

HOTEL ALHAMBRA PALACE

GRANADA - SPAIN

Reformed and upgraded to FIVE STAR in 2017.

Living History in tourism since 1910. Luxury Palace hotel inspired by the Alhambra Palace monument itself, faithful representative of a renewed tradition and high European hospitality. Culture, pleasure, elegance and aristocracy coexist in this centenary hotel, pioneer of tourism in Andalusia and Spain.

We offer excellent gastronomy and relaxation on our terraces and balconies, and we also hold events and incentives in its spectacular panoramic lounges landmarked by the UNESCO, keeping the original decoration, but offering the latest technological advances of the XXI century.

108 years later, staying at the Alhambra Palace hotel, it is a unique experience: living the Alhambra.
