MYKONOS
Welcome to the heart of the Cyclades!

Understanding the map:	
Short distances	Chora / Aghios Ioannis / Platys Gialos / Megali Ammos / Ornos
Long distances	Elia / Kalafatis / Kalo Vivadi / Paradise / Super Paradise Ano Mera / Panormos / Paranga

Did you know?

- It is one of the most picturesque islands in the Cyclades, featuring quaint narrow streets, white houses, chapels, and windmills.

- Chora also serves as the operations base for exploration, with regular bus itineraries or other means to the remaining beauties of Mykonos, the picturesque interior, and the pristine beaches.

- The entire group of Mykonos, Delos, and Rhenia is an area of "particular natural beauty" and is protected by special legislation.

- It has become the preferred destination for international artists and celebrities.

MYKONOS – EXCURSIONES PRINCIPALES 👍
Porque hay más que solo tumbarse en la playa …

Half Day in Delos	BEST SELLER!

Delos is a small island located in the center of the Cyclades, a few kilometers southwest of Mykonos. It boasts one of the most important archaeological sites in Greece.

It is the birthplace of Apollo (God of Light) and Artemis (Goddess of the Hunt), both children of Leto and Zeus. It was once considered the brightest place in the universe.

Excavations at Delos began in 1873 and are still ongoing today by the French School of Archaeology.

In 1990, the site of Delos was included as a protected monument (World Heritage Cultural Site) by UNESCO.

Points of Interest

- The Lions of Delos
- The Temple of Dionysus (God of Wine)
- Theatre of Delos

MYKONOS – MAIN EXCURSIONS 👍

Because there's more than just lounging on the beach...

Half Day in Mykonos

Explore the interior of Mykonos!

Explore Mykonos: one of the world's most popular tourist destinations with blue skies, beautiful whitewashed houses, and stunning beaches.
Begin with a walking tour of Chora through its narrow streets.
Experience the beauty of the once fishing village of the Cyclades.

Explore the island with a bus that visits some of the most famous beaches and the inland scenery of the island. We'll see fishermen and their wooden boats (Kaikis), small private chapels, and houses built in the typical Cycladic style.

In the second main village of Mykonos, Ano Mera, an idyllic place 6 km from the city, guests will have enough free time to stroll around the traditional square and visit the Panagia Tourliani Monastery (built in the 16th century).

Points of Interest

- Little Venice
- The Windmills
- Petros the Pelican
- Village of Ano Mera
- Panagia Tourliani Monastery
- Optional Ouzo Break

SANTORINI

The world's best sunset. Whitewashed villages. The romance of Oia...

SANTORINI
Explorar. Descubrir. Experiencia.

Understanding the map:

Main Cities	Fira, Imerovigli & Oia
Best Beaches	Red Beach, White Beach, and Black Beach / Kamari / Perissa / Perivolos

Did you know?

- Frequently included among the world's best destinations.
- The eruption of the volcano destroyed the center of the island (during the 2nd Millennium), which sank, creating the current Caldera.
- It is said that the destruction of Santorini could be related to the mythical Atlantis.
- Akrotiri is the most important archaeological site in Santorini with incredible two and three-story buildings and prehistoric findings dating back to 3600 BC.
- Due to many cruises docking on the island but also due to high demand as a destination, the tourist season has recently been extended (from early April to early November).

SANTORINI – MAIN EXCURSIONS 👍

Because there are countless options: beaches of all shapes, sizes, and colors, tranquil and remote villages, wineries, calderas, museums, and spectacular sunsets…

Caldera by Sailboat

BEST SELLER!

Departure by bus to the port of Athinios. First, we set sail for the lava islet of Nea Kameni. Upon disembarking, we walk along an ascending path to approach the crater of the still active volcano. It's an incredible sight, even if you're not seeing a volcano for the first time! We return to our boat and sail to the second lava islet called Palea Kameni, where we find its hot springs and have the opportunity to swim in the green sulfur waters. Next, we sail to the beautiful and traditional island of Thirassia. You can visit the traditional village of Manolas, accessed by a winding staircase. You have the option to walk or ride a donkey! We stay in Thirassia for over an hour. Back on the boat, we make a brief stop at the port of Armeni in Oia (for guests wishing to stay here) before setting sail for Athinios, or you can stay in Oia to enjoy the magnificent panoramic view and the spectacular sunset. 15 minutes after sunset, you will return to the meeting point to catch the bus back.

Points of Interest

- Nea Kameni Islet
- Palea Kameni Islet
- Hot Springs
- Thirassia
- Manolas Village
- Oia Sunset

Volcano and Hot Springs

BEST SELLER!

Departure from the old port of Thira.
Once aboard, we will start sailing to reach the lava islet of Nea Kameni. There we disembark to walk along an ascending path to approach the crater of the still active volcano.

We will sail to the second lava islet called Palea Kameni, where we will find the hot springs. For about 30 minutes, you will have the opportunity to experience bathing in warm therapeutic mud, which you must try if you have never done so before! We will return to the old port of Thira. It's time to take unforgettable photos of the Caldera cliffs.

Points of Interest

- Nea Kameni Islet
- Palea Kameni Islet
- Hot Springs
- Caldera Cliffs

CRETE

Relax and enjoy your stay... with everything at your fingertips.

CRETE
Combining... experiences!

Understanding the map:

Cities	Heraklion & Chania
Best Beaches	Elafonissi / Balos / Preveli / Matala / Vai Lassithi / Falassarna

Did you know?

- Crete lies at the crossroads of the "Three Paths of Light": Europe, Africa, and Asia, practically equidistant from all three continents. As Crete is part of Greece, the southernmost point of Europe is found in Crete.

- The Samaria Gorge is the longest gorge in Europe!

- It has over 3000 caves.

- Knossos is the second most visited archaeological site in Greece after the Acropolis (with over 1 million visitors per year).

- The mighty God Zeus was born and raised here.

Rhodes
The island of roses and knights…

Rhodes
Combining... experiences!

Understanding the map:

Capital	Rhodes Town
Best Beaches	Lindos / Ladiko / Kallithea / Tsambika / Faliraki / Kolympia

Did you know?

- It is the capital and the largest of all the islands in the Dodecanese.
- Known as the Emerald Isle due to its 37% coverage of pine and cypress.
- In ancient times, Rhodes was famous "throughout the world" for the Colossus of Rhodes, which was one of the Seven Wonders of the World.

- In the 16th century BC (3700 years ago), while in close contact with Minoan civilization in Crete, Rhodes became an important center of the Bronze Age.

- The emblem of the islands is the deer. This is because a very rare and protected deer called Dama-Dama lives in the forest of Rhodes.
