Duration

Between 5 and 7 hours, depending on the size of the group.

No special equipment required.

We recommend comfortable clothing and footwear.
For our part, we will provide bottled water, sunscreen, insect repellent, jackets, and umbrellas if needed.

Always accompanied by a specialist guide

From the very first moment until the end of the tour, the group will be accompanied by our team, and we will use all the necessary technology to ensure everything runs perfectly. (For example: whispers with disposable headphones, microphones, etc.)

ITINERARY

Departure point

Any place in the province of Malaga
(other destinations available upon quotation)

100% Organic Farm Visit

- We will travel to the oldest and most important organic farmland in the province of Málaga, located on the outskirts of the village of Mollina.
- This place is a true natural treasure, featuring century-old vines, almond trees over 200 years old, and olive trees that are more than 300 years old. Guests will enjoy a guided 45-minute walk, breathing in fresh air and learning about ancestral organic farming practices that have remained unchanged for centuries..

Cooperative Visit

- After the walk, we will head to the cooperative where the olives and grapes from the farmland they just visited are processed.
- Here, they will experience the most fascinating part of the tour: a guided visit through the facilities, where they will see firsthand how olives are transformed into extra virgin olive oil and grapes into different types of high-quality wine.
- They will also learn interesting facts about the curing and seasoning of table olives. This experience never fails to leave visitors in awe.

Olive Oil Tasting & Wine Tasting

- In a beautiful room surrounded by wine barrels, the group will enjoy a guided tasting of five wines: a white, a sparkling, a red, and two sweet wines, one of which has won international awards. They will also sample three varieties of extra virgin olive oil and local olives.

The tasting will be accompanied by a generous selection of tapas, including cheeses, cured meats, Spanish tortilla, nuts, and more. Guests will enjoy plenty of delicious food.

COMPLETE AND FLEXIBLE MANAGEMENT

A truly authentic experience.

This farmland and cooperative are never visited by anyone other than farmers. The group will feel that everything around them is absolutely authentic.

They will be amazed by the spectacular setting, the wealth of knowledge they gain, and the exceptional quality of the wines and olive oil.

We ensure that every moment of the tour is a truly memorable experience.

We take care of everything—your clients are in good hands.

We adapt 100% to the group.

Our tours are carefully planned and perfectly balanced—we have a well-structured approach to the amount of information we share, time for rest, moments to fully enjoy the experience, the right amount of wine and food, and the perfect timing for serving each element.

We are also prepared for groups seeking more in-depth content on viticulture, history, and general culture. The WHT team has a strong cultural background and is experienced in traveling, living unique experiences, and sharing them with our groups.

EXCLUSIVITY

From the very first moment, the group will feel that this is not a mass-tourism experience but a genuine discovery of the most authentic side of Spanish culture.

At the cooperative, no one speaks English, nor are they used to having groups visit their workplace. The atmosphere is rustic, traditional, and truly unique.

This is the dream of every traveler seeking to experience the true essence of the places they visit.
