CUBA

FOR YOUR NEXT EVENT

sales@ecorettravel.com

If your clients are looking for a new and exciting travel experience, Cuba is an increasingly popular and unique destination of choice for events, and one of the safest destinations in the world for visitors.

Our event planning brings participants closer to the diverse culture, the historical marvels, its beautiful nature and its friendly people with attention to detail tailor-made like the best Habano cigars.

There is a wide range of activities that can be included and personalized for every event:

Classic Highlights

An ideal event in Cuba could include experience the historic and architecturally rich **majestic colonial centre**, its romantic plazas, the enchanting courtyards; riding in **classic 50's American cars** and visiting famous **cigars factories**.

The Real Cuba Experience

Having the opportunity of getting closer to **Cuban people daily life** and their traditions is always an amazing experience.

Participants may visit **community projects**, interact with **local entrepreneurs**, learn about Cuban **mix of religions**, learn some **salsa** dancing steps, receive **cooking and cocktails lessons** and so much more.

Nature & Beach

Cuban tropical weather is great for outdoor activities and **beach relaxation** all over the year. Day trips from Havana to Las Terrazas or Vinales are wonderful options for **team building activities**. Staying in a beach resort gives not only some time of relaxation to participants but also the possibility to arrange different **group activities**.

Same country, different ways to explore it
