TEAM BUILDING by Finding France

Finding France

Finding France offers exceptional team-building seminars, where professional relationships are transformed into **lasting, authentic bonds**. Interactions are turned into harmonious, global collaborations.

Drawing on our experience and in close collaboration with **coaching professionals**, we create customized sessions tailored to your needs. Thanks to our experts, your team will discover greater **self-awareness, authentic collaboration and a broader vision** of their objectives.

Our seminars offer unique moments of sharing, reflection and relaxation, as well as fun activities that promote cohesion. From accommodation to logistics, we take care of every detail for a turnkey experience.

Every moment becomes **a step towards a lasting and inspiring collaboration.**

EXPERIENTIAL EDUCATIONAL WORKSHOPS

A life-changing seminar, for the success of your business

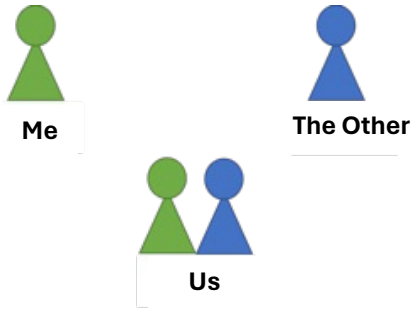

Led and supervised by professional team coaches, these innovative workshops offer an **individual and collective experience,** to raise awareness, understand and agree to open up to others.
At the end, an action plan is put in place to **implement new ways of collaborating** within the company.

The proposed sessions cover the **6 levels of relationship integration**, to a degree adapted to the duration of the sessions.

Each sequence is then followed by a **debriefing session** to enable the transposition of experience, and the **integration of knowledge, experience and practical tools.**

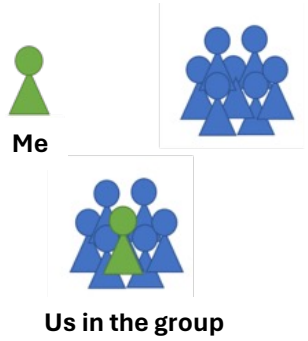

The 3 levels involved in a relationship between 2 persons:

- Learning about oneself,
- Seeing and understanding what the other is going through,
- Learning about "us" together.

The 3 levels involved in a group or team relationship:

- Learning about oneself,
- Seeing and understanding the group systemic,
- How I can influence and facilitate the team's progress.

EXPERIENTIAL EDUCATIONAL WORKSHOPS

STEP 1: Identify needs

Prior to the seminar, the coaches work with the management team to define the needs and issues to be addressed. **A key question should emerge**, to optimize the organization and functioning of the team, for example:

- How can we engage and unite the team around shared priorities?
- How can we better organize and prioritize in an emergency?
- What individual and collective processes need to be transformed?

STEP 2: Define seminar objectives

- Create moments of fun and laughter together, to strengthen bonds.
- Foster team cohesion and mutual understanding between colleagues.

STEP 3: Choose the type of workshop:

Option A: Fun team-building workshop:

One support session of one to two hours, during the day or evening: various activities to choose from (please contact us).

Option B: Meeting facilitation workshop to transform collaborative dynamics:

Turnkey "Ideal Meeting" formula, integrated to one of your meetings (3 hours - 2 coaches), including:

- Pre-meeting briefing
- Coordination by the coaching team
- Debriefing and assessment

Option C: Cohesion and team-building workshop:

Tailored to your company's challenges and needs (3 hours - 2 coaches), including :

- Preparation and coordination interview
- Pedagogical engineering
- Debriefing, assessment and summary

EXPERIENTIAL EDUCATIONAL WORKSHOPS

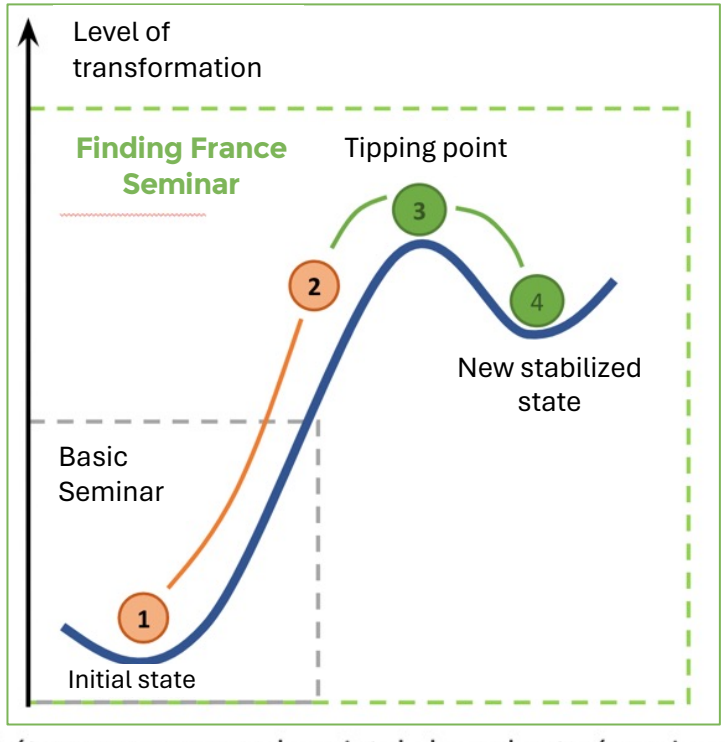

IMMEDIATE KEY BENEFITS

These personalized workshops, supervised by professional coaches, enable you to:

- **Co-create together an optimized collective operating mode**, thanks to a better understanding of individual and collective functioning,

- **Acquire and implement immediately various tools** for managing priorities, adapted to the learning team, for greater fulfillment and efficiency,

- **Perpetuate and nurture the established dynamic**, thanks to an optimized code of conduct, with a concrete action plan.

4 steps to overtake the tipping point and make the change last:

1 **Chaos & Desire:**
Arouse desire, overturn attitudes, foster intrinsic motivation

2 **Experience:**
Experience change, release neuro-emotional locks, catalyze new perceptions

3 **Knowledge:**
Linking experience to scientific knowledge

4 **Sustainability:**
Introducing new knowledge in participants' everyday life: immediate application of tools and effective implementation
