# PEOPLE FEEDBACK

## NATÁLIA O.

“I made a circuit in Jordan through this agency and I loved it. It was well organized. The accompanying tour guides went out of their way to meet what we needed. In my case I did not like one of the hotels and was immediately replaced by another one that I liked. I recommend."

## JAVI V.

"The Darna agency has made me live possibly one of the best organized trips I have had to date, the human warmth and knowledge of its guides is worthy of recognition. I want to highlight Farhan and Hassan, splendid guides who have made the trip special, different. Friends, I thank you for everything you have done for us. Special mention for the Jordanians, the best people I have met from Arab countries. THANK YOU!"
