SRI LANKA

Have you ever heard of the Indian Ocean's treasure trove, full of countless wonders you must explore before you die? That's Sri Lanka for you!

Sri Lanka, described by Marco Polo as the most beautiful island he had ever seen, is brimming with stunning and one-of-a-kind sights. Starting at the summit, the heights of Sri Pada (Adam's Peak) are blanketed in fluffy clouds, with a breathtakingly beautiful sunrise. Then on to Yala National Park, where elephants, crocodiles, monkeys, and leopards can be observed in their natural habitat. Then, all the way down to Arugam Bay to ride the waves and relax on Sri Lanka's golden beaches.

That are just a few highlights. We didn't even mention the beauties of Ella, Colombo, Galle, Nuwara Eliya, Kandy, Polonnaruwa...

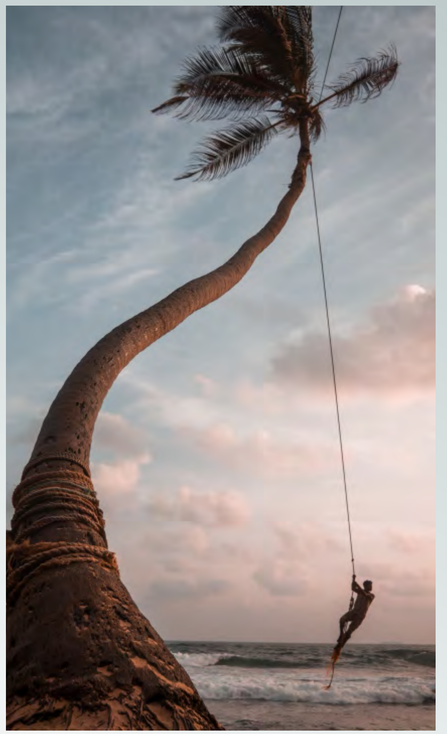

So come, let's take a journey, let's explore...

#HISTORY

Sri Lanka, also known as Ceylon, Tambapanni, or Taprobane, has a long and storied history dating back thousands of years.

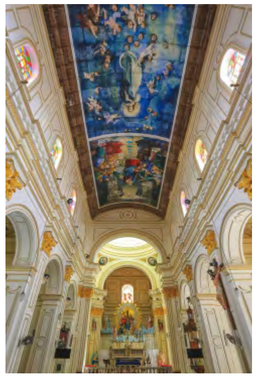

The first settlers were led by a man named Vijaya, as per the legends. According to tradition, Buddhism was introduced into Sri Lanka in 260 BC, which soon got rooted in Sinhalese culture. Initially, however, Sri Lanka was segmented up into multiple states. They were united into one kingdom by a king named Dutugamunu. Dutugamunu was a brilliant builder who constructed palaces and temples in addition to being a formidable monarch. Anuradhapura was the capital of the first Sri Lankan kingdom. The rulers that came after erected many architectural marvels, reservoirs, and canals that are still standing today.

Some coastal sections of the country were then held by the Portuguese, Dutch, and British beginning of the 16th century. At this time they built churches, fortress and various monuments which are a big part of Sri Lankan history.

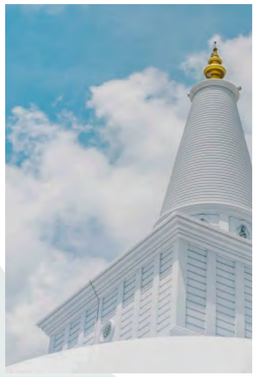

We welcome you to come and explore these breath-taking sights and marvels that shaped Sri Lankan history and bask in their glory...

#CULTURE

Sri Lanka is one of the few countries in the world with such a diverse cultural heritage. The culture is distinctive in and of itself, contributing to the Sri Lankan identity. Sri Lankan culture has its unique customs and rituals that stretch back thousands of years and have been passed down through generations. One of the top tourist attractions of Sri Lanka is its vibrant festivals, which are perhaps the most prominent characteristic of the country's culture. It is a culture that is strongly influenced by its religion, faith and beliefs.

Sri Lankan culture is a combination of rich artistry, architecture, ancient ingenuity, and even flavour. One might say that Sri Lanka has a far more traditional culture, which is strongly shaped by the country's major religions; Buddhism, Christianity, Hinduism, and Islam.

#WILDLIFE

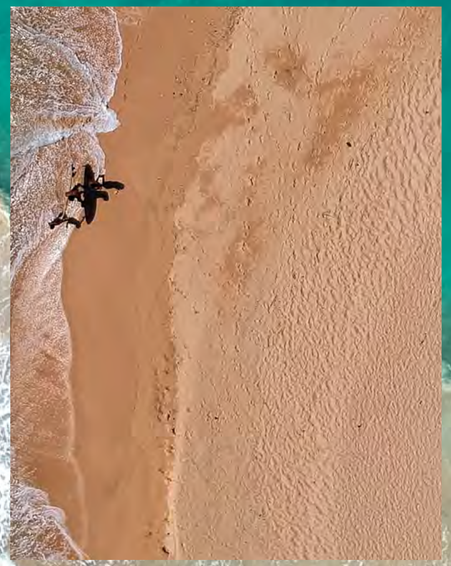

From the biggest giants to the tiniest of birds. Sri Lanka is home to not only lush green forests; but also to a diverse range of indigenous wildlife. While you're here in Sri Lanka, do not forget to meet them at their homes. Take a safari in the southern and central zones. Witness elephants bathing in lakes, and monkeys leaping from tree to tree. If birdwatching is your thing, Sri Lanka has numerous birdwatching destinations to choose from.

#BEACH

Sri Lanka is tropical heaven for beach lovers. Surrounded by the magnificent Indian Ocean, waves splashing into the shores of golden sands and coconut trees standing tall, it's a feeling you must experience for yourself.

You can kick back and relax on the sand or in a hammock whilst reading your favourite novel or gazing out at the boundless blue oceans. Just remember to bring your sunscreen, alright?

The country's animal lovers are not at all limited to the jungles and forests. Sri Lanka is rated as one of the finest whale-watching destinations in the world. See the Sperm whales in Trincomalee and Kalpitiya, the Blue whales in Trincomalee and Mirissa, and the Spinner dolphins in Kalpitiya with your own eyes. Take a look inside a turtle hatchery on your way back. Try surfing in the waves at Arugam Bay if you're a bit of a daredevil. Perhaps go fishing? Snorkelling? The choice is yours.

#HILL COUNTRY

How could you possibly miss the world's most breathtakingly beautiful train ride? Reserve a seat and travel through Ella to experience heaven on earth with your own eyes through the 19th-century marvel, the Nine Arch Bridge, constructed from brick and stone. See the emerald green hills, magnificent waterfalls, tea plantations, and hardworking tea pickers.

#CITY LIFE

The forests, hills, and beaches aren't the only attractions to explore on the island. Experience the city life in the likes of Colombo, a city with a fusion of cultures and a rich colonial legacy. The Gangaramaya Temple, the gorgeous red mosque, and the picturesque Beira Lake, the lotus tower, are all must-see attractions in this urban metropolis.

A visit to Pettah, a local area with a bustling open-air market, is a must for anybody touring Colombo. Immerse yourself in the sights, sounds, aroma, and flavour of the bazaar, which is packed with brightly coloured garments, aromatic spices, and the best street cuisine.

Visit all of the city's colossal architectural masterpieces, both modern and vintage. Then dance the night away in one of the city's many lively clubs, pubs, and restaurants.

#FOODIE

Since Sri Lanka is a multicultural country, you cannot expect anything less when it comes to Sri Lankan food. Our cuisine is known for a rich combination of rice specialities, seafood, vegetable dishes, fruits, and especially spices and herbs, as the country is loaded with very distinct and authentic flavours. The utopia of every #Foodie.

On special occasions such as the Sinhala and Hindu New Year, Sri Lankans relish traditional dishes such as milk rice and sweetmeats. If you were fortunate to be around at the time (April), make sure you try some yourselves.

And while you're here, we suggest trying out rice and curry meals, coconut roti, hoppers, kottu, string hoppers, achcharu (a Sri Lankan speciality - pickeled vegetables used as a condiment), pittu, and a delicious Watalappan or even a Sri Lankan chocolate biscuit pudding for dessert.

"Ayubowan!"

You might hear this phrase all around while you're touring Sri Lanka. The word simply means "May you be blessed with a long life".

Sri Lanka is reputed for its unrivalled hospitality, welcoming anyone from all across the world and treating them like their own, even if you've just met them.

In this multicultural country, you will meet different sorts of people from different areas of the country, but one thing you can bet on is how friendly and peaceful they are, from children to adults to the elderly. From urban citizens to rural villagers.

So, don't be shy saying hello to anyone you meet along your journey in Sri Lanka. Or simply say 'Ayubowan!'
