Hotel Spa Castilla Termal Burgo de Osma****

The Spa Hotel Burgo de Osma has been built over the old Reinassance University of Santa Catalina, which was founded in the 16th Century, and it is placed in the municipality of "Burgo de Osma", in the southwest of Soria's province. Besides, it has been declared officially as a Town of Tourist Interest and an Historic-Artistic Site.

The hotel's distribution is adapted to the marvelous square building. The different rooms and spaces are organized around the beautiful Reinassance courtyard, which has been turned into lounges, the Coffee Bar and the restaurant.

The Spa is placed under the cloister with columns and it receives a pleasant zenithal light through a beautiful skylight which dresses the cloister's centre, by covering the wellness indoor pool of mineralized water called "Wellness and Spa Cloister". The circuit of thermal baths' contrasts is inspired by the "San Baudelio" of Berlanga's Mozarabic chapel.

GENERAL SERVICES AND FACILITIES

It offers 70 elegant rooms, and among them, 5 are Suite rooms, 10 Junior Suite rooms and 2 rooms are adapted to limited mobility clients. All the rooms offer high quality facilities, such as flat secreen LCD TVs and free Internet connection.

It also offers a private car park, a summer pool, a playroom for children and computers.
