AN EVENT TO REMEMBER

Incorporating a theme into an event is a wonderful way to engage and involve your guests or impress your clients that will enhance the whole experience for all attendees. It could be a Halloween party, a roaring 20's party, Gatsby party, a masquerade ball or a retro 70's birthday bash.

Having a theme for your celebration also makes it easier to plan, since the decor, music, food and drink are specific to the chosen theme.

These events are a way to recognise the employee(s) who have exceeded all expectations, an innovative company leading in the market place or a local everyday hero. Whoever you are recognising, and for whatever reason, an award ceremony event must be celebrated in style and be an exciting immersive experience.

OBVIOUSLY understand the importance of an award ceremony is to motivate and inspire others to aim and achieve. Our team will work alongside you to create, plan and MANAGE EVENTS that will showcase and celebrate great talent

Award ceremonies are special events designed to celebrate excellence.

PRODUCT LAUNCH & BRAND ACTIVATION

A fabulous product launch or brand activation party is an excellent way to raise brand awareness by promoting your new product to a wide consumer audience through the use of a creative platform.

This breathes life into the product, providing a means for the consumer to interact and engage in a meaningful and entertaining way, captivating them whilst exposing them to your product for the first time.

This positive promotion of the product, in an enjoyable and stimulating environment, helps to build a long term emotional connection between the brand and the consumer.

AUDIOFOCUS

Proudly present two franchises that redefine auditory perfection in Mauritius

AUDIOFOCUS Equipment

AUDIOFOCUS puts exceptional audio quality within reach for rental companies and venues. For the last 20 years our mission has been the creation of high-performance loudspeakers without the unrealistic price tag to match. Today, AUDIOFOCUS is a global challenger with a rock-solid product range that we are proud to stack against any of the high-end speaker brands.

Over the months and years ahead we aim to further redefine value and performance in professional loudspeakers.

We have assembled a world-class R&D network, bringing together 25 of the brightest sparks and most creative minds in the industry to drive the development of a whole new generation of leading-edge loudspeakers. Smarter design, agile workflows and new techniques are empowering us to strip out unnecessary costs and focus our energies on the aspects that truly make a difference to loudspeaker performance and longevity.

AUDIOFOCUS

Meyer Sound Audio Equipment

A Belief that Inspired a Company - Meyer Sound was founded in 1979 to create the best sonic experiences possible, built on scientific innovation and quality engineering. At the heart is a passion for quality, ensuring that every paper cone, circuit board, and driver is handcrafted to meet our extremely demanding standard.

We continuously analyze production methods and material selection and exercise exhaustive quality control behind the legendary unit-to-unit consistency, reliability, and longevity of Meyer Sound products. The end result? Pure, honest sound.
