PUNTA CANA

There is a big and diverse number of rooms making it possible to find the right place for every group. Most properties are on All Inclusive basis, which fits perfectly with event's programs. Hotels have equipped **Convention Centers** and different sizes **meeting rooms** for all kind of activities and requirements.

From Punta Cana we can arrange several **day tours** to other destinations, together with the different local options for adventures, ecotourism, cultural experiences, team building and corporate social responsibility activities.

PUERTO PLATA & SAMANA

These destinations are a **mix of culture, history and sea adventure activities**. Several teambuiding activities can be arranged here. Besides, if participants are travelling from January to May they can experience the amazing whales watching in their natural environment. Diverse accommodation options, from large resorts to ecolodges, depending on group size and main interest.

SANTO DOMINGO & LA ROMANA

Both cities are full of **cultural and historical experiences**. Santo Domingo has different high standard hotels prepared for groups and events. There are many dinning options and venues for group activities. La Romana is a **combination of colonial town with beaches** and the amazing Saona and Catalina Island. There is a 5000 seats amphitheater in Altos de Chavon. Best option to stay in La Romana is Casa de Campo with its private villages exclusive for the group. It is also a preferred place for celebrities because of the mix of luxury, tranquility and diversity of activities. Besides the **local experiences**, there are other nearby attractive locations than can be visited in a **day excursion** either from Santo Domingo or La Romana.

SANTIAGO, JARABACOA & CONSTANZA

Great location for those interested in **agricultural and environmental** activities. Santiago is land of tobacco. There are plantations and cigar factories that can be visited where internationally recognized brands are hand rolled. It is also well known for having restaurants with breathtaking views. Jarabacoa is perfect to arrange teambuilding adventure activities. Constanza is best for farm to table experiences, cooking lessons and events with ecological touch.
