CASTILLA TERMAL
HOTELES

Castilla Termal Monasterio de Valbuena Hotel *****

Situated at the heart of Ribera del Duero, the hotel Castilla Termal Monastery of Valbuena the first spa with 5 stars status in Castilla y León is located in one the best preserved Cistercian monastery of the 12th century in Europe. Perfectly connected with the N-122, 35 km from Valladolid and 180 km from Madrid via the N-601.

The thermal area is over 2,000 m2 and has 16 treatment cabins and several thermal pools. The contrast circuit recreates the 13th century Treasure Chapel. The mineralisation of the hypothermal mineral-medicinal waters of its spring is classed as medium, and they are rich in sulphates, sodium and calcium, good for digestive and metabolic treatments, beneficial for the liver cell function, and ideal for slimming and anti-stress therapies.
