WHO WE ARE

We Live Here.
That's the Difference.

LifeXperiences is a full-service Destination Management Company with over 20 years on the ground across Mallorca, Ibiza, Formentera, Menorca and Malta. We design and deliver corporate incentive programmes, conferences, product launches, dealer events and team retreats — from 10-pax executive gatherings to 2,000-person takeovers.

Unlike coordination-model DMCs running Balearics business remotely from the mainland, we have permanent offices and full operational teams in every destination. Real supplier relationships built over two decades. Faster response times. On-site programme management that consistently exceeds client expectations.

Nine nationalities. Ten languages. Your clients are briefed, managed and welcomed in their own language — not ours.

WHY LIFEXPERIENCES

6 Reasons We Are Different.

01

24–48 HR Proposal Turnaround

Full programme proposals in your inbox within 24–48 hours of receiving your brief. Not an outline. A costed, day-by-day programme you can put in front of your client.

02

Five-Star Delivery. Every Time.

Hundreds of programmes delivered. Five-star Google reviews. Clients who come back year after years.
Our senior event professionals do not learn on your programme - they have been doing this for decades. References available before you commit.

03

Own Teams on three Islands

Permanent offices and operations teams in Mallorca, Ibiza and Malta. We negotiate with suppliers every day, not twice a year. Your programme is run by the team that lives next door to the venue – not a coordinator in another time zone.

04

TOURVEST Group Backing

Member of TOURVEST Destination Management since 2025 — one of the world's largest DMC networks.
Group purchasing power. Audited financial security. Global procurement standards.

05

Verified Sustainability

Travelife Partner certified. Founding supporter of the Cleanwave Foundation. 1% of revenue for the Mediterranean. Carbon measurement available on every programme. The sustainability answers your procurement team will ask for — with the certifications to back them.

06

One Account Team. Multiple Destinations.

Run your incentive in Mallorca this year, Ibiza next year, Malta the year after — with the same account team, the same quality standards and the same billing relationship. 200+ corporate events delivered every year across the group.
