Italy & Sicily DMC

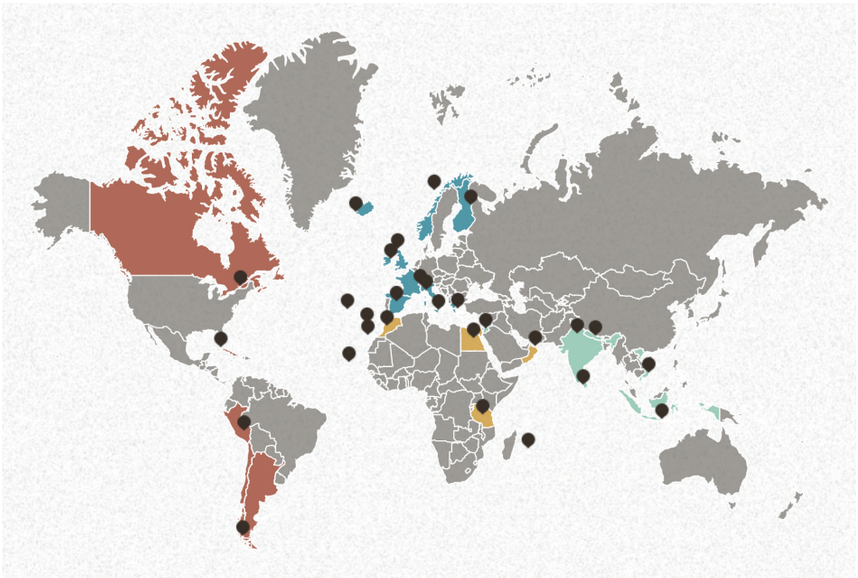

Altai Group DMC is your trusted destination management company, operator and product devoleper.

We deliver high-quality, value-based, sustainable experiences across a broad range of travel categories.
In partnership with the best professionals in the organization of events and with the marketing managers of client companies, our MICE division is able to make your event, meeting, conference or incentive trip a unique experience.
We organize experiential and sports activities, for team building and for any corporate event, with particular attention to the sustainability of each activity carried out.

Building long-term partnerships is important to us. That's why our collaborators access our global network and receive our full support, but retain their own customers and brands. Our white-label model means we're the brand behind their brand. Thanks to our established, and competitive business we are able to offer low-risk corporate collaboration operating worldwide.

NATURE & ADVENTURE DMC NETWORK

altaï DMC NETWORK

Our business is global, but our expertise is local, with innovative products operated by our experienced teams in-destination. Each year we create and deliver authentic travel experiences in more than 30 countries.

Whether it's a diverse itinerary showing the highlights of a particular country, or something more characteristic, such as trekking in the Amalfi Coast, cycling along the length of Tuscany, or go up the Italians volcanos, we can put together the perfect trip for your brand that will exceed your customers' expectations.

Our local experts, exclusively available through Altai Italia DMC, are able to offer immersive travel experiences in every region of the Italian territory.
