WELCOME TO OUR COMPANY

Haimour International has evolved into a company that specializes in private chauffeur, concierge, and luxury car services. To support our clients wherever they are, we have expanded our network of activities beyond Europe and the Middle East. Thanks to our unique partnerships and the strong network we have developed over decades, we are in a position to negotiate the best rates for our clients without compromising the quality of our service.

Each of our chauffeurs undergoes a rigorous selection process before joining our team, ensuring they embody the highest standards of professionalism and attitude. Our staff receives extensive training, including comprehensive instruction in business etiquette and service quality.

Attentiveness, discretion, and a commitment to trust and confidentiality are paramount qualities we seek in our chauffeurs. They are more than just drivers; they are ambassadors of Haimour International, fluent in French, English, and Arabic, with some even proficient in a fourth language.

Rest assured, when you ride with us, you're not just getting from point A to point B – you're experiencing top-tier service from our skilled and multilingual chauffeurs."

Meet &Greet

Our VIP team will whisk you through the airport with speed and style. No time for dull moments here!

Arriving at an airport can be a time-consuming experience, particularly for foreign visitors who may face cultural differences, regulations, or language barriers. The Meet and Greet service is a high-end and personalized VIP one that provides a professional welcome at airports. Our exclusive service is tailored to exceed your expectations. Upon arrivalat the airport, one of our agreed drivers will welcome you and help you throughout your journey, offering you benefits such as check-in and baggage assistance, escort to your gate, and other amenities. This solution is designed to streamline your travel experience and make it a stress-free journey.
