Full-day training

1 Teambuilding

business Yachtclub BARCELONA

Full-day training
Developing management skills through the sailing activities.

The Teambuilding Regatta is a tool of motivation and training, developed by **Business Yachtclub Barcelona** in collaboration with high-profile coachers.

The methodology is based on "learning by doing", combining indoor sessions with sailing activities.

Sailing means teamwork, effective communication, decision-making, focus on objectives and, of course, motivation.

2 Incentive Regatta

business Yachtclub BARCELONA

Half-day race

A regatta is a great incentive after a business conference.

The personalized briefing at your conference room or in front of the sailing boats, provides insights into the basics of racing and the features of the sailing boats.

The briefing also includes different metaphors to highlight the similarities between sailing and the business environment, as well as the importance of working as a team. The celebration for the winning team adds a unique touch to your event.

Our high-performance sailing boats are ideal for novice sailors as well as experts. Highest participation is guaranteed.

No previous experience needed.

Duration: 3 hours, morning or afternoon

Participants: from 8 PAX up to groups of 250 PAX

Where: Barcelona. Port Oimpic

Program

- Arrival of clients, meeting point in front of the sailing boats

Welcome briefing, **team building**, weather forecast and technical regatta briefing, formation of groups and introduction to skipper, **security briefing** and then leaving port.

- Changing-rooms and showers are available for clients.

- The regattas take place on windward leeward circuits.

We'll do a minimum of 3 races. Objective: maximum participation

- Returning to port. **Celebration of the winning team** with white sparkling wine served in crystal glasses for all participants. Medals for the winning team.
