Our story is simple. As expert in production work for over 13 years, we combine creativity with speed and efficient service to provide the best to our clients.

Working for the government, corporate and institutional clients, our projects range from designing and production of custom and system (shell scheme) exhibition stands and pavilions, interior designs right through to one-off AV, branding and single exhibit designs.

Disclaimer: all the stand pictures are taken by our team at the site or in the workshop. i Square / Due exhibitions was wholly or partially involved in the production of the following projects. Majority of the project are subcontract work, undertaken by i Square/ Due exhibitions in which the design was prepared my the main contractor.

iSquare is UAE's premier events management company in Dubai, that specializes in providing 360-degree exhibition and brand activation solutions. We offer high-impact, innovative and well-rounded event designs and execution according to your branding needs and marketing goals with utmost professionalism and artistry. We work in synergy to leverage on our unique combination of experience, and expertise to deliver powerful and well-integrated services for your brand.

iSquare was originally formed in 2009 as Due exhibitions as one of the most creative and innovative exhibition design & production companies in UAE. iSquare established in 2016 as a sub-contractor tirelessly serving in the arena of exhibitions, events and interior architecture, due is one of the forerunners in modern and creative experiential marketing solutions.

iSquare has made important strides in the industry, with a trail of accolades and customer gratification that reflect our commitment to quality for customers.

In today's global market, consumers gravitate to top-quality brands through personalized advertising and communication channels. More than ever, winners in the battle for customer mindshare need to capitalize on high-end design solutions and execution.

iSquare is a global design company with proven expertise in managing world- class exhibitions, events, interior design projects, and representation services for a worldwide client base.

iSquare is committed in carrying your brand across the world in events and exhibitions with a creatively shaped innovative edge. With a respectable global presence and the position of one-stop services, ranging from conceptualize in to on site management.

iSquare is a leading brand activation company with worldwide associates and proven track record nearly 13 years. Innovative, inspired and insightful, we brings brands to life through powerful and engaging experiences – strategy to execution. iSquare's design studio provides designs for numerous brands to exhibits in Dubai, Sharjah & Abu Dhabi regions.

iSquare is based in Dubai (HO) & workshop in Sharjah with affiliations across more than 24 countries worldwide Associates. From Asia to Africa, Europe to Middle East. iSquare provides you with an integrated brand communication and marketing via the global exhibitions and event platform with talented and passionate individuals, iSquare never fails to delight with winner in creative conceptualization and excellence in operational and service quality.

Whatever the nature of your undertaking maybe, we can communicate your brand, story or message directly with your audiences in compelling and credible ways. We create designs that inform, attract, motivate and inspire. Our work inspires fresh perspectives, generates different ideas and opens up new opportunities. We offer a very reasonable and competitive price, very good quality, and the best service to all our customers.
