Event Management made (really) easy & more profitable.

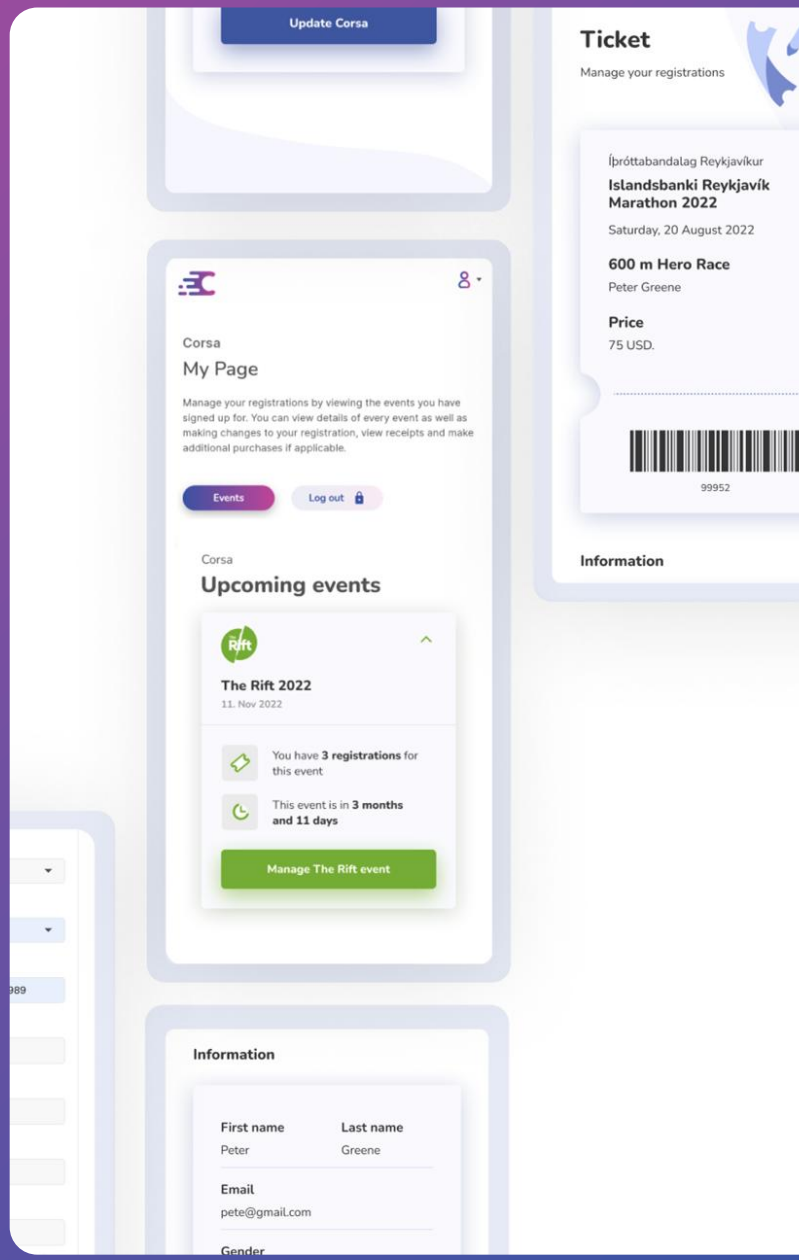

The easier, better way to manage your events

- ✓ Set up and manage your events effortlessly.
- ✓ Effectively engage your attendees.
- ✓ Capture leads and track ROI.
- ✓ Earn commissions from hotel bookings.

One-stop-shop for events management

With all the essential features at your fingertips, Corsa empowers you to effortlessly plan, manage, and optimize every aspect of your event.

As event organizer, do you earn revenue from hotel and bookings?

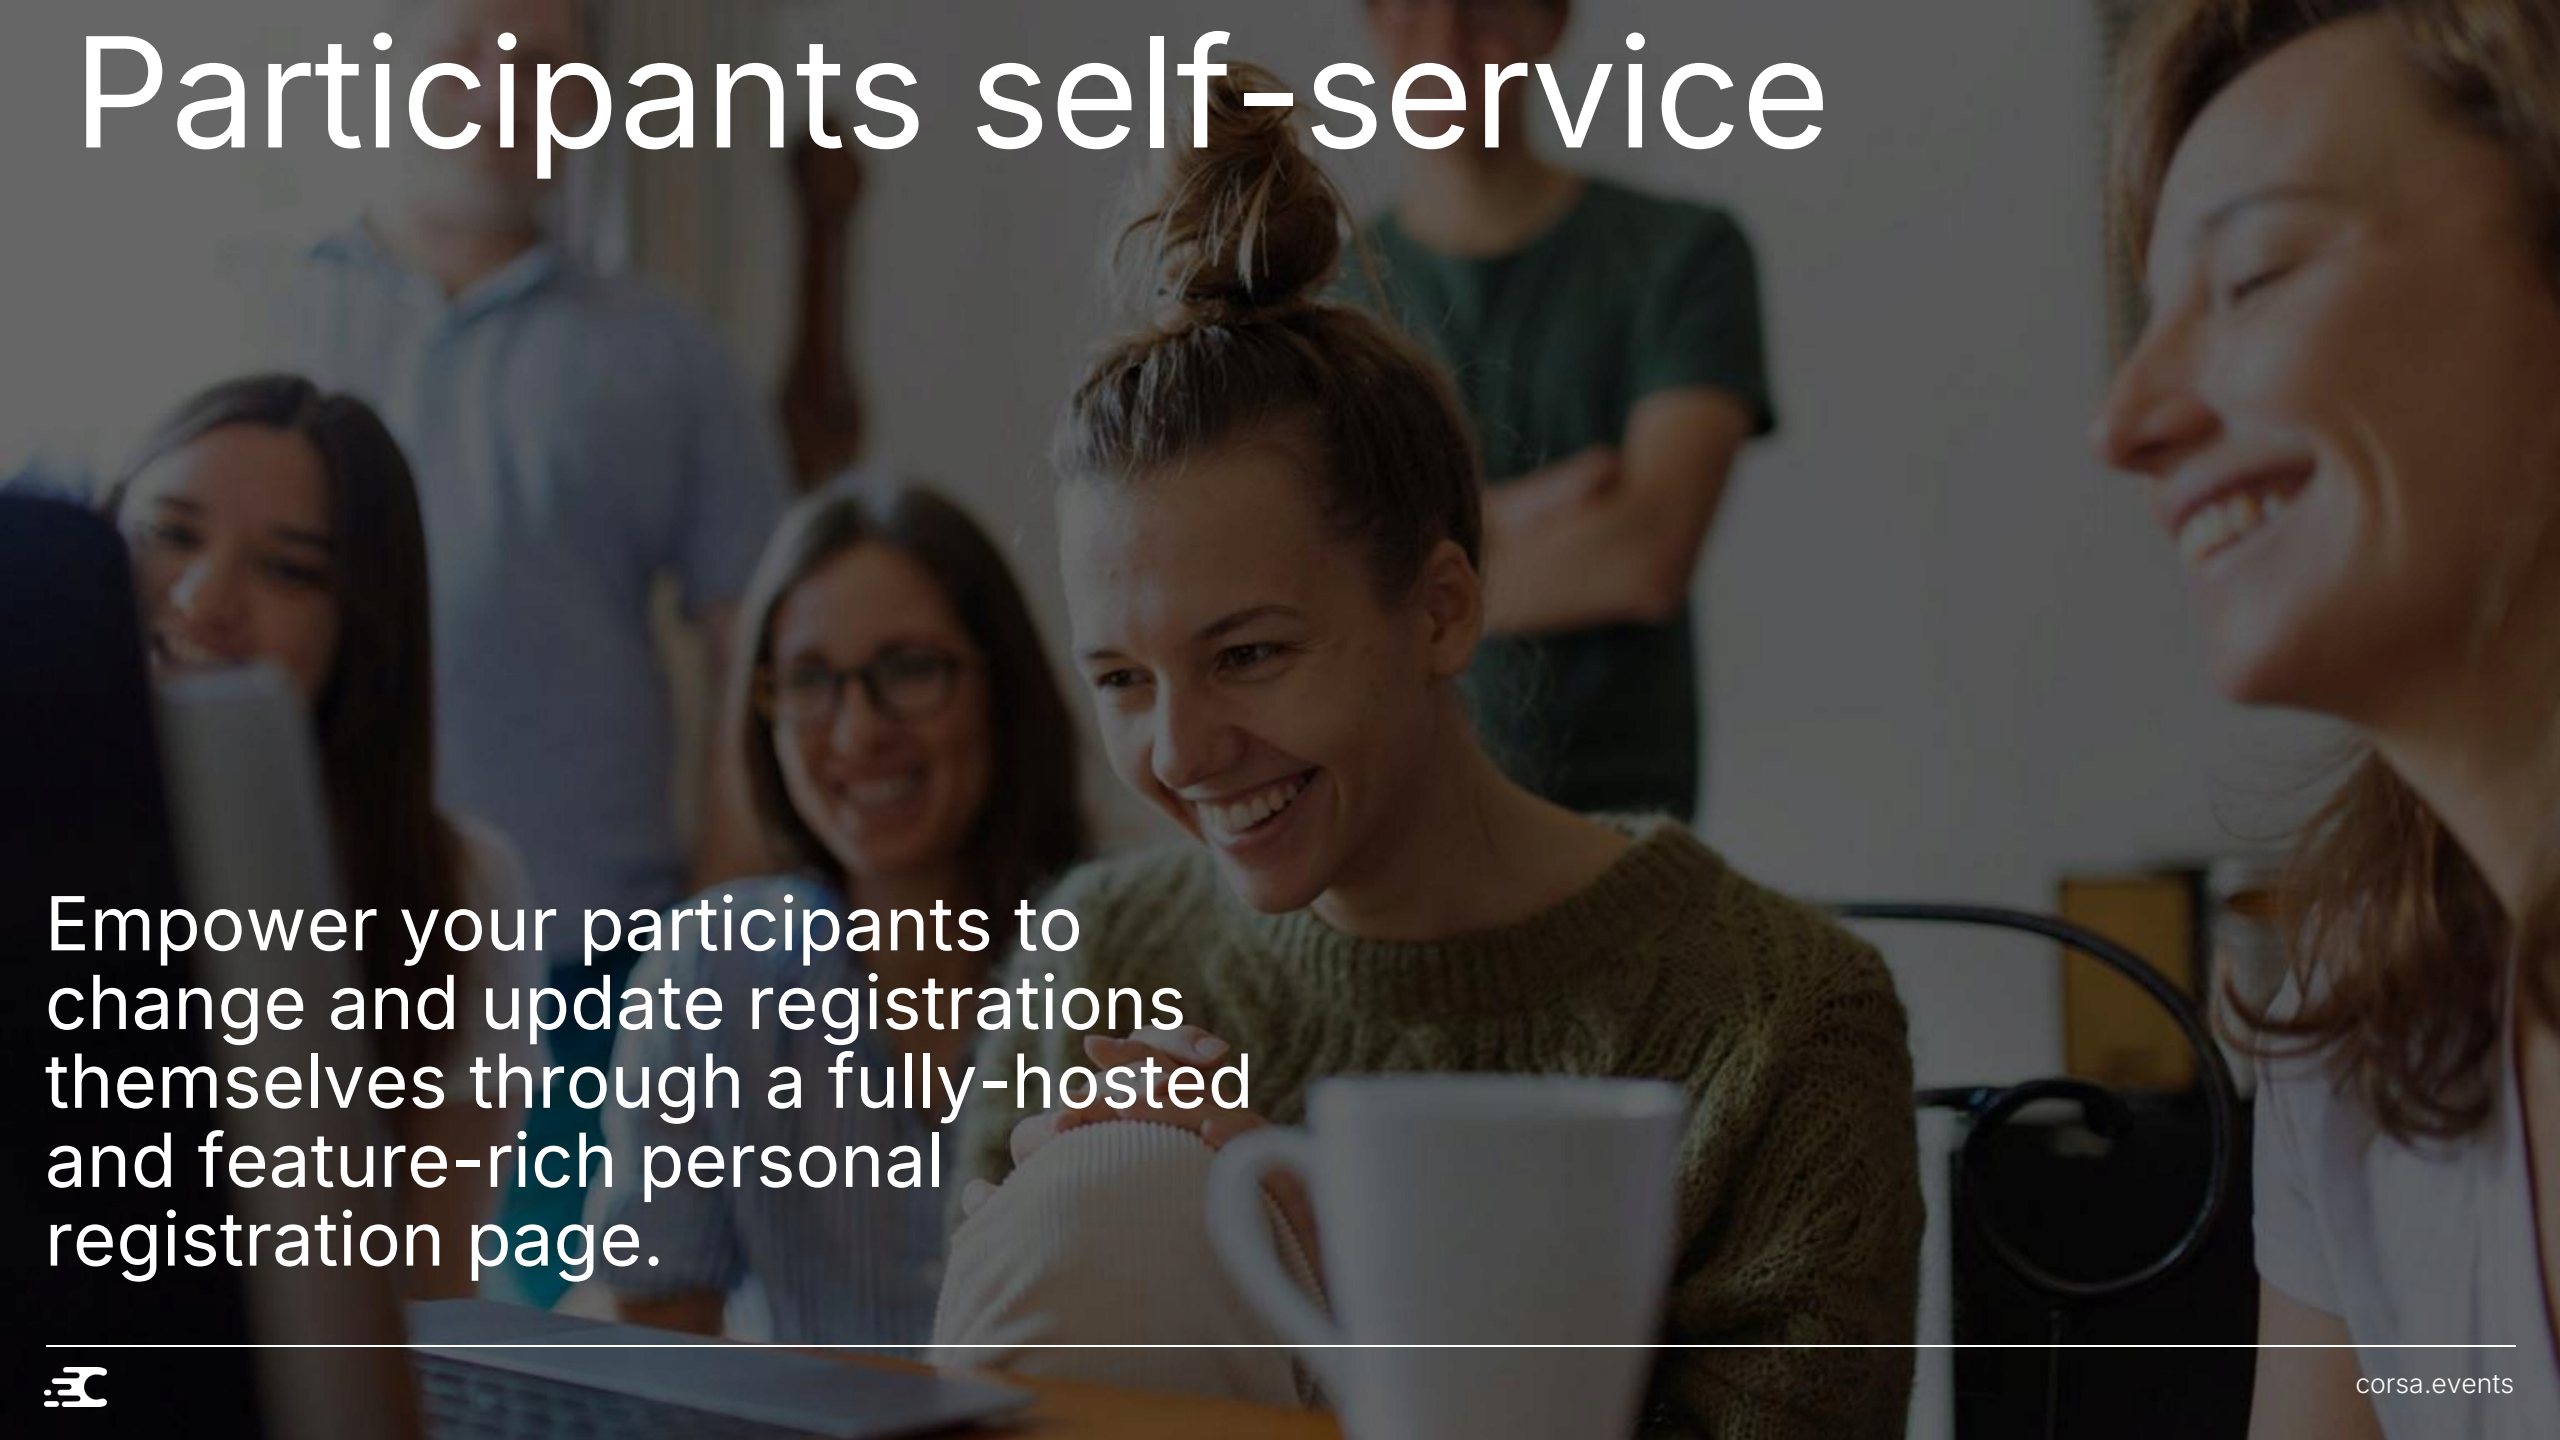

Corsa integrates hotel bookings, activities, and merchandise sales into your event, enhancing both income and attendee satisfaction.

Skyrocket event revenue

Participants self-service

Empower your participants to change and update registrations themselves through a fully-hosted and feature-rich personal registration page.

Take charge of your event

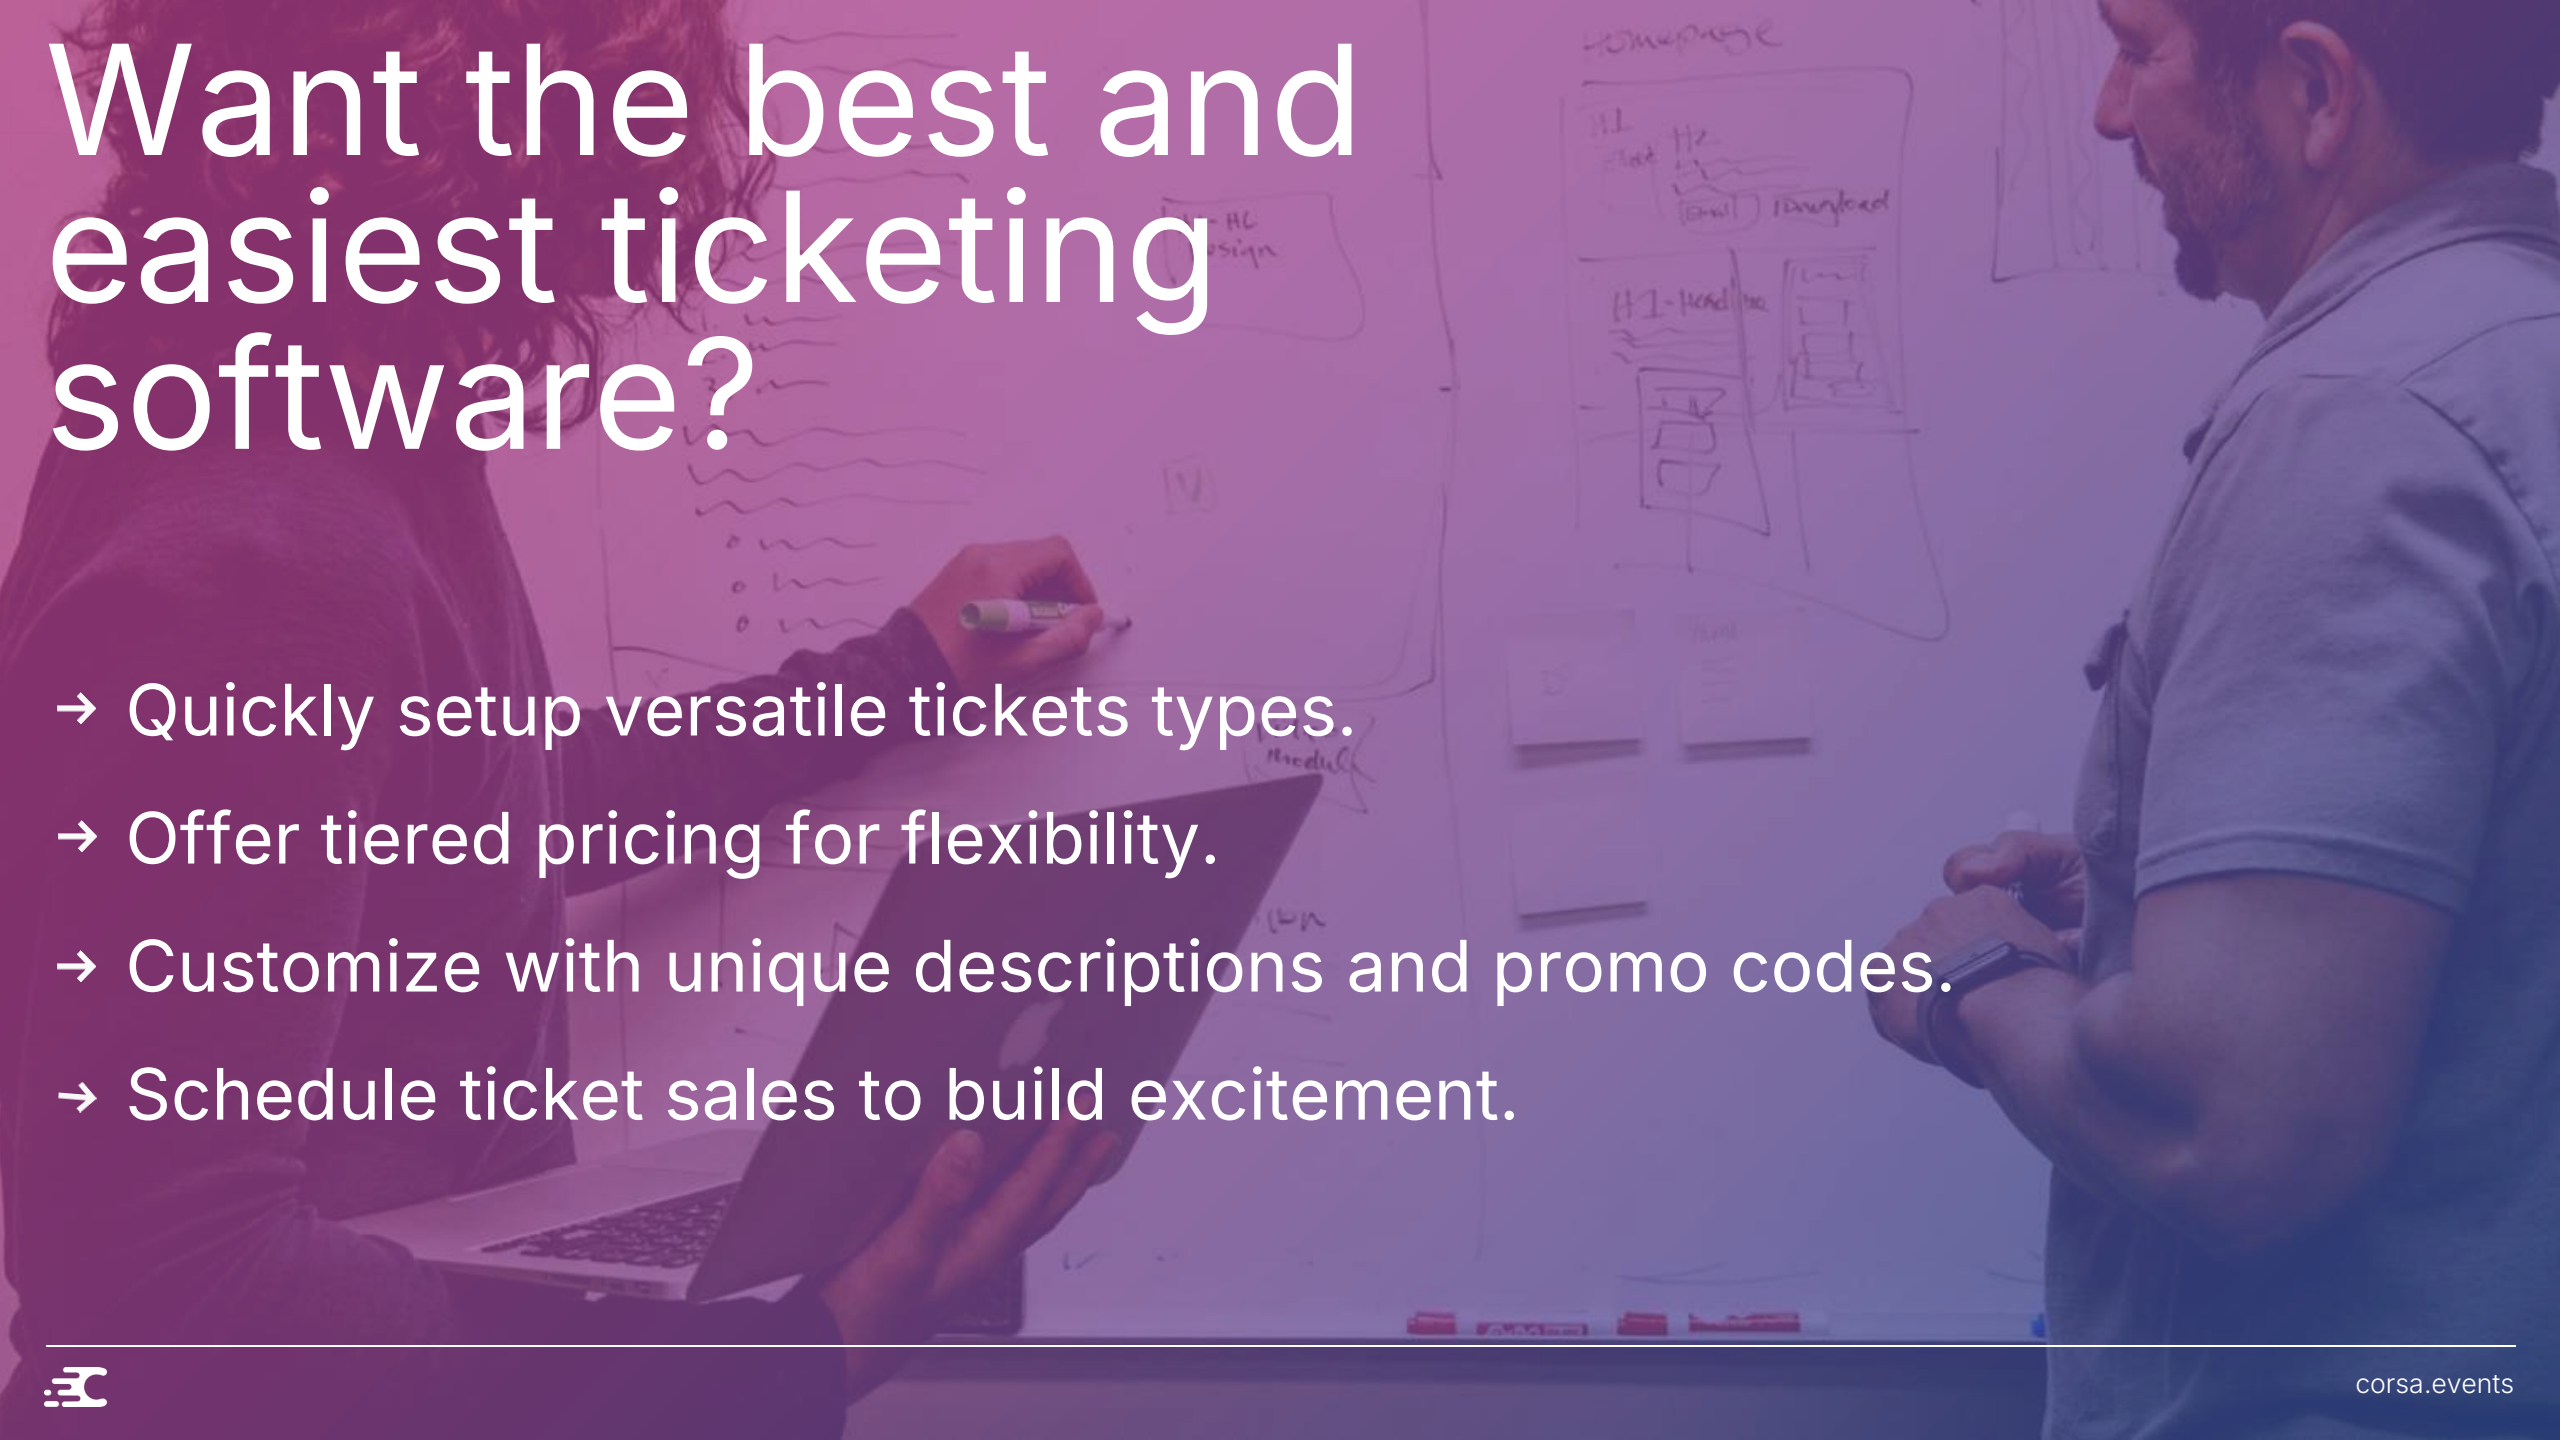

Gain control of every detail with actionable analytics for a powerful and impactful experience.

Create customizable event pages

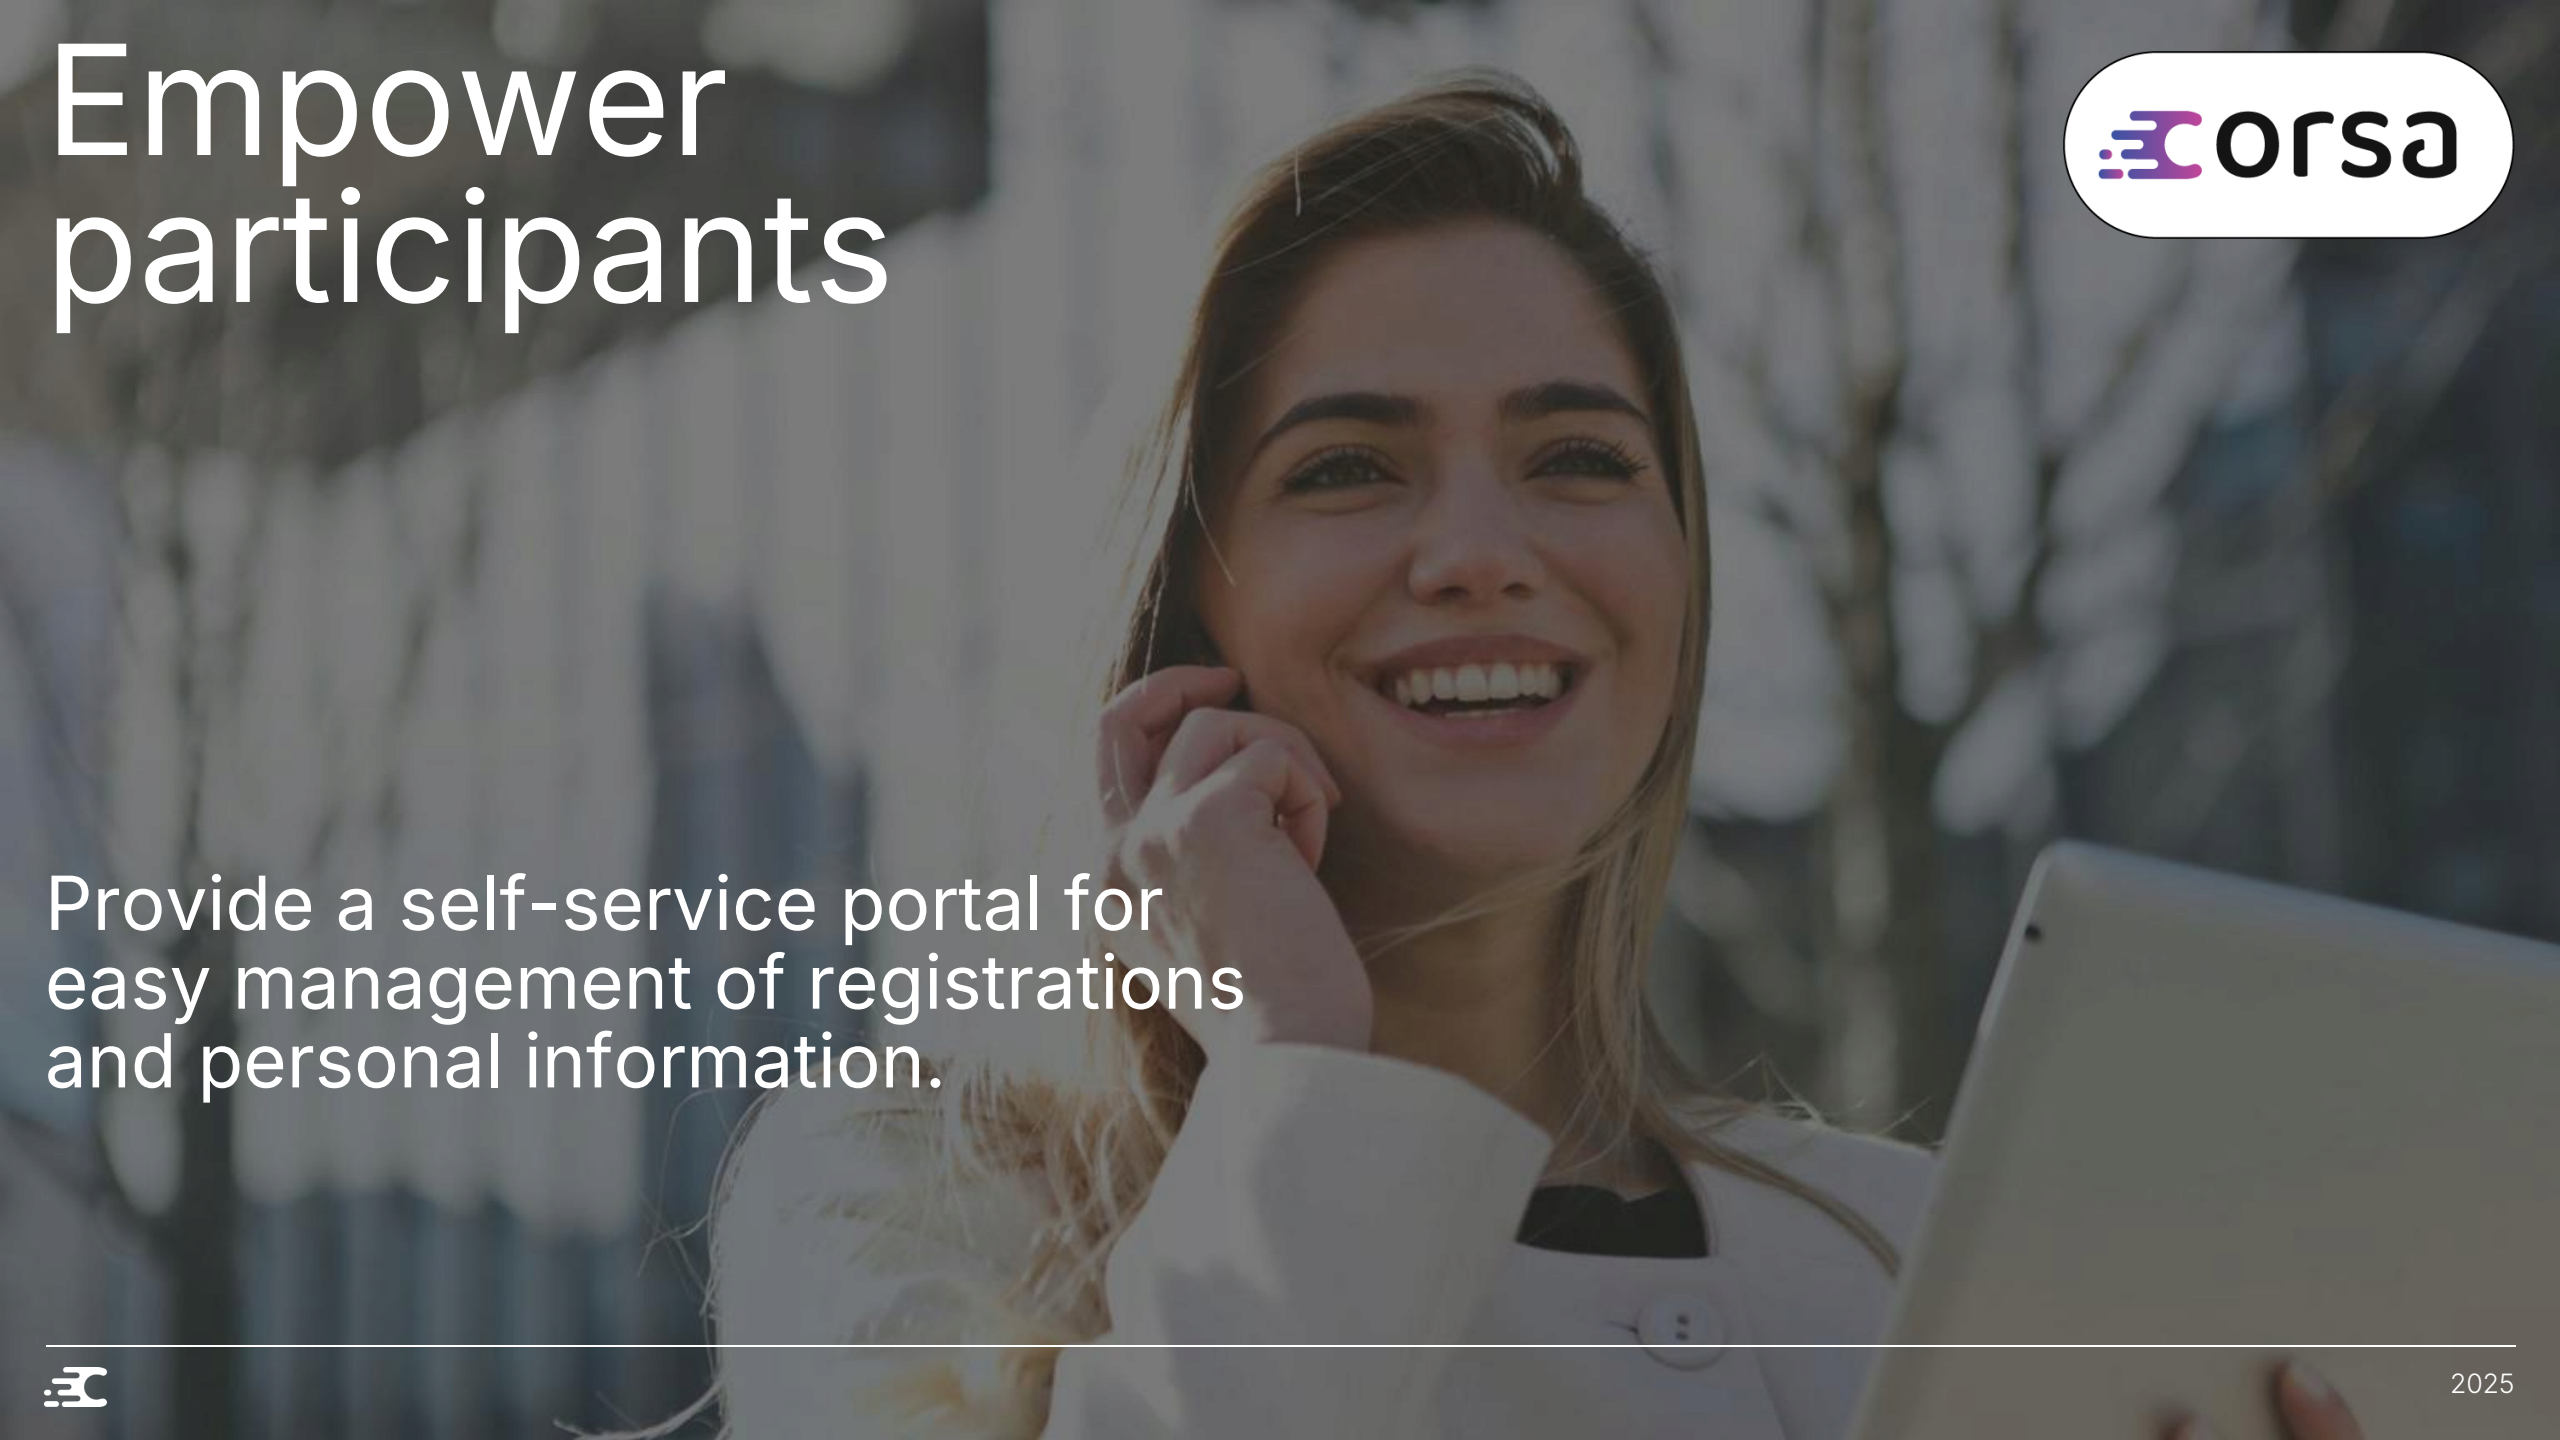

Effortlessly design event pages that provide a tailored experience for your attendees.

Want the best and easiest ticketing software?

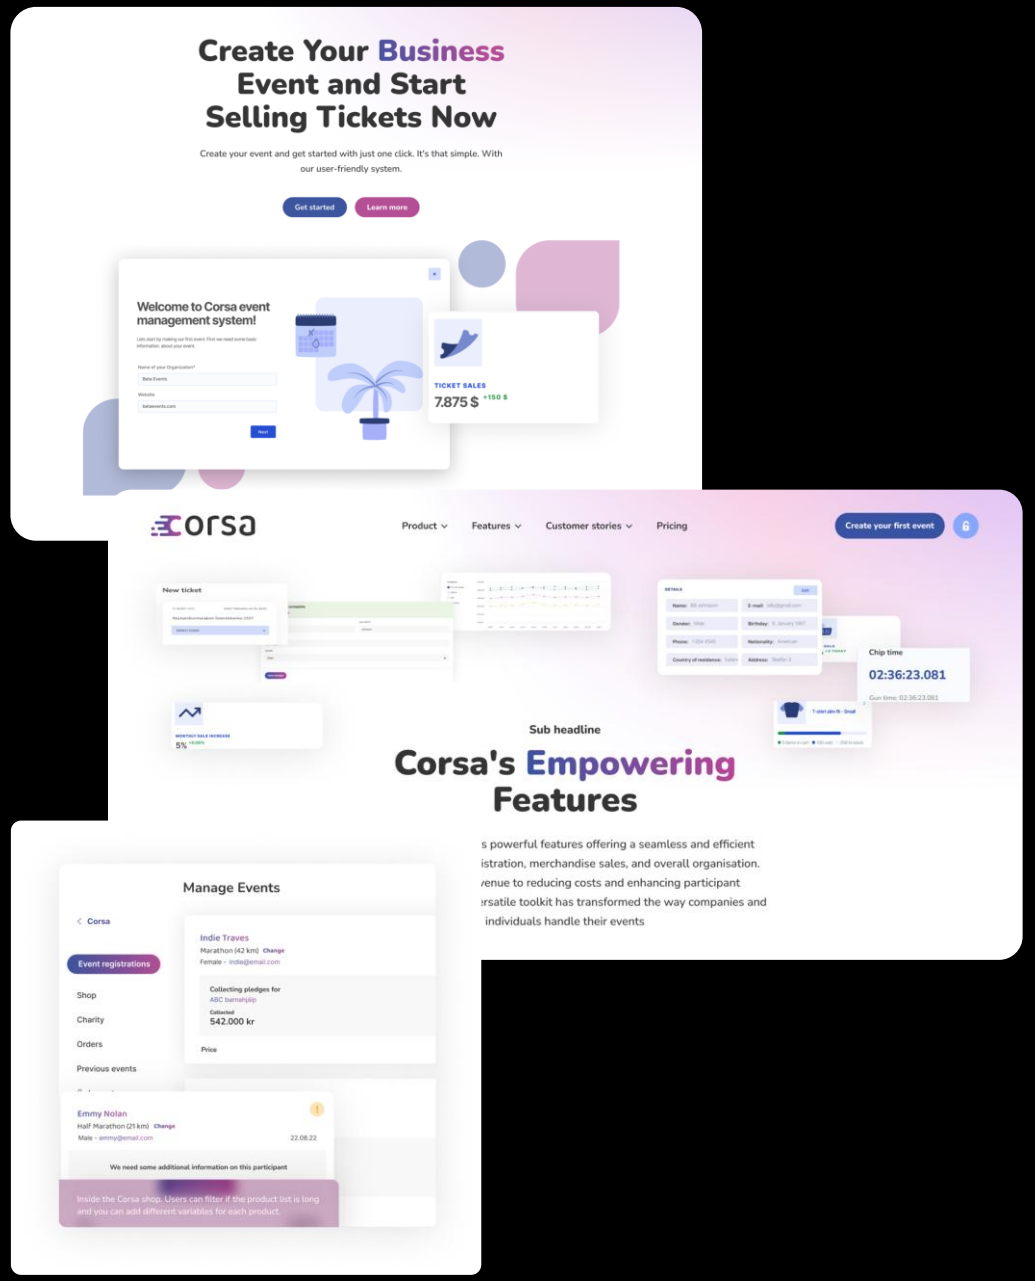

- → Quickly setup versatile tickets types.
- → Offer tiered pricing for flexibility.
- → Customize with unique descriptions and promo codes.
- → Schedule ticket sales to build excitement.

Empower participants

Provide a self-service portal for easy management of registrations and personal information.

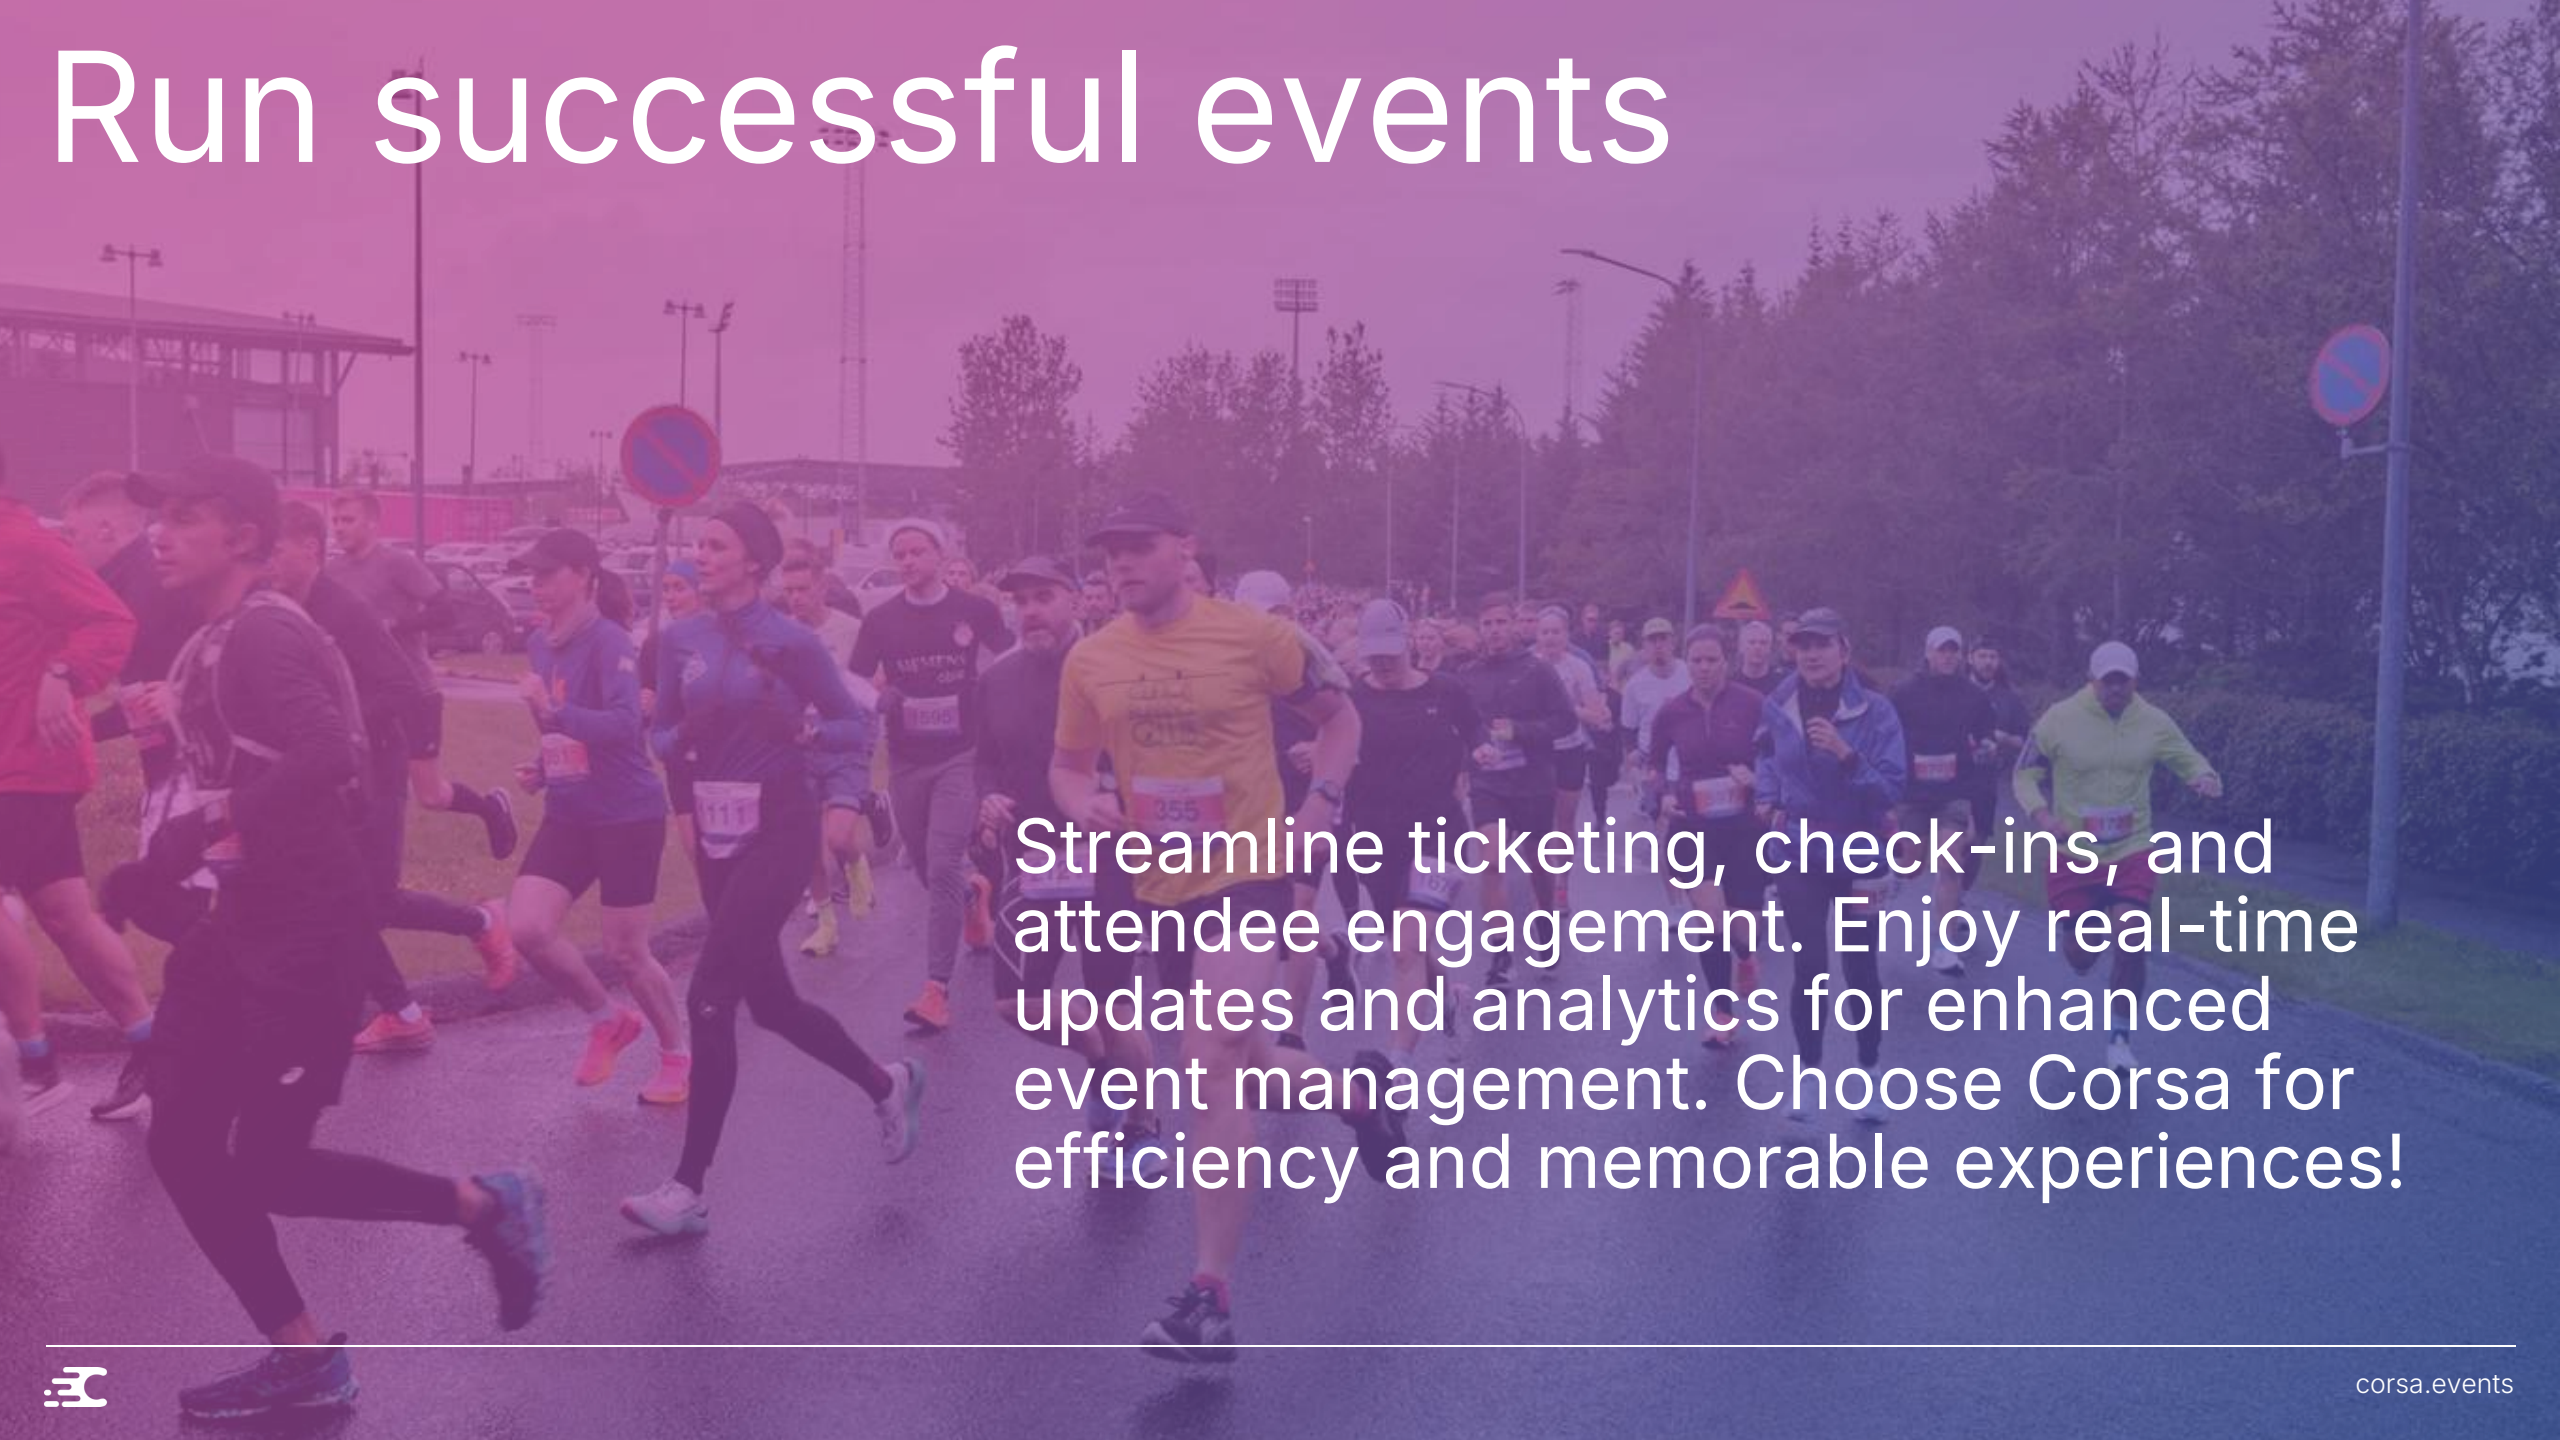

Say goodbye to endless email exchanges

Utilize automated messages and real-time updates to keep participants informed and engaged.

Corsa Shop - easily setup your online shop and start selling

Enable merchandise sales alongside registration, or during any stage of the event.

Run successful events

Streamline ticketing, check-ins, and attendee engagement. Enjoy real-time updates and analytics for enhanced event management. Choose Corsa for efficiency and memorable experiences!

Corsa App

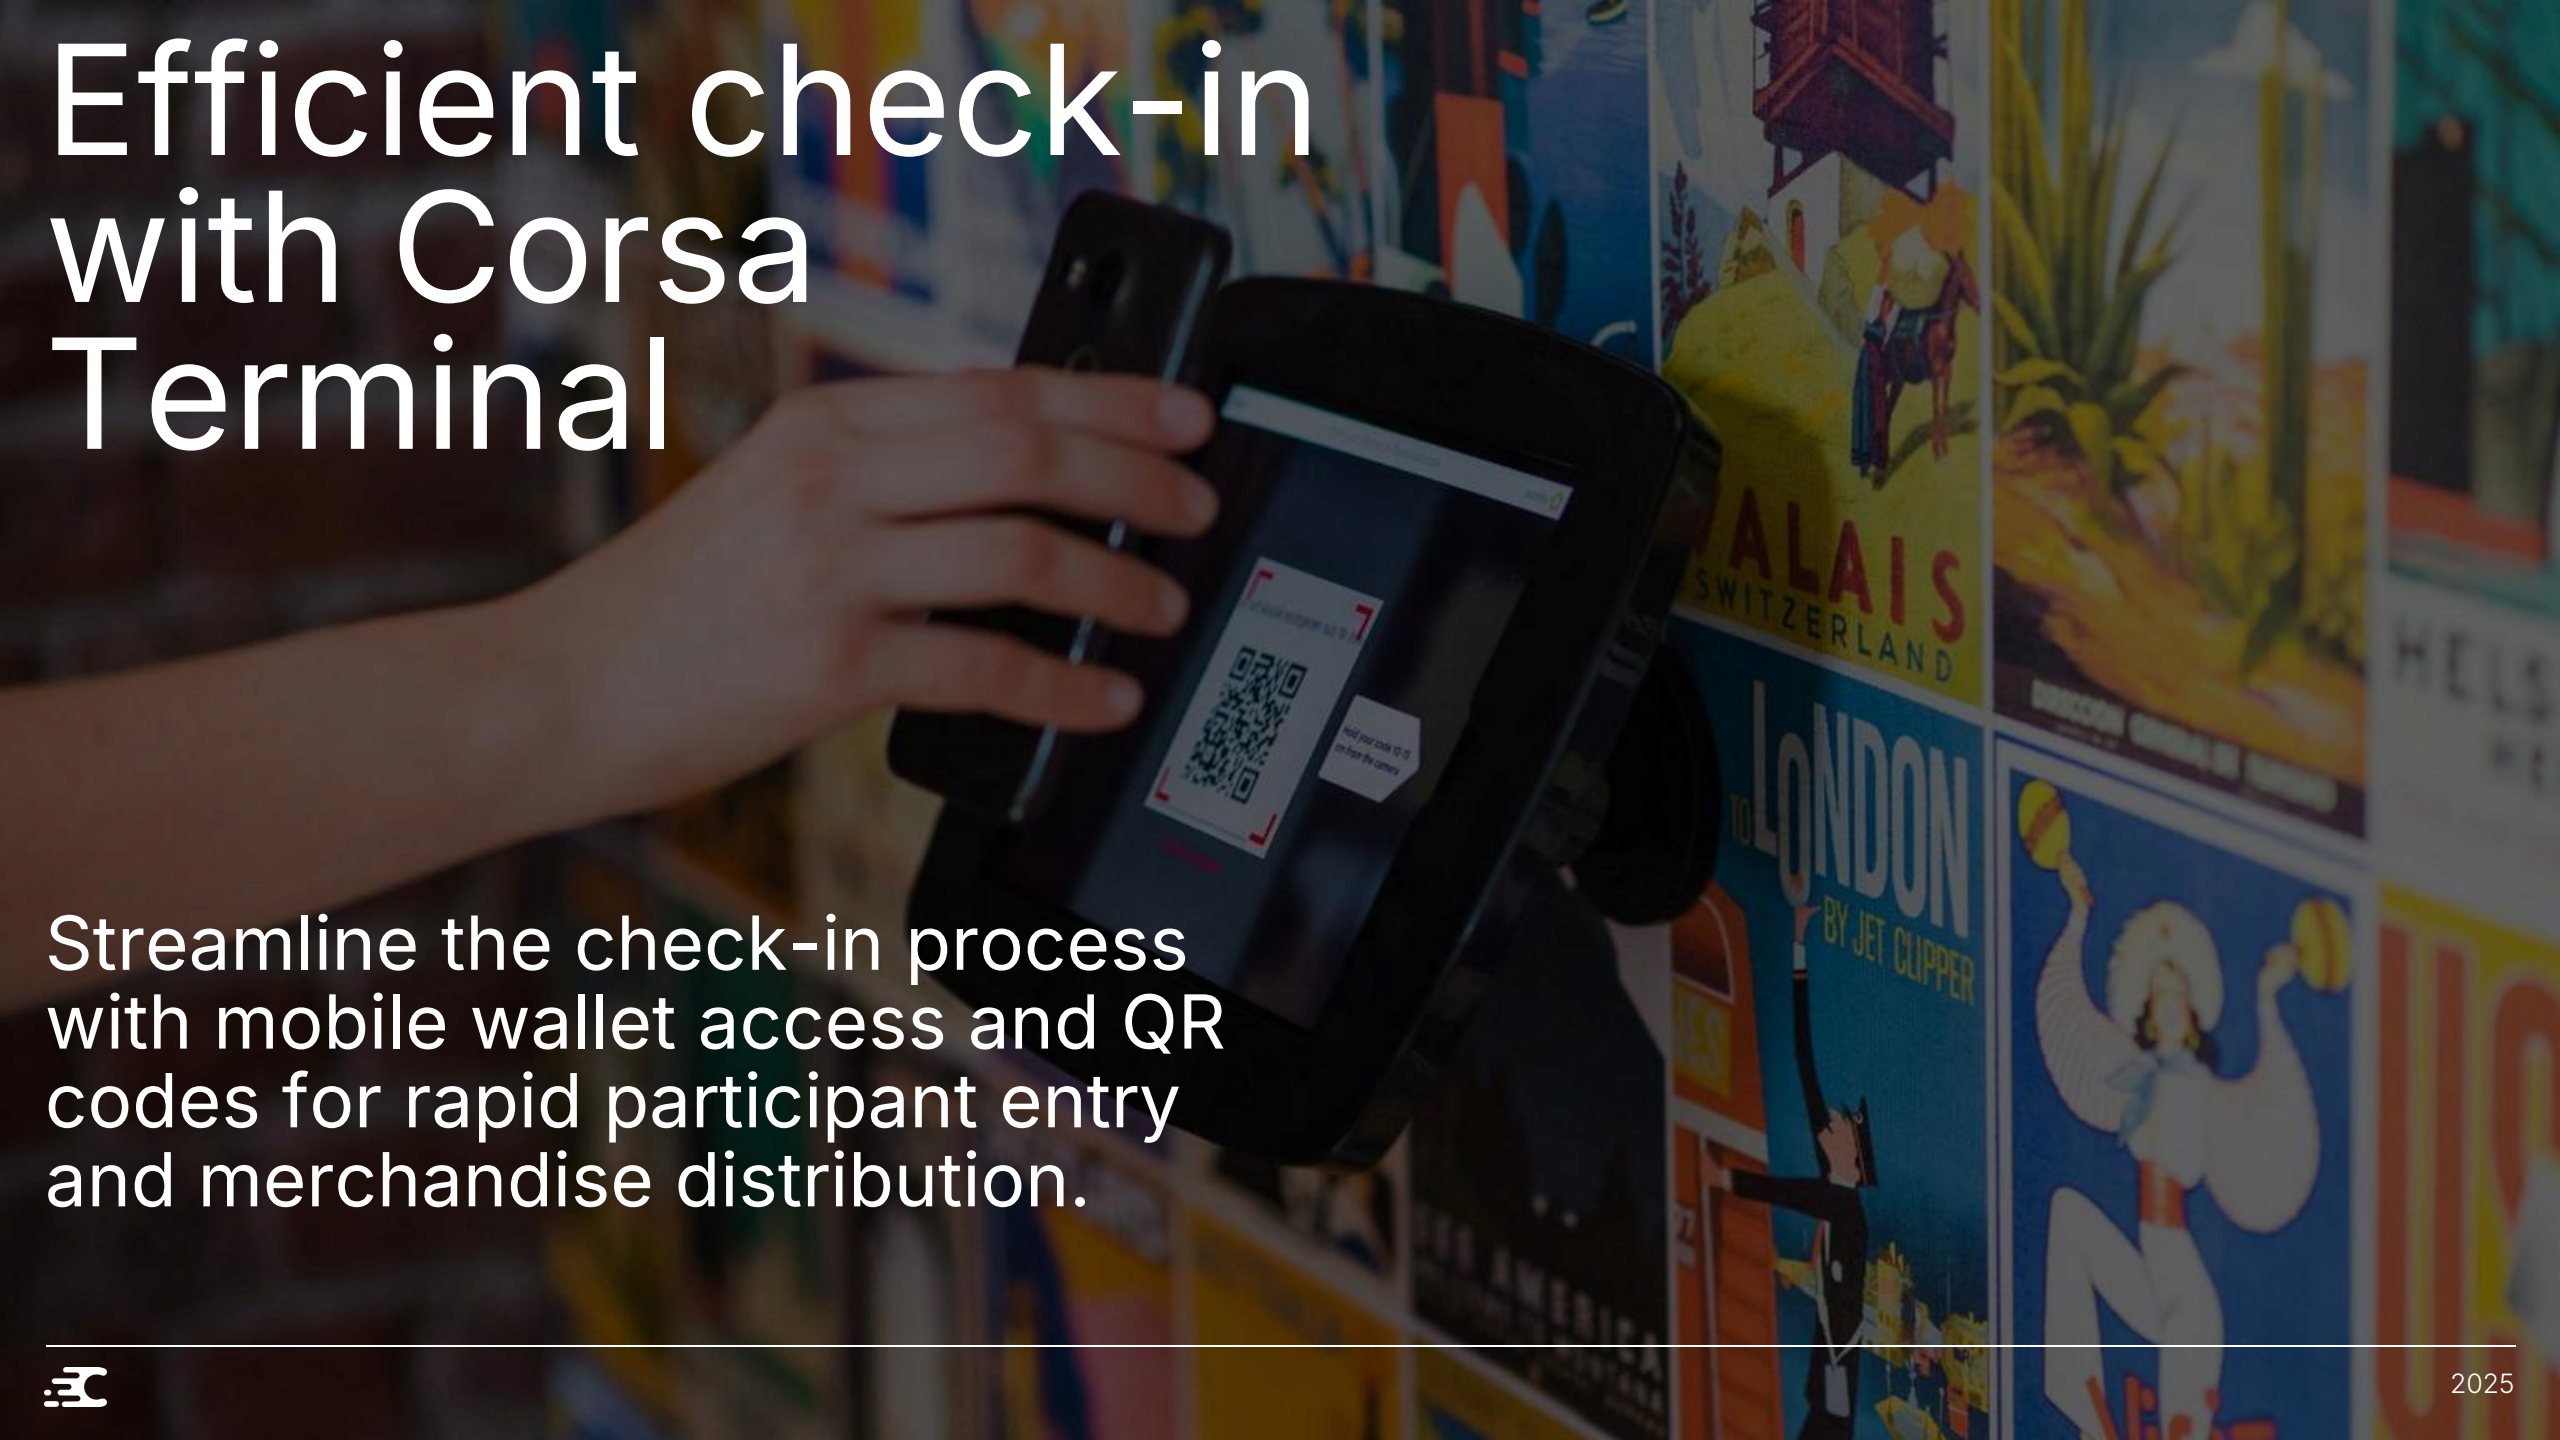

- Eliminate the risk of losing physical tickets
- Secure data and payment with encryption
- Eco-friendly and sustainable with digital tickets
- Faster, efficient check-in with no lines

Enhance Networking Opportunities

Utilize customizable badges and team features to foster connections among attendees.

Efficient check-in with Corsa Terminal

Streamline the check-in process with mobile wallet access and QR codes for rapid participant entry and merchandise distribution.

Effortless and Secure Payment Processing

Accept online and in-person payments with built-in support for major payment processors.

Manage your attendees effectively

Streamline organization, enhance engagement, and target communications, all within one robust platform.

Automate marketing campaigns

Quickly sort and segment contacts for targeted marketing campaigns based on prior event participation.

Real-Time Sales Tracking and Reporting

Monitor ticket sales and attendee data in real-time, enabling data-driven decisions to enhance ticketing and marketing strategies for optimal event success.
