A LITTLE BIT About us..

Connaissance De Ceylan is a multifaceted Tourism and Hospitality Entity with more than 40 years of expertise in delivering exceptional travel-related services to a distinguished client base across the world. This long-standing proficiency in the industry coupled with the presence of our very own Hotel Chain (Thema Collection) and Event Management Company (CDC Events Private Limited) has unarguably helped in establishing Connaissance De Ceylan as one of the premier Destination Management Companies in Sri Lanka by today. We owe our success in the industry mainly to three main elements; our leadership, our team and our infrastructure. Through our core pillars, we have created dream holidays for thousands of guests, had long-lasting relationships with hundreds of partners and organised mega events like the Golden Oldies Cricket Cup, Raid Amazones and the Lanka Challenge.

"When you decide to travel with us, we promise to give you a slice of paradise combined with warm Sri Lankan Hospitality and a service that is unmatched. So, join with us as we invite you to be a part of this extraordinary journey"

Our Strengths

Unique & Exclusive Experiences

As a result of our ever expanding network of premier experience hosts across Sri Lanka we are able to offer our clients some experiences that are solely exclusive to the prestigious customers of Connaissance De Ceylan. Such as private tea factory visits, handpicked village family lunches, exclusive walks and guided tours, classic car excursions and many more.

Our Own fleet of vehicles with Multi-Lingual Chauffeurs, Guides & Travel Experts

At Connaissance, we have a multilingual team of chauffeurs, guides, and travel experts who are handpicked, trained, and equipped with state-of-the-art vehicles to provide guests with exceptional service. With fluency in more than 10 languages, including English, French, Chinese, German, Spanish, and Italian, our team is among the most diverse in the country, making us one of the best travel companies in Sri Lanka.

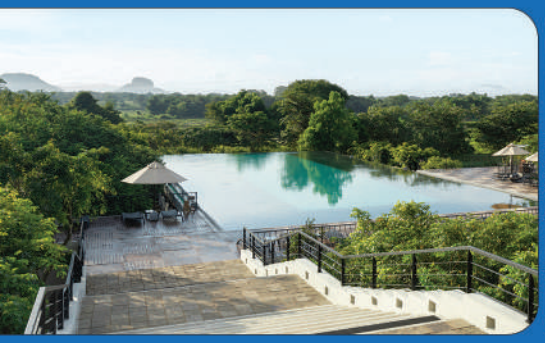

A Sustainable Choice

At Connaissance, we are committed to making a positive impact and have been acknowledged as a Travelife Partner for our efforts. Our CSR arm, Re-construire et Vivire, has enabled us to provide free education to more than 5000 students across four Computer & Language Learning Centres and three preschools. Through the BERI initiative, we support biodiversity research and education throughout the island. Furthermore, we prioritize local and sustainable providers and offer plastic-free tours to our clients, as part of our ongoing commitment to sustainability.
