ITINERARY

Departure point

Any place in the province of Malaga
(other destinations available upon quotation)

Vineyard Visit

- We will take a guided tour of a beautiful vineyard nestled in the Mijas mountains, 400m (1,300 ft) above sea level, offering stunning views of the Mediterranean Sea, the Port of Fuengirola at our feet, and the mountains of Africa on the horizon.
- This vineyard is entirely organic and pesticide-free, allowing visitors to enjoy pure, fresh air and a deep connection with nature. The presence of free-roaming animals in the area adds a special charm to the experience.

Wine Tasting

- We will enjoy a guided tasting of six exceptional wines in a fun and engaging way. These wines are highly exclusive and of outstanding quality, guaranteed to surprise both beginners and experts alike. The selection includes reds, rosés, whites, orange wines, and vermouth.
- The wines will be accompanied by a generous spread of food: Spanish tortilla, a selection of Iberian cured meats and Málaga cheeses, nuts, and a plate of paella per person, freshly prepared in the vineyard right in front of the group.
- Wine will be served generously, with bottles placed on each table so guests can help themselves as they wish. The group will feel truly pampered.
- The vineyard is equipped with restroom facilities.
- Throughout the experience, we will prioritize the group's comfort and enjoyment. We know how to strike the perfect balance between information and indulgence, carefully timing each element to create the ideal mix of activity and relaxation. Every detail has been meticulously planned to ensure an unforgettable experience.

COMPLETE AND FLEXIBLE MANAGEMENT

Ask us for anything you need—our specialty is creating tailor-made tours.

We adapt 100% to the group

We accommodate any special request, such as food intolerances, religious or cultural restrictions, etc. Everything is adaptable

Personalized service: Every tour is unique.

Our tours are carefully planned and perfectly balanced—we have a well-structured approach to the amount of information we share, time for rest, pauses to enjoy the moment, the right amount of wine and food, and the perfect timing for serving each element.

We are also prepared for groups seeking more in-depth content on viticulture, history, and general culture. The WHT team has a strong cultural background and is experienced in traveling, living unique experiences, and sharing them with our groups.

EXCLUSIVITY

We want to move away from the feeling of a "typical tourist attraction" designed just for visitors. From the very first moment, participants will sense that they are experiencing something truly authentic.

This tour takes place at Antonio's home—a man who lives with his family and pets in a secluded spot in the mountains. He personally opens his doors, welcomes guests, uncorks and serves each bottle of wine while describing it, and prepares the paella and tapas with the help of his family.
