THE STREAM TEAM

Stream7 has been at the forefront of event broadcasting for over a decade. Our experienced team combines cutting-edge technology with expertise to generate worldwide reach and connect audiences with your successful event.

We create stunning visuals that make sure your attendees don’t miss a moment, even when they can’t be there in person.

Our team includes videographers, lighting designers, sound engineers, graphic designers, production managers, IT specialists and network engineers. We understand the multiple moving parts that form an event, and work in partnership with clients to achieve the best quality production.

7 REASONS TO WORK WITH US

At Stream7, we pride ourselves on being the very best in the industry. Here are 7 reasons why we stand out from the rest...

1

Friendly, Approachable & Enthusiastic Team

Our team is comprised of down-to-earth individuals dedicated to ensuring your events run smoothly and effortlessly.

2

Professionalism & Expertise

With over 10 years of professional experience, our highly qualified engineers and technicians excel in every aspect of event production.

3

Industry-Leading Technology

We leverage cutting-edge equipment and the latest technology to keep your event at the forefront of innovation.

4

Commitment to Sustainability

Opting for virtual or hybrid events reduces travel, aligning with eco-friendly event management practices.

5

Client-Centric Approach

Understanding your perspective is our priority, we will work closely with you every step of the way to achieve your vision.

6

Comprehensive Planning

From inception to execution, we meticulously plan every detail to perfection, leaving no room for error.

7

Collaborative Partnerships

We view every client as a partner. We are committed to treating your events, colleagues and attendees as our own.

HYBRID EVENTS

HYBRID EVENTS

Expand your reach with our hybrid event services. Live stream your event to a global audience with professional production that keeps online viewers engaged.

Reach your audience anywhere, anytime.

We ensure seamless viewing across all devices, recommend the best platform for your event (secure or public), and provide a stable live stream even in challenging locations. Our innovative technology allows you to keep viewers engaged with interactive features and remote participation options.

Seamless production. Powerful impact.

We provide full AV support, or integrate seamlessly with your existing set-up, saving you time and money. Our experts create live graphics to captivate your audience and enhance your message. Plus, our technology allows remote presenters to join seamlessly, creating a truly immersive experience.

VIRTUAL EVENTS

Go virtual, go global. We create immersive virtual events with broadcast-quality production, seamlessly connecting remote presenters and audiences for a secure and engaging online experience.

High-impact virtual events managed by experts.

Our team ensures seamless execution with dedicated support. We maximise engagement by providing television-quality production with engaging visuals. Advanced analytics track user interaction to inform decision-making and highlight return on investment.

Engage your audience and elevate your brand.

Our platform keeps viewers active with Q&A, chat, and gamification features. We offer full event branding for sponsor opportunities and flawless brand consistency. Our Remote Presenter system facilitates dynamic panel discussions with geographically dispersed speakers and remote moderation.

CONTENT CREATION

CONTENT CREATION

Turn your event into lasting memories. Our experienced crews travel worldwide to capture every moment, from speeches to candid interactions. Our services include filming, social media content creation, and video production for live streams and on-demand content.

Capture the moment, amplify the impact.

We offer live event filming with real-time editing for immediate post-event sharing. Our social media content creation allows you to keep your audience engaged with vox pops and video teasers. Our professional video production ensures high-quality content that represents your brand perfectly.

Beyond capturing events, we elevate them.

While you focus on your event, the stream team will create engaging content and lasting memories. We repurpose footage, film interviews and capture the buzz of an event to create optimised media.

EVENT STUDIO

Transform your event into a captivating live stream experience. Engage a global audience, presenters, and exhibitors, while generating revenue through sponsorships and branding in a bespoke TV studio at the heart of your event.

Inform, engage & promote: All in one studio.

Captivate your audience with informative content by presenters, sponsors & keynote speakers. Energise your event with an on-site studio, showcasing interviews, demos, and behind-the-scenes glimpses. Plus, generate additional revenue with sponsorship opportunities, both in-studio and on-screen. It's a win-win for attendees, sponsors, and your event.

Effortless event engagement & revenue generation.

Stream7 Studio is your all-in-one solution for captivating live broadcasts. Our team can design, create and deliver a bespoke custom-branded, fully managed studio allowing you to foster audience interaction. Don't just captivate your event, take it to another level.

EVENT PRODUCTION

EVENT PRODUCTION

We provide full AV (Audio Visual) support to any event, on any scale. Our service isn't just about equipment, we design solutions that spark emotions, boost engagement and leave a lasting impression. We'll work with you to create unforgettable experiences.

Transform your vision into reality.

Our event producers seamlessly blend cutting-edge technology with your vision to create impactful events, from intimate gatherings to electrifying festivals. Our experienced technicians use state-of-the-art technology to ensure every detail shines, leaving your audience mesmerised.

Effortless execution, impactful stories.

We handle everything from planning to post-event support, ensuring a stress-free experience for you. Our expertise, combined with your vision, allows us to work in partnership with your team to create immersive experiences that resonate with your audience and amplify your message. We work closely with every client to exceed expectations and leave a lasting impact.
