TRINITY SAFARIS

TEN[10DAYS] OF CHIMPAZEE AND GORILLA TRACKINGING ADVENTURE IN UGANDA

The Epic Adventure Begins with 4DAYS of KIBALE NATIONAL PARK Home of the Chimpanzees and here you'll be able to explore the wild by Over 95% chances of encounter with the endangered.Our journey will take a 4hours drive from Kampala to Fort portal tourism City and we'll a Road view of terrains,Rift valleys,Local markets and a first stop over at the large TEA plantation for about 1 hour getting an historical briefing about Tea growing in Uganda as an economic activity in the areas practiced.We'll next proceed to FORT PORTAL through the KIBALE FOREST we'll have a forest view through the Baboons as they're always along the road with an amazing experience as nature will favour us.This we'll lead us to our accommodation of the CHIMPANZEE FOREST HOTEL where we'll be spent the 4days and 3Nights as far as our tracking activities will be concerned.it'll be safe activity well conducted with a great team of proffessional Guides and guaranteed security in the field by Park Rangers as we shall be following proper guidelines and park rules fo a succeful tracking activity.

After our succeful 4 days of chimpanzee tracking in KIBALE PARK,we'll take a City Tour through FORTPORTAL as we head to SEMULIKI NATIONAL PARK and this is gonna be a fun road view moment of amusements as we'll be having close view of the mountain RWENZORI through the Ntoroko RIFTVALLIES,the Bakonjo-Tribe community and Rocky-snake like Roads of Uganda that lead us to the SEMULIKI PARK well known for it's 2 natural MALE and FEMALE HOTSPRINGS.. These will give YOU the exact reflection of natural occurance that take place by natural powers though the local have believes that these occur by spiritual or early ancient dominants known as the "CHWEZI DYNASTY" who are believed to be early DEMY gods. And due to strong beliefs by the locals around the area, they believe the springs is source for good fortune, luck and many used to perform rituals for blessings, money and wealth intentions based on history of the place. This will definately make a great day of cultural experience on our amazing trek. Next we'll take on the road for Kibale where we'll have another complete 5DAYS of another Adventure experience and that's the GORILLATRACKING in the Great BWINDIIMPENETRABLE PARK also known as the home of "GORILLAS" with 99% chances of encounter with over 50% of the total GORILLAS living in the jungle of BWINDI as nature will favour us for the activity with in the 5 days schedule. With the luxury eco-accomodation at KIGEZI FOREST COTTAGES [KFC]we'll enjoy the calm environment with sounds of nature from different bird species as its a luxury safari or adventure accommodation facility, you` ll ejnoy free birdwatching

moments,view of other indigenous human friendly primates like the black monkeys with in and around the area.great entertainment from the local people with interesting cultural dances and music.bonfires,barbeque and open bar for those in need of some liquors and great meals prepared by professional and qualified chefs as this safari-accomodation hotel hosts over 100 travelling-guests or tourists from acros the world monthly.So it operates with sevices on international standards.

After our complete and successful GORILLA TRACKING Adventure in BWINDI,we'll return to Kampala incase of any other scheduled destinations next days,we'll take Roads where adventure calls us to be,COZ At **TRINITY SAFARIS UGANDA, we speak the language of Adventure. Thank You for traveling with Us,We're glady waiting to see you Next Time!.**
