Accommodation

We understand how important a perfect and desired accommodation is for both Business Travelers as well as people traveling for leisure.

Hence, we are committed to offer our customers, a wide range of options to choose from, starting from the luxurious hotels, apartments, resorts and more.

We have partnered with various hotels in the UAE to provide our clients quality accommodation with competitive price.

We also look forward in future to join hands with even more hotels in the UAE to expand our B2B relationship with the hotels and customers.

PEACE LAND'S B2B MODEL

Peace Land's B2B Portal

As times are evolving in the travel and tourism industry, so as we're adapting to the change. We are looking forward to create a "One Stop Shop" for our B2B partners so they can easily access all our services with the help of our B2B Portal.

Hotel Extranet

We are heading towards the advanced Hotel extranet tool that will allow our B2B partners to access and manage Hotel room inventories like, rooms' availability, rooms' allocation, blackout dates, room rates, etc.

Payment Gateway

Our B2B partners can easily accept payments from anywhere in the world. Our payment gateway is fast, reliable and secure with in-built fraud detection system.
