We offer our partners Professionalism, Quality and Trust!

MEETINGS AND CONFERENCES

You can be sure that with Uzbekistan Holidays your meeting will be held with the utmost attention to detail and professionalism of our team working with MICE

We develop customized conference solutions for your customers, according to their requirements and preferences. Starting to work with your application, we discuss in detail - the nature of the conference, the customer profile of expectations from the country and places, product style, design design, requirements for audio-visual support, room requests for breaks, etc. - so that we can offer a solution , Fully meeting the client's expectations

Starting from the stage of selection of the venue for the conference / meeting and ending with the summing up of the event, we control all the details to make sure that all aspects of the conference are checked and taken into account. We understand and clearly distinguish conferences of different types and tasks, such as meetings of focal sales, form-training, meetings on financial forecasts, conferences of bankers-each of these meetings needs its own approach specific to the industry, so that the event was successful.

EVENTS

Our team is working to help you to plan and organize your events with particular attention to detail. We have a variety of solutions for budgets and expectations of different levels. We understand that each event has its own specific goal, target audience, and certain expectations for the results. We work together with you to create an understanding of the various aspects of the event in order to be sure that all our proposals are aimed at accomplishing the tasks set.

DELEGATIONS

The economy of Uzbekistan is one of the fastest growing in the world. Today our country enjoys great attention and interest from all over the world. Trade and business delegations visit Uzbekistan in order to study the market, meet with suppliers, in search of new partners, to understand the structure of the country's economy in order to search for new markets or supplies.

Working with delegations requires a great deal of organizational experience and ability to make the event happen at any point in Uzbekistan.

Organization of a successful visit of the delegation can sometimes become a real challenge to professionalism, and looking back, we understand that we have gained invaluable experience. Today our team is armed with a wealth of experience after many unusual events.

Working with a high sense of responsibility and guided by the principle "We Can and Will" we try to do our best to meet the client's expectations.

INCENTIVE TOURS

We create individual incentive solutions for your customers based on their wishes, preferences, budget.

By this, a memorable tour can not be scheduled within the framework of some standard proposal. Therefore, Uzbekistan Holidays comes to each order individually, offering you exactly those options that will make the trip unforgettable and full of vivid impressions for your customers.

We understand how important it is for each company to give the proper time to create a team spirit. We develop and incorporate into the programs those activities that are needed by a particular client. The goal may be the creation, correction or revitalization, cohesion of the collective encouragement to participate in the joint activity of unity. Willingness to solve problems and at the same time have fun to participate in an unforgettable bright joint event.

WE ARE AT YOUR COMPLETE DISPOSAL!
