USEFUL INFORMATION

In the heart of Europe and the Mediterranean, Montenegro spreads out through a part of the Adriatic coast in the south-east part of the Balkan peninsula.
The country has borders with Croatia, Serbia, Albania and Bosnia-Herzegovina.

Only in Montenegro known as “land of contrasts” you can find natural wealth, beauty, sandy beaches, clear lakes, fast rivers, and gorgeous mountains.

‘At the birth of the planet the most beautiful encounter between land and sea must have been on the Montenegrin coast’.
Lord Bryon
