especially hospitable method based on our core values: love, interest, respect, and success. **In other words;**

***We will exceed expectations and we bring stories to live!***

**From the worldwide events to our local specialties.** Discover also our unique DMC Brands for memorable FIT Experiences and successful Meetings, Incentives, Conferences and Events, planning & organization.

# OUR MISSION:

At Creators of Live, our mission is to make the world a better place by crafting unforgettable experiences that amplify (brand) stories and create lasting memories. We achieve this with a welcoming, creative, and professional approach, consistently delighting our clients with our expertise.

At the same time, we strive for profitability and success, aiming to make a positive impact on the world. We proudly support charitable organizations such as Foundation ***Smiling Child and The Gambia***, which work tirelessly to build a brighter future for (unpriviliged) children in The Gambia.

# CREATORS OF LIVE

*Your trusted partner for Excellence Live Events*

As a boutique organization, we are proud to collaborate with some of the world's most prominent networks and prestigious knowledge-sharing and networking events.

This is beneficial for your *procurement process* as it ensures reliability and confidence, providing peace of mind when partnering with Creators of Live.

We work with our clients through tailored **long-term partnerships** (contract basis) or on a **project-by-project basis** for ad hoc events. Long-term agreements foster trust, creating opportunities for both organizations to grow together, while we excel at delivering outstanding results for standalone projects.

With 18+ years of experience, we have cultivated a vast international network of reliable partners and suppliers. This allows us to offer expert advice and ensure your event goals are achieved with precision and impact.

At Creators of Live, *trust is the foundation of every partnership*. We prioritize open communication, dependability, and a shared commitment to success. Our collaborative approach guarantees alignment with your vision, empowering us to deliver remarkable results while nurturing mutual growth.

By blending our expertise with your aspirations, we establish the foundation for meaningful and **long-lasting collaborations**. Together, we can transform your ideas into extraordinary experiences.

*Let's create live, let's make moments unforgettable!*
