ORGANISE YOUR TEAM BUILDING IN HOTEL RAMADA PODGORICA

Ramada Hotel is located in the heart of the old town of Podgorica, only a three minutes' drive from the downtown area and a 15-minute drive from Podgorica International Airport. It is situated in the immediate vicinity of the popular Mall of Montenegro shopping centre.

We are a city hotel, equally forthcoming and hospitable to local guests just dropping in for some coffee or lunch, as to business people needing our varied services. Our guests' needs are our top priority, which is why Ramada is continually improving its services.

Ramada is in itself a great facility for team building activities. Owing to its wide range of services, it will long be remembered by participants for its comfort, the cordiality of the staff, and its creative approach to clients. Apart from its own facilities, the hotel also provides access to various types of entertainment and recreation (a bowling alley, for example).

Hotel conference rooms can be adapted to meet facilitators' requirements so as to provide all the necessary working tools to team-building participants. The space and ambiance of the hotel provide a host of possibilities for larger and smaller group activities, which can be distributed on different floors and in different rooms. The hotel staff plays a big role in all this, which in terms of providing excellent ideas on how to best use the hotel's facilities, has a creative approach, listens assertively and is solution-oriented. All this contributes to client satisfaction and is the reason guests return to Ramada Hotel again.

The hotel organises nature trips to nearby destinations which can contribute to team building and strengthening, to creating opportunities for team members to get to know each other better, and to learn and have fun in nature. During these tours, various activities are offered, from visiting historical sites and sites of natural beauty to team sports, and educational type games.

The hotel also treats team building participants to unforgettable Mediterranean delicacies, prepared in the renowned Panorama restaurant.
