

Malayan Safaris

OUR HISTORY

- DMC created on 2002
- Based at Kuala Lumpur
- Only agency in the area 100% specialized in the Spanish Speaking markets:
  Spain, México, USA, Argentina, Chile…
- 2 brands under the same company:
  Malayan Safaris for the English Speaking market
  Turismo Asiático for the Spanish Speaking market
- Managed by 2 Spanish directors and a local Malaysian team
- No tour or service is offered that we haven't experienced by ourselves.
- Our criteria to provide an exceptional service will always be based on our experience, and taking into account what a western client would like…

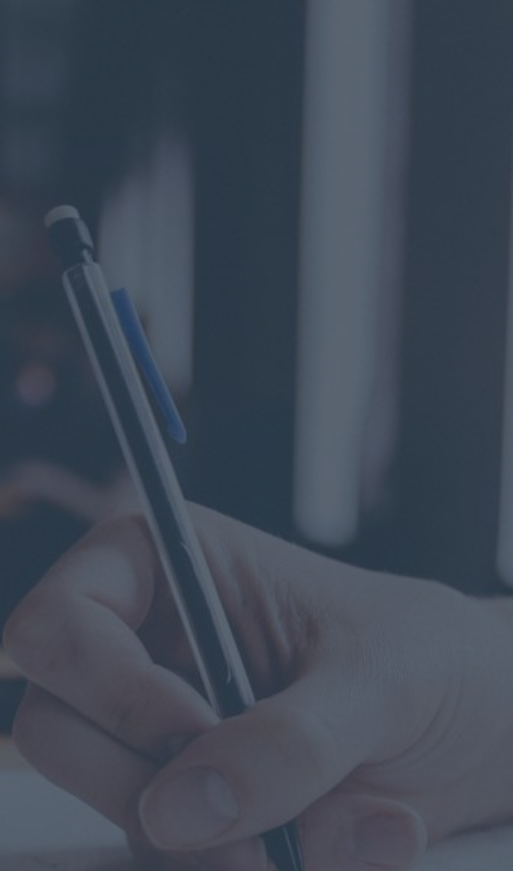

MALAYSIA as a MICE destination

- One of the most developed countries in southeast Asia with excellent infrastructure.
- Option to combine an incentive corporate trip with a tropical island packed with luxury hotels and services (even with a private island made just for events)
- Multicultural country that brings together 3 races with their respective religions and cuisines: malay, chinese and indian
- Ancient rainforests and heavenly beaches completely accessible.
- **KUALA LUMPUR:** Futuristic city with the iconic Petronas Twin Towers
- **PENANG:** Traditional UNESCO city full of Chinese and Indian Temples, topped with an excellent cuisine.
- **BORNEO:** Excellent hotel selections and first class tourist services in a stunning nature destination.

SINGAPORE as a MICE destination

- City-state incredibly safe and developed. Consider by many the City of the Future.
- Option to combine an incentive corporate trip with a tropical island packed with luxury hotels and services (even with a private island made just for events), due to its proximity with Malaysia.
- Luxury culinary experiences with a wide range of Michelin starred restaurants.
- Unique tours due to its excellent combination of ancient asian culture and modernity.
- **Marina Bay Sands:** Iconic hotel with a rooftop “ship” connecting its three towers, filled with luxury retail shops and even a casino
- **Gardens by the Bay:** Out of this world futuristic garden exhibiting the impressive flora of Asia
- **Jewel @ Changi:** Singapore shocks the visitor right at the airport, with the world’s largest indoor waterfall.
