WELCOME

Terranautika as Destination Management Company, since 2007, is fully dedicated to the organisation of memorable incentives, professional meetings, congresses, product launches, corporate events, luxury concierge services and tailor-made boutique escapes in Croatia and Montenegro.
Professional Management, Creativity, Reactivity, Flexibility and Expertise are among the keys to the success of your project.
Our multilingual team is totally committed to achieve your objectives, as for us each client is unique. We grant quality and attention to detail, implement social responsible actions and take care of the environment, while offering our clients memorable lifetime experiences.

OUR VISION

Our vision is to be on of the leading boutique DMC's in the region, by expanding business to a higher quality level and creating long-term partnerships with our clients, as well as continuing our good cooperation with our service providers, by increasing the quality of service in accordance with the principles of sustainable tourism. It is important for us to stand out with our creativity and provide our clients continuously innovative services and products. The long-term vision of the Agency is the education of our approved suppliers so that they, too, improve their services and successfully accompany us in a joint venture.

Our mission is to provide our corporate and leisure clients an unforgettable experience through reliable and efficient personalised services in Croatia and Montenegro. In addition, we wish to free our clients from all the hassle in organizing and coordination as such that the client can fully devote himself to his primary tasks.
