Discover United Arab Emirates

Abu Dhabi City Tour Full Day

The tour begins with a visit to the architectural masterpiece – Sheikh Zayed Mosque, one of the largest mosques in the world, which can simultaneously accommodate up to 40,000 believers.

The tour will continue with a drive along the Abu Dhabi waterfront.

Next is a photo stop near the luxury hotel Emirates Palace, which located on a private sandy beach stretch, surrounded by picturesque gardens, this is the second most expensive hotel ever built. Then guests will be able to fully immerse themselves in the country's past by visiting Heritage Village.

Time for lunch.

The tour continues with a trip to Saadiyat Island, where Louvre Abu Dhabi is located.

Next - a trip to Yas Island. On Yas island there is Aquapark as well as Ferrari World Theme Park are located, the largest indoor theme park.

Tickets to Louvre Abu Dhabi and Ferrari World are not included in the price.

Qasr Al Watan: immerse yourself in royal luxury

Embark on a captivating journey to Qasr Al Watan and immerse yourself in the rich heritage of the UAE. This tour offers a unique opportunity to explore the breathtaking beauty of this majestic palace, located within the Presidential Palace compound in Abu Dhabi.

As you step foot into Qasr Al Watan, prepare to be awestruck by its exquisite architecture, intricate designs, and opulent interiors. Every corner of the palace reflects Emirati culture. Marvel at the stunning craftsmanship, intricate mosaics, and ornate details.

The tour takes you through the various rooms and chambers of the palace. Explore the vast library, which houses a remarkable collection of books and resources. Admire the majestic Great Hall, where official ceremonies and state visits are held.

One of the highlights of the Qasr Al Watan tour is the House of Knowledge. Here, you can delve into the rich cultural heritage of the UAE through interactive displays and multimedia presentations.

In the evenings, Qasr Al Watan comes alive with mesmerizing light shows that enhance its architectural beauty and create a magical atmosphere.

Louvre Abu Dhabi

Visit **the Louvre**, the main cultural center of Saadiyat Island in Abu Dhabi. The museum is the result of an agreement between the French government and the UAE.

The French side was directly involved in the formation of the collection and training of employees. Excursions in the museum can be conducted by licensed guides with special permit - the “right of speech” in the Louvre.

You will see the central element of the museum building - the 180-meter dome of Nouvel. The structure of the dome is made up of almost 8,000 stars that form a geometric pattern, creating the effect of flowing light.

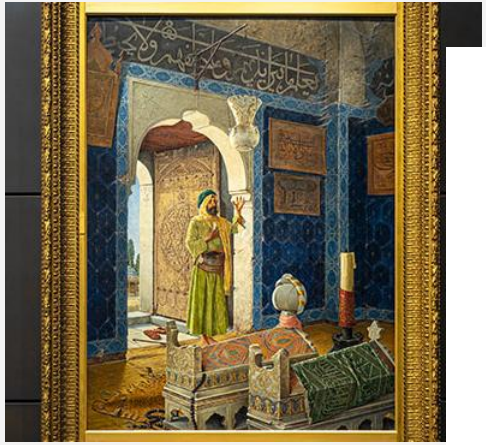

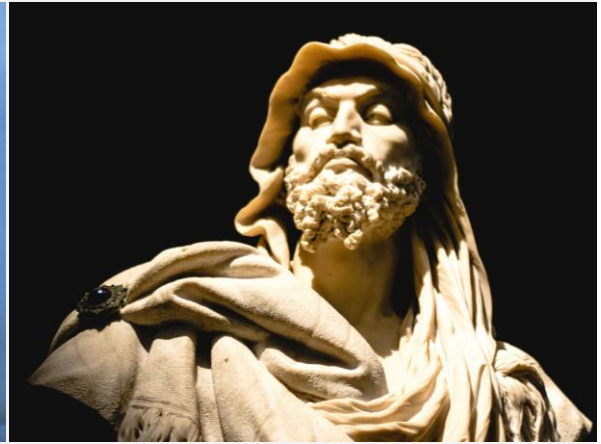

Louvre Abu Dhabi

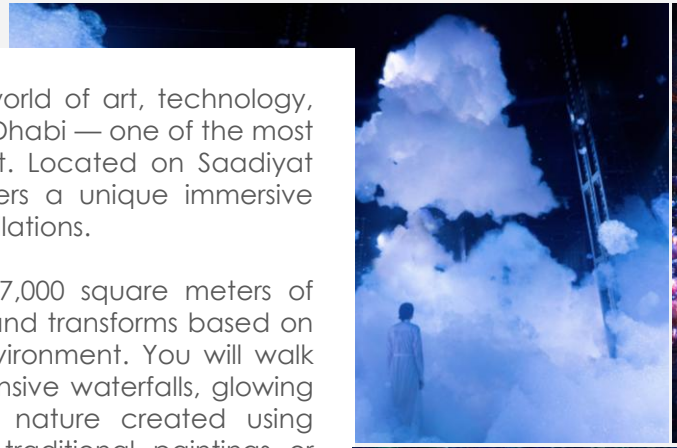

Louvre Abu Dhabi covers an area of more than 9,000 square meters, which contains masterpieces of art from around the world. Here you will enjoy a permanent exhibition of more than 600 exhibits, from paintings by Manet to contemporary installations by Jenny Holzer and Giuseppe Penone.

Visit themed halls, where cultural objects from different countries are exhibited. The museum often hosts temporary exhibitions by world-famous artists.

The Louvre Abu Dhabi Museum is open six days a week **except Mondays**. From Tuesday to Thursday the museum is open from 10 am to 6.30 pm, on Friday, Saturday and Sunday from 10 am to 8.30 pm.

TeamLab Phenomena

Embark on an exciting journey into the world of art, technology, and nature at TeamLab Phenomena Abu Dhabi — one of the most extraordinary museums in the Middle East. Located on Saadiyat Island, this innovative cultural center offers a unique immersive experience through interactive digital installations.

During your visit, you will explore over 17,000 square meters of space where each artwork comes to life and transforms based on your movements and the surrounding environment. You will walk through areas with floating spheres, responsive waterfalls, glowing biosystems, and stunning projections of nature created using cutting-edge technology. There are no traditional paintings or sculptures here — the entire exhibition is built on interaction between you and the environment. You will witness masterpieces such as "Levitation Void" — a space with a floating black sphere that reacts to atmospheric changes — and "Biocosmos," a digital ecosystem where virtual plants and animals come to life under your feet. Experienced museum staff will help you understand the creators' vision and the unique features of each installation.

TeamLab Phenomena Abu Dhabi is open daily, offering guests the opportunity to discover a new dimension of contemporary art. Visiting the museum promises to be an unforgettable experience for anyone seeking to explore something truly unique — a symbiosis of nature, technology, and creativity all in one space.

Abu Dhabi National Aquarium

Embark on an exciting adventure at the Abu Dhabi National Aquarium and dive into the amazing underwater world. You will get a unique opportunity to explore the richness of the ocean and appreciate its beauty and diversity.

When you visit the Abu Dhabi National Aquarium, you will immerse yourself in the world of amazing marine creatures and ecosystems. Here you will meet more than 250 species of animals, including exotic fish, colored corals, jellyfish, rays, sharks and many others.

Here you will learn more about marine life through interactive exhibits and presentations. You will be able to observe the feeding of fish, learn about methods of conserving natural resources and take part in various educational activities. This is a great opportunity for visitors of all ages to learn more about the significance of the oceans and the importance of their preservation.

Abu Dhabi National Aquarium

The Abu Dhabi National Aquarium also offers a unique and exciting experience, including the chance to go scuba diving or take an exciting night tour. An evening visit allows you to see the aquarium in different lights, creating a magical atmosphere.

This tour will be an unforgettable experience for all nature and animal lovers, as well as for those who seek to understand the importance of protecting and preserving the oceans.

The National Aquarium is open everyday from 10:00 to 22:00.

SeaWorld Abu Dhabi

SeaWorld Abu Dhabi is the largest indoor marine park in the world. It is divided into eight themed zones, each representing a different marine ecosystem — from tropical lagoons and the icy waters of Antarctica to the deep ocean trenches. Visitors can encounter over 100,000 marine animals, including sharks, rays, penguins, dolphins, sea lions, and many other species, all living in environments carefully designed to replicate their natural habitats.

Guests can enjoy thrilling rides and live shows, as well as educational pavilions featuring interactive exhibits. At the heart of the park lies Yas SeaWorld Research & Rescue, the region's first dedicated research and rescue center for marine animals.
The park is ideal for a family visit: children can participate in play zones and educational workshops, while adults will enjoy informative exhibits and state-of-the-art technology.

A visit to SeaWorld Abu Dhabi is not only entertaining but also a meaningful contribution to marine conservation and the education of future generations. The recommended duration for a visit is between four to six hours.

Ferrari Park

Ferrari Park is a themed entertainment complex located on Yas Island in Abu Dhabi.
We invite you to visit the world's largest indoor park dedicated to the iconic Ferrari brand.

Get ready to hit 240 km/h in 5 seconds on the world's fastest roller coaster, Formula Rossa. During the trip, you will climb to a dizzying height of 52 meters and feel the adrenaline rush. For younger visitors, a miniature version is provided - Formula Rossa Junior.
Experience the thrill, vertical rise, zero gravity drop on the Turbo Track.
Race your friends on winding parallel tracks in the Ferrari F430 Spider.
Feel like a Formula 1 driver behind the wheel of a Ferrari with the highly accurate Scuderia Challenge driving simulator.
In addition to the rides, you will be able to drive along the ideal roads of Yas Island in the Ferrari car itself. It is possible to experience both the driving experience, accompanied by an instructor, and take a passenger seat.

In addition, there is a gallery of cars of the brand: from classic retro models to the most modern ones. Visitors to the park can buy souvenirs and branded goods in the branded boutique.

The complex is open to visitors daily from 11:00 to 20:00.

Yas Marina Circuit

A tour of Yas Marina Circuit is a unique opportunity to immerse yourself in the world of motorsport and explore one of the most famous circuits in the world. Yas Marina Circuit is located in Abu Dhabi and is home to the **Formula 1 Grand Prix**.

During the Yas Marina Circuit tour you will be able to get behind the scenes of this race track. You will be guided through the pit lane where the teams discuss their strategies and change tires. You can also walk on the podium where Formula 1 winners rise to the top of their glory.

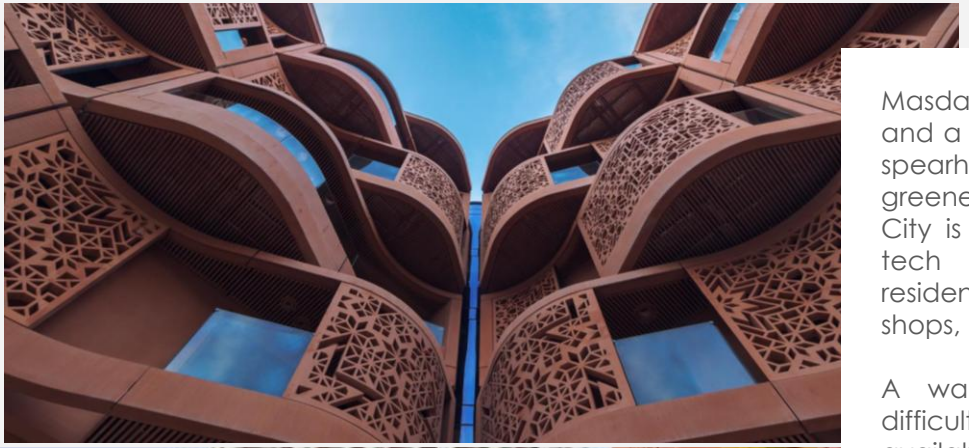

In addition, the tour offers you a unique opportunity to experience speed and adrenaline in a racing car simulator. You can also visit the Motorsport Museum where you can learn more about the history of racing cars.

A tour of Yas Marina Circuit is suitable for both motorists and those who are just interested in this exciting industry.

Opening hours of Yas Marina Circuit: **from 09:00 to 23:00.**

Al Masdar City

Masdar City is a pioneer in sustainability and a hub for research and development, spearheading the innovations to realize greener, more sustainable urban living. The City is home to a rapidly growing clean-tech cluster, business free zone and residential neighborhood with restaurants, shops, and public green spaces.

A walk through the city is low-level difficulty, and special-needs access is available.
To make your experience more enjoyable, remember to wear comfortable walking shoes and a hat – and of course bring your camera!

As you walk through Masdar City, you will notice its progressive urban planning and eye-catching architecture that combines traditional design principles with leading-edge technology.

Modern Dubai City Tour

The Excursion begins at Jumeirah Beach, offering a stunning view of the iconic Burj Al Arab hotel, perfect for capturing memorable photos.

Next, explore the renowned Souq Madinat, a lively souvenir market within the Madinat Jumeirah hotel. Continue the journey with a visit to the Jumeirah Palm island, an impressive palm-shaped archipelago, and enjoy the panoramic views of the Atlantis The Palm hotel from The Pointe.

Discover the modern Dubai Marina district, known for its impressive man-made canal, followed by a visit to Blue Waters Island, home to the world's tallest Ferris wheel, Ain Dubai, standing at an impressive height of 250 meters. Marvel at its stature, surpassing the current record holder in Las Vegas and towering over London's famous London Eye.

Embark on a scenic drive along Sheikh Zayed Road, the longest road in the UAE, and marvel at the magnificent Burj Khalifa, the tallest building in the world, soaring at a height of 828 meters. Along the way, gaze at the amazing Museum of the Future.

Modern Dubai City Tour

At the foot of the tower lies Dubai Mall, one of the world's largest shopping and entertainment complexes, housing a vast array of retail outlets, department stores, and a diverse selection of dining establishments.

Experience the best of Dubai's iconic landmarks and vibrant attractions on this comprehensive excursion.

Tour duration: 4 hours

Old Dubai City Tour

The tour begins with the **Al Sif** district tour. Here You can stroll through the Arab atmospheric streets, to see a pier with **abra** boats and yachts, a restaurant boulevard, and an area with restaurants and themed exhibitions variety.
Further along the route, you will get acquainted with the old part of Dubai – **Bastakia** district. You will learn about the UAE history. Also here you can admire old houses with "natural air conditioning" typical for the UAE.

After that, you will visit the famous **Gold Souk** and **Spice Souk**, which deserves to spend some time. Bargaining is essential here. Spice souk in Dubai is not just a food bazaar, but a whole host of impressions. Oriental flavor, aromas and flowers scattering, immersion in ancient culture. Here you don't even need to buy something, just walk through the souk lanes and treat yourself to the sellers' edible gifts.

After that, you will cross the bay on a typical Arab boat "abra". The next stop is the **Shindagha Museum**. During the tour, you can watch interactive videos, use touch displays, see historical photographs and artefacts that help to get the peoples' life way idea which from time immemorial inhabiting the gulf shores and the significance of the sea trading.

Tour duration: 4 hours.

Burj Al Arab Tour

The **Burj Al Arab** is Dubai's trademark: the sail-shaped building stands out on the city's skyline and attracts tourists. The Inside Burj Al Arab tour provides a unique opportunity to get acquainted with the history of the legendary hotel.

Explore the hotel's unique design elements. His Highness Sheikh Mohammed bin Rashid Al Maktoum also took part in the creation of Burj Al Arab. The hotel both inside and out looks royally luxurious.
During the 90-minute tour, accompanied by a butler, there will be many opportunities to take a photo in the exquisite interiors of Burj Al Arab, get acquainted with the history of the hotel and even visit the most premium room - the Royal Suite.

Burj Al Arab has a wide range of cafes and restaurants. Here you can have breakfast, lunch or afternoon tea, or you can enjoy a three-course dinner and taste signature cocktails in the evening.

If you feel like taking a piece of luxury home with you, you should definitely check out the hotel's boutique, where you will find an exquisite collection of branded souvenirs and products.

Burj Khalifa: Bird’s Eye View

Once in Dubai, it is impossible not to notice the building of incredible height that stands out on the skyline of the city. A tour to the top of the **Burj Khalifa** will allow you to see the beauty of Dubai from a bird's eye view (and even higher!).

A **standard ticket** will give you the opportunity to visit the **124th and 125th floors** of the skyscraper. You will go up to the 124th floor using unique two-story elevators that develop a speed of 10 meters per second.

Telescopes are also installed here, allowing you to see the world “below”, and there is also a spacious observation deck in the fresh air. On the 125th floor, you will find yourself at an altitude of **456 meters**, where you can enjoy a panoramic view of the city and take amazing pictures against its backdrop.

Burj Khalifa SKY

The **Burj Khalifa Sky ticket** also includes access to the **148th floor**.
Here you will enjoy a private tour with a guide. You will go to the highest observation deck in the world with an open terrace at an altitude of **555 meters**. Afterwards, taste refreshing drinks at the **SKY Lounge**.

The **World's Highest Lounge ticket** will allow you to climb the **152nd, 153rd and 154th floors** of the skyscraper.
You will enter the highest lounge in the world at an altitude of **585 meters** above the ground and find yourself surrounded by clouds and endless sky.

Taste the best varieties of tea and coffee, enjoy a glass of champagne with delicious snacks.

Standard: 08:00 - 23:00 - every 30 minutes.
Sky: 10:00 - 21:00 - every hour.
Lounge: 09:0 - 21:00 every 2 hours and at 19:30.

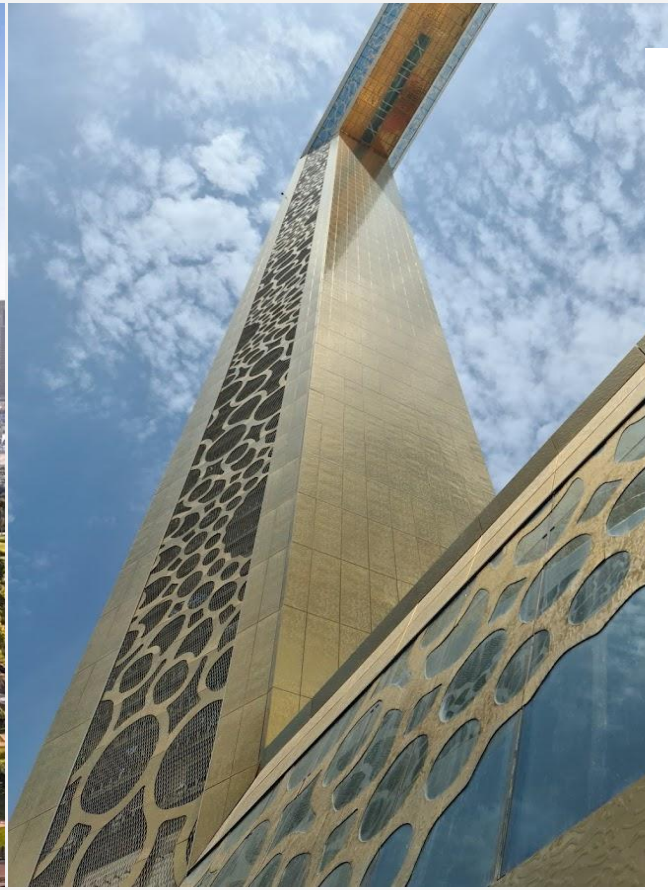

Dubai Frame

The Dubai Frame tour is a unique journey through time and space, starting with a visit to the impressive 150-meter-high architectural structure that symbolizes the gateway between old and new Dubai. Located in Zabeel Park, this golden frame offers visitors a chance to see the city from a unique perspective.

Your tour begins on the mezzanine level with a multimedia exhibition that showcases Dubai's transformation from a humble fishing village into a dazzling modern metropolis. The exhibition vividly displays the emirate's heritage and rapid development.

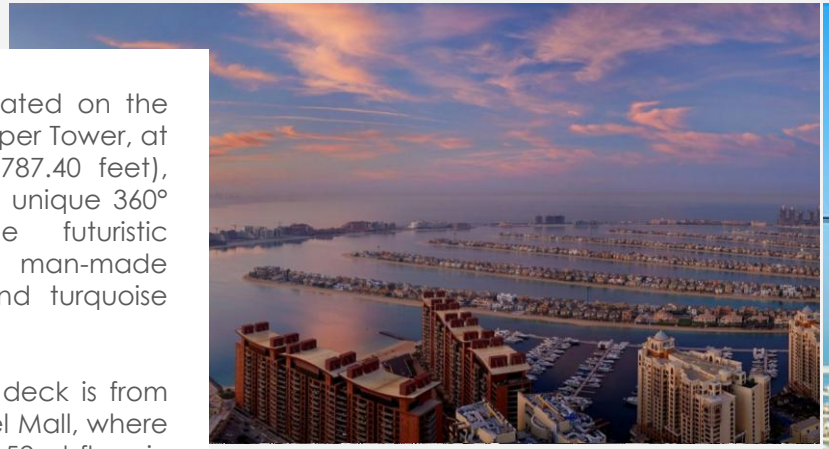

Next, you will ascend to the Sky deck level, which represents the very heart of modern Dubai. From here, you can enjoy panoramic views of the city with Old Dubai to the north and New Dubai to the south. This allows visitors to enjoy uninterrupted views of the city and its dynamic architecture.

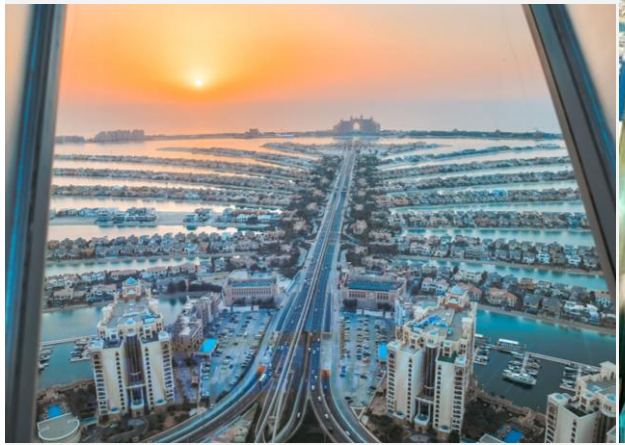

The View at The Palm

The View at the Palm is located on the 52nd floor of the Palm skyscraper Tower, at an altitude of 240 meters (787.40 feet), from where you can enjoy a unique 360° panoramic view of the futuristic skyscrapers of Dubai, a man-made miracle - Palm Jumeirah and turquoise waters of the Persian Gulf.

Entrance to the observation deck is from the shopping complex Naheel Mall, where you take the elevator to the 52nd floor in just 45 seconds!

In addition to the observation deck, the ticket price includes a visit to the immersive theater and interactive exhibition. The exhibition tells the story of the creation and development of the man-made island of Palm Jumeirah- from the creation of the concept in the 1990s to the settlement of the island in 2006.

The View at The Palm

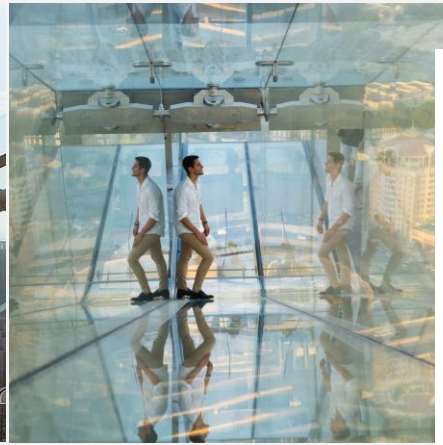

Ticket prices depend on the entry category. **Three types of tickets are available (children under 4 years old - free of charge):**

- Non prime hours (from 10:00 to 16:30 and from 20:00 to 22:00 every 30 minutes) - includes an entrance ticket to the observation deck, an interactive exhibition and an immersive theater.
- Prime hours (from 17:00 to 19:30 every 30 minutes) - includes an entrance ticket to the observation deck, an interactive exhibition and an immersive theater.
- VIP (from 10:00 to 22:00) - includes an entrance ticket to the observation deck, interactive exhibition and immersive theater accompanied by an English-speaking guide, skip the queue, access to the VIP lounge on the 52nd floor, with glass of champagne, wine or soft drink, Arabic sweets and snacks.

Opening hours:
Sunday to Wednesday: **10:00 to 22:00** (last entrance 21:00)
Thursday to Saturday: **10:00 to 23:00** (last entrance 22:00)

Sky Views Dubai

Sky Views Dubai is the perfect destination for those who love heights and adrenaline. Located on the 52nd and 53rd floors of the Address Sky View hotel, this venue offers visitors several unique attractions:

- **Observatory:** This observation deck provides a 360-degree view of Dubai's cityscape, including the iconic Burj Khalifa and Downtown Dubai.
- **Glass Slide:** Experience an exhilarating slide from the 53rd to the 52nd floor on a transparent slide, allowing you to enjoy the city views beneath you as you descend.
- **Edge Walk:** This extreme experience lets you walk along the outer edge of the building at a high altitude, guaranteeing a powerful adrenaline rush.
- **Sky 52 Restaurant:** After your unforgettable adventures, relax and savor delicious food at the restaurant located at the top of the building.

This venue promises not only adrenaline and spectacular views but also a comfortable end to the day at one of the city's highest restaurants.

Dinner at the restaurant and the Edge Walk are not included in the standard ticket price and are charged additionally.

Sustainability & Innovation Center

The Sustainability & Innovation Center is a hub of modern technologies in Dubai, which is part of the **Solar Park**. Solar Park is the largest in the world. These facilities are the most important components of Dubai's energy strategy: by 2050, the authorities plan to completely switch to solar energy.

The tour of the Innovation Center begins at **The Auditorium** with a cutting-edge technology space and an introductory video about DEWA (Dubai Electricity and Water Authority).

The next stop of the tour is the **History** zone dedicated to the history of the Innovation Center. Here you can also feel like scientists and participate in experiments with electricity.

In the **Light** zone, you will learn about the properties of light through interactive exhibits. The Solar Zone will show you how the Sun's energy is used to generate electricity. And finally, in the Future zone, you will plunge into the atmosphere of a world in which all electricity is produced using clean sources.

After the tour, you can have a bite to eat at the coffee shop, as well as buy souvenirs at the local shop.

The Innovation Center is open from Saturday to Wednesday from 9:00 to 16:00, and from 9:00 to 12:00 on Tuesday. Friday is a day off.

Sustainable City Dubai

Embark on an exciting tour of Sustainable City Dubai and discover an innovative lifestyle. This tour offers a unique opportunity to get to know the city of the future, where sustainability and environmental awareness become central principles.

When you visit Sustainable City Dubai, you will immerse yourself in a green and sustainable environment. You will see how smart technologies are integrated into every aspect of the city, from housing and public areas, to transportation and waste management systems.

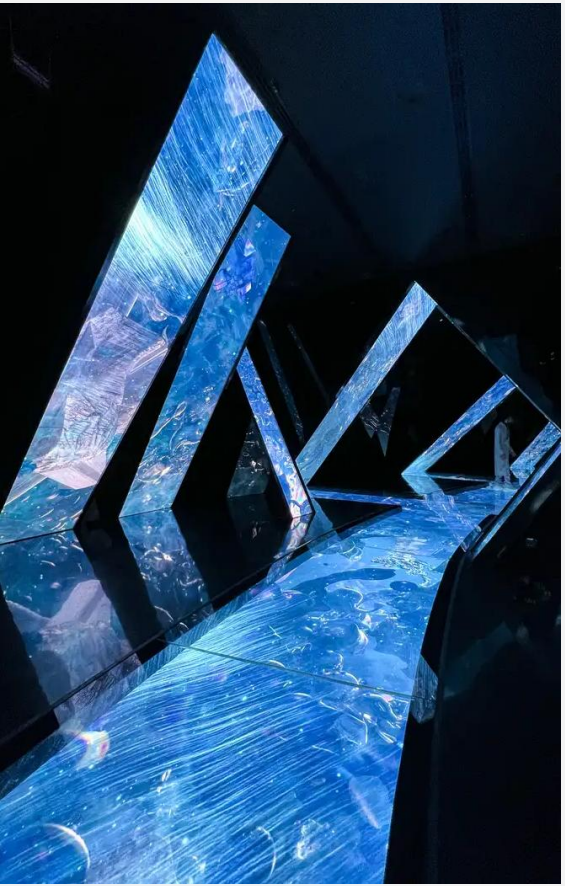

The tour offers the opportunity to visit various ecological sites such as solar power plants, wind turbines and water collection and processing systems. Sustainable City Dubai also offers many educational programs and activities.

A tour of Sustainable City Dubai is an inspiring experience to see how each of us can contribute to preserving the environment and creating a future where nature and humanity can coexist in harmony.

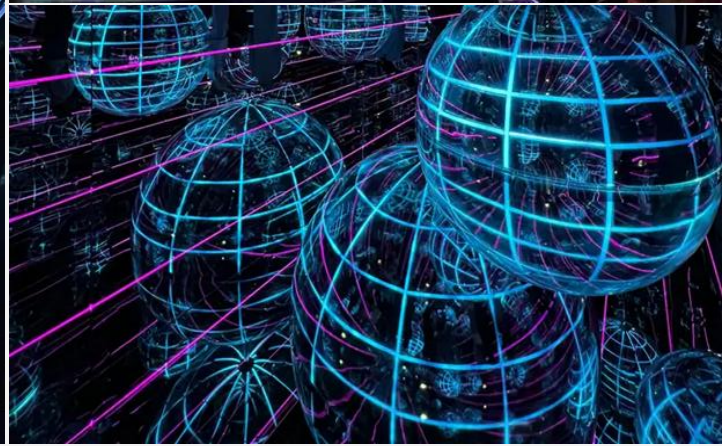

AYA Universe

AYA is an interactive space covering 40,000 square meters. The aim of the project is to show the beauty and immensity of our universe. The park is divided into 12 thematic areas.

In the **Flora zone**, you will immerse yourself in the atmosphere of the Avatar movie, see the Tree of Life shimmering in different colors, as well as the change of seasons.
In the zone of **Harmonia**, a three-minute light show of robots in a mirror space takes place, which delights not only children, but also adults.
In **Drift**, you can experience the feeling of weightlessness and visit a parallel universe, thanks to a unique panoramic projection.

And this is only a small part of what you can see with your own eyes in the AYA park. The duration of the tour in AYA Universe is from 1 to 2 hours.

Working hours: from 10 am to 10 pm.

House of Hype

House of Hype offers a unique combination of art, technology, and music. Immerse yourself in the world of contemporary art, where every element of the interior and each exhibit can surprise even the most seasoned visitor.

During your visit, you will be able to enjoy not only the works of contemporary artists, but also unique installations created using the latest technological advancements. House of Hype continually updates its collection, attracting both young talented designers and recognized masters.

This place is ideal for those interested in contemporary art, music, and digital technologies. Visitors can not only view the exhibitions but also participate in various interactive workshops and lectures!

Museum of Candy

Visit the Museum of Candy in Dubai, where every corner is filled with bright colors and sweet surprises.
This museum is the first of its kind, offering visitors over 15 themed rooms, each creating unforgettable experiences and great photo opportunities.

At the Museum of Candy, you will find interactive sweet-themed areas where you can play games and win prizes. There's also a cafe serving pastries and beverages.

The museum is open to visitors of all ages and is accessible to people with disabilities. A visit to the museum lasts about 60 minutes, during which you can explore various zones and learn a lot about candies and sweets.

Madame Tussauds Dubai

Experience celebrity encounters up close at the Madame Tussauds wax museum in Dubai. Here, you will meet figures of famous personalities from the worlds of cinema, sports, music, and more.

Located on Bluewaters Island, this museum offers a unique opportunity to meet stars "in person". Celebrities like Kylie Jenner, Shah Rukh Khan, and Cristiano Ronaldo await you.

Take photos with handmade replicas of your idols, learn interesting facts about the process of creating wax figures, and immerse yourself in the world of glamour and fame!

Museum of the Future

We invite you to plunge into the world of 2071 at the Museum of the Future.

Start your journey with an overview of the futuristic style of the museum building. It is a marvel of architecture and engineering. Architecture bridges the past and the future by applying cutting-edge technology to traditional art forms.

Proceed to the Museum of the Future, where you will see a variety of exhibits. The concept of the cultural center combines elements of a digital exhibition and immersive theater.

Before visiting the museum, you can get acquainted with the online exposition on the website, after which you will surely want to see all this breathtaking sight with your own eyes.

Young visitors are invited to a special area of the museum - "Heroes of the Future". Here they will be able to feel like explorers and, during various games, develop skills that will be useful in the world of advanced technologies.

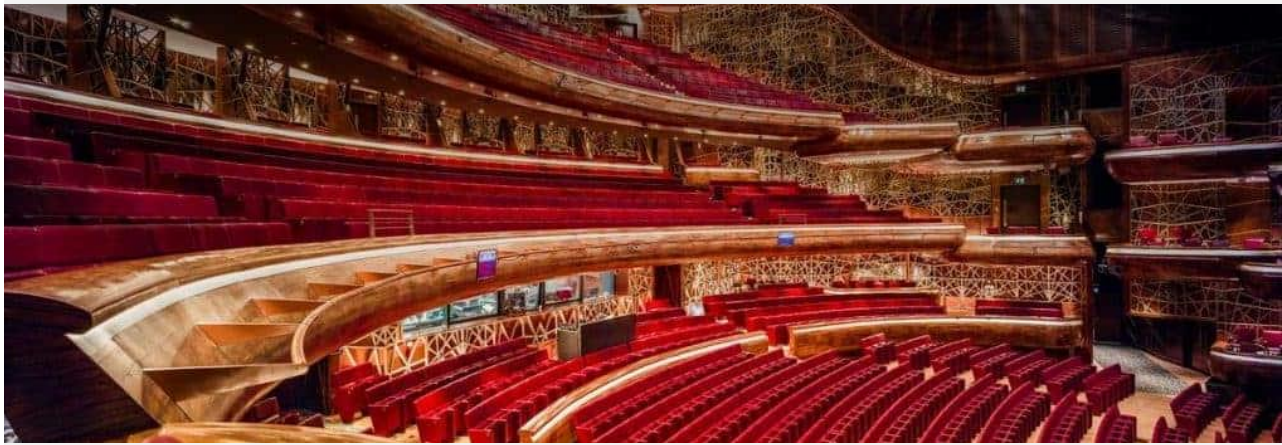

The cultural center can also become a venue for your event.

The Museum of the Future is open daily from 10:00 to 21:30.

Dubai Opera Grand Tour

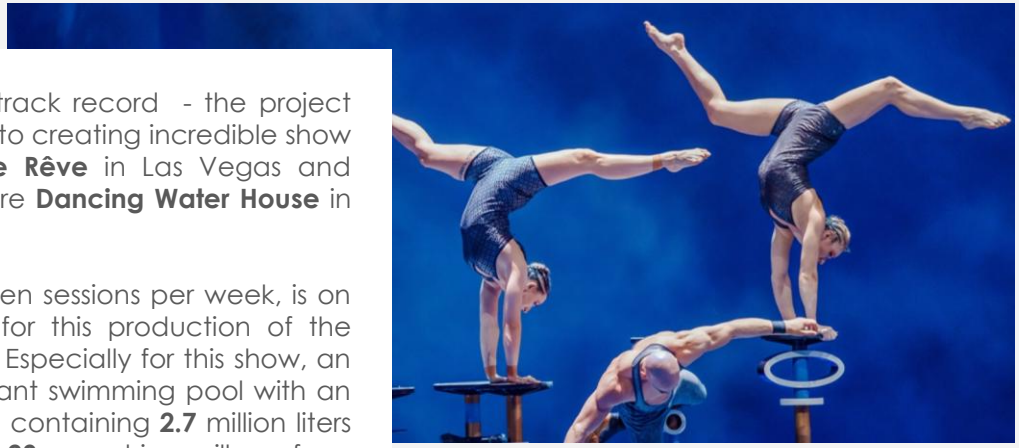

Visit the city's cultural mecca and the only opera in the UAE. **Dubai Opera** regularly becomes a venue for performances by world music and theater stars. The opera opened in 2016 and has been visited by hundreds of thousands of people so far. The architecture of the building itself is striking at first sight.

Dubai Opera Grand Tour will let you learn about the unique heritage of this place, see all the details of the design from the inside, enjoy the sculptures and other works of art. You will plunge into the backstage life of the opera: visit the dressing rooms and other spaces that are available only to the most honored guests.

The Dubai Opera Grand Tour is available every day and lasts 60 minutes. Guided tours take place every day from **12:00 to 16:00**.

La Perle Show by Dragone

Franco Dragone's brilliant track record - the project artistic director, in addition to creating incredible show La Perle includes show **Le Rêve** in Las Vegas and performances at the theatre **Dancing Water House** in Macau.

The show, which includes ten sessions per week, is on stage specially designed for this production of the theatre, in **Al Habtoor City**. Especially for this show, an aquascape was built, a giant swimming pool with an area of **860** square meters, containing **2.7** million liters of water. **65** artists from **23** countries will perform virtuoso acrobatic stunts, such as jumping into the water from a height of **25** meters, which is guaranteed to keep the audience's attention from the first to the last minute.

Reflecting the Dubai spirit, a city that Dragone calls the laboratory of the future, this grand production combines perfect acting skills, bright artistic images and unthinkable technologies.

The show start time: 06:30 pm and 09:30 pm

Ain Dubai Ferris Wheel

We invite you to visit Ain Dubai – the largest and tallest Ferris wheel in the world, located on the bustling Bluewaters Island in Dubai.
From a height of 250 meters, you can enjoy magnificent panoramic views of the Dubai skyline, the coastline, and the Persian Gulf. During a 38-minute rotation in one of the 48 comfortable cabins, you will not only enjoy the landscapes but also the unique atmosphere of luxury and innovation that this grand structure symbolizes.

Each cabin is equipped with the latest technology to ensure comfort and safety while maximizing your viewing pleasure. For those seeking an extra touch of luxury, VIP cabins are available with exclusive features like rotating seats and a personalized service.

Visiting Ain Dubai is the perfect way to see the city from a bird's eye view and have unforgettable experiences that will be one of the highlights of your visit to Dubai.

Dubai Autodrome

In the heart of Dubai, you will find a place that will not leave indifferent thrill-seekers - **Dubai Autodrome**. A real holiday of adrenaline, drive and exciting emotions!
More than **10** variants of cars are offered to visitors of the autodrome, here are just a few of them:

The single-seat **Formula DXB** is a racing car with a manual shift that will make you feel the drive. Get ready for extreme driving and feel like a Formula 1 racer.

Ferrari 488 GT, equipped with a turbocharged V8 engine, which is capable of developing up to 670 horsepower.

The 2000 Jaguar R1 is a classic racing model well known to Formula 1 fans. Fulfill your dream by driving a legendary car.

At the autodrome you can get a unique driving experience accompanied by experienced instructors. In addition to cars, karting is also available for rental. Dubai Autodrome is ideal for corporate and team building events.

Dubai Parks and Resorts

One of the must-see places in the UAE is Dubai Parks and Resorts.
Dubai Parks and Resorts complex spreads over **25 million** square feet, it features more than **100 rides** and **attractions**, and consists of **3 theme parks**:
MotionGate Dubai, **Legoland** Dubai and one water park: **Legoland Water Park**.

Legoland includes Attractions and Water Park. Both of these parks are aimed primarily at children, however, can also surprise an adult with their numerous Lego constructions.
Also, Dubai Parks and Resorts have a **MotionGate** park dedicated to several film studios and animation studios, where you can find roller coasters based on the universe "Game of Thrones", cute Smurfs Village, take part in the battle with Ghostbusters, immerse yourself in the studio's iconic cartoon **World Dreamworks**, and more.
A park is a great place for organizing team building.

Hotel Lapita Dubai is located directly at the entrance to Riverland Parks and Resorts. The hotel is made in a Polynesian style and it is an excellent choice for accommodation.

Emirates Bio Farm

Emirates Bio Farm is the largest certified organic farm in the UAE, offering a unique opportunity to explore sustainable agriculture in the heart of the desert. Located in the Al Ain region, the farm spans over 250,000 square meters and serves as a vivid example of eco-friendly farming in an arid climate.

During the visit, guests can stroll through the farm, learn about drip irrigation and composting technologies, and even feed the animals. Guided tours provide insights into organic farming principles, biodiversity, and the role such farms play in regional food security.
There is also a cozy vegetarian café on site, serving dishes made with fresh produce harvested directly from the fields, as well as a shop where visitors can purchase plants for home growing and products from the farm. Additionally, guests can take part in pottery painting workshops.

The farm is not only a place to escape the hustle and bustle of city life but also an opportunity to reconnect with nature and appreciate the value of a sustainable lifestyle. Visits typically last between two to four hours and leave a lasting and enriching impression.

Green Planet

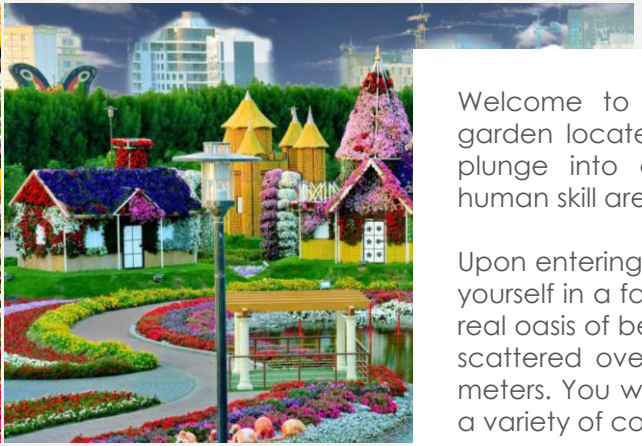

The Green Planet in Dubai is a unique tropical biodome that immerses visitors in the atmosphere of a real tropical forest. Located in City Walk, this indoor nature sanctuary houses over 3,000 species of animals and plants and offers numerous interactive opportunities for exploration and learning.

Visitors can observe a variety of tropical birds, reptiles, and small mammals, walk along bridges among tall tropical trees, and watch amazing animals in their natural habitats. Additionally, The Green Planet hosts animal feeding sessions and talks with zoologists, where guests can learn about the crucial role each species plays in maintaining the ecosystem.

This place is ideal for families with children and anyone interested in nature and ecology. A visit typically lasts two to three hours, allowing guests to fully immerse themselves in the tropical forest atmosphere and gain a memorable experience interacting with nature.

Dubai Miracle Garden

Welcome to Dubai Miracle Garden, an amazing garden located in the heart of Dubai. Here you will plunge into a magical world where nature and human skill are combined in a stunning symbiosis.

Upon entering the Dubai Miracle Garden, you will find yourself in a fabulous realm of flowers. The garden is a real oasis of beauty, with more than 150 million flowers scattered over an area of more than 72,000 square meters. You will see bright compositions created from a variety of colors and shapes of plants.

Dubai Miracle Garden changes its compositions every season, offering visitors new exciting images. You can enjoy amazing themed exhibitions dedicated to holidays, fairy tales or famous landmarks.

Every week there are unique colorful shows that you will definitely remember. The garden also has cafes and restaurants.

Dubai Miracle Garden opens every year around October and usually runs until the end of April.

Global Village Fair

Dubai Global Village Fair 2023 promises to captivate visitors with its unique combination of culture, entertainment and shopping.

The huge area of the fair will feature pavilions from more than **75 countries**, each offering a glimpse into their unique heritage, traditions and products. Every corner of the fair reveals an authentic culture.

The Dubai Global Village Fair is known for its high-end entertainment. On the main stage, visitors will see colorful performances. Both emerging talents and world-class stars will perform here.

For shopaholics, the fair is a real paradise. Countless stalls and boutiques offer a variety of goods, from handmade souvenirs to fine jewelry, clothing and electronics. There is also a separate section for food lovers, where dishes from more than 100 countries are presented.

The Dubai Global Village Fair usually starts in October and runs until the end of April. **Opening hours: Monday to Thursday from 16:00 to 00:00, Friday to Saturday from 16:00 to 01:00.**

XLine Dubai Marina

XLine Dubai Marina is the longest urban zip line in the world, allowing visitors to soar over the Dubai Marina area at heights of up to 170 meters and speeds of up to 80 km/h. The experience lasts approximately 90 minutes, including preparation and the zip line descent itself, offering a unique opportunity to enjoy panoramic views of the city.

Participants must meet certain requirements:

Desert Safari with Falconry Show

Falcons are deeply rooted in Dubai's history and are regarded as cultural icons throughout the UAE. In fact, they're so highly regarded that images of falcons can be seen on street signs, local currency, and are even the national emblem of the UAE.

We offer a wide variety of professional falcon shows and experiences on the majority of our Desert Safaris. In this quick guide, we tell you everything you need to know about falcon shows in Dubai. This will give you a better idea of the different types of falcon shows offered on our Desert Safaris.

As with all falcon shows, our traditional falconry provides a glimpse into the rich history falcons have within this region. You will get to see how the falconers train these majestic creatures to fly and swoop for lures. Once the falcon catches the lure in the sky, they are rewarded with their favorite snack, usually quail.

After the show, guests get great photo opportunities holding the falcon on the glove.

Heritage Safari

Heritage Safari will allow you to have an authentic desert safari experience in Dubai with vintage vehicles. You will explore the Dubai Desert Reserve and see falconry. Here you will find a traditional Emirati dinner in the style of a Bedouin camping and belly dancing.

Camping can be booked exclusively for your group.

Deep Dive Dubai

Deep Dive Dubai offers a unique opportunity to dive in the world's deepest pool, reaching a depth of 60 meters and featuring a true underwater city inspired by the UAE's pearl diving traditions and designed for thrill-seekers.

In addition to standard diving, Deep Dive Dubai offers a wide range of additional services and courses for divers of all levels. You can expect not only unique underwater landscapes but also the opportunity to learn new skills under the guidance of experienced instructors.

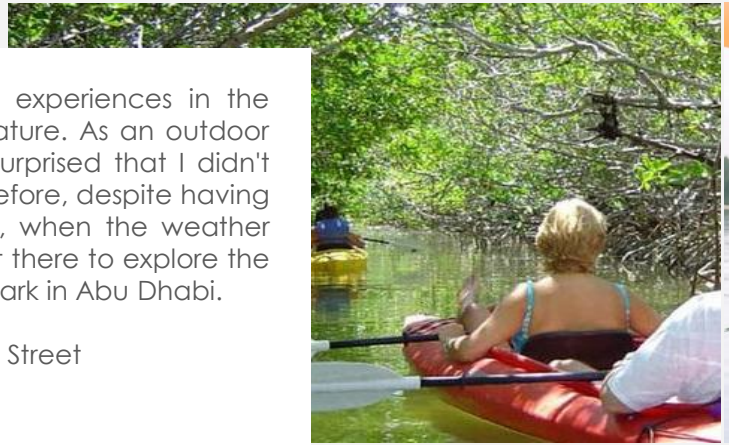

At Deep Dive Dubai, safety measures are strictly adhered to: participants must meet age requirements (from 12 to 65 years old), be sober during the dive, and be in good health.

Mangrove Kayaking

Mangrove kayaking is one of the very few experiences in the country that take you close to the rugged nature. As an outdoor enthusiast who loves adventure, I am quite surprised that I didn't get myself to experience this superb activity before, despite having lived in the UAE for over 7 years. This winter, when the weather began to improve, I decided to get myself out there to explore the amazing Eastern Mangrove Lagoon National Park in Abu Dhabi.

Gathering Location: Eastern Mangroves, Salam Street
Collection and brief from the guide: 15 min.

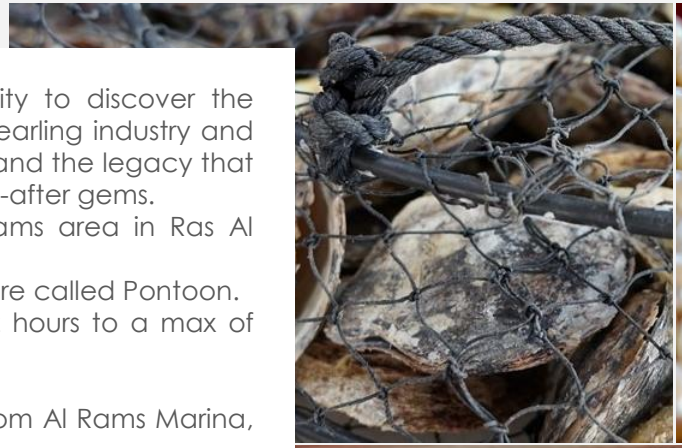

- Getting oars
- Obtaining life jackets
- Safety instructions
- An introduction to kayaking and paddle skills
- Kayaking rules

Kayaking in mangrove forests - 2 hours
Relax on the beach (water and fruit provided) - 15 min

Dress code:

- Simple sportswear
- Strictly slippers / flip flops
- Hats
- Sunglasses
- Sunscreen

Pearl Farm

The Pearl farm tour is an exclusive opportunity to discover the historical and cultural journey of the region's pearling industry and learn about the evolution of the Arabian pearl and the legacy that led it to become one of the world's most sought-after gems.
Suwaidi Pearls Farm Tour starts from the Al Rams area in Ras Al Khaimah, UAE.
The Pearls Farm is on the sea in a floating structure called Pontoon.
The experiences can be from a minimum of 2 hours to a max of 4hours.

Including:

- Journey on a traditional pearl diving boat from Al Rams Marina, the "old fishing village"
- Welcome soft drinks, Arabic tea, Arabic coffee, juices and water, dates.
- A tour of the mangroves and their surroundings
- An introduction to the history of Arabian Pearls, the Arabian Pearls diving lifestyle and diving tools and techniques
- Demonstration of the mystical secret of the formation of pearls and the discovery of oysters
- An introduction to the box of traditional Arabian pearl merchants "BISH-TAH-TAH"

Days of Operation:
Saturday & Thursday: Time: 9:30 p.m.- 12.00 - 2:30 p.m.
Friday: Time: 9:30 p.m.- 2.00 p.m. - 04:00 p.m.

SKY

Discover United Arab Emirates

Your helicopter journey on the "Odyssey" will provide you with a unique opportunity to see the beauty of Dubai from a bird's-eye view and experience the grandeur of its architectural marvels.

MOUNTAINS

Discover United Arab Emirates

Day in The Mountains: Abseiling & Rock Climbing

The Bear Grylls Explorers Camp is managed by a team of highly skilled specialists. Well-prepared instructors and experts in their field.

If you thirst for adventures and thrills, then abseiling and rock climbing on Jebel Jais Mountain are just what you need. Experience an adrenaline rush as you climb real cliffs and descend steep slopes using ropes. The entire experience is a thrilling adventure filled with adrenaline. The team uses multiple locations for introductory descents and leads to an extreme 80-meter descent, requiring the necessary experience!

Day in The Mountains: Archery

Archery does not only boost self-confidence but also helps learn self-motivation, patience, and composure.

All you need is a bow, an arrow, and a target.

Celebrate the sport on the highest mountain in the UAE, which has shaped the human history of hunting, sports, and competitions.

Day in The Mountains: Ropes Course

Get an adrenaline rush on the new obstacle course, a maze located on the highest mountain in the UAE!

Suitable for adventure seekers of all ages, the rope course includes several exciting challenges and is conveniently situated within the campsite, making it one of the most popular adventures at the camp.

Find your passion for adventure 10 meters above the ground, overcoming various obstacles, including rope swings, shaky bridges, swinging loops, and much more!

An adventure for everyone!

Day in The Mountains: World's Longest Zipline

Float and indulge in an adrenaline-fueled adventure that takes you at speeds of **120 to 160 km/h** for almost three breathtaking minutes above deep canyons, ravines, and sharp peaks at an altitude of 1680 meters above sea level.

The fastest part of the flight will lead you to a 9-ton platform with a glass bottom, resembling a soaring predatory bird, suspended 80 meters above the ground.

From here, your final flight will be much shorter and relatively calm—a 1-kilometer zipline that eventually brings you back to solid ground at the foot of the mountains.

Day in The Mountains: Jais Sledder

Experience the thrill of the **Jais Sledder** as you embark on a high-speed adventure down the Hajar mountain range. With speeds of up to 40 kilometers per hour, you'll weave through breathtaking panoramas, catching glimpses of the magnificent coastline. The excitement is intensified by the low-slung track, making you feel like you're flying just above the ground. Brace yourself for an adrenaline-pumping ride covering **1,840 meters** of hairpin curves and undulating waves, creating an unforgettable eight-minute journey.

Please be aware that Jais Sledder tickets are available only for purchase over the counter.

Canyoning in Wadi Showka

This is a fun and exciting canyoning activity (hiking in water) suitable for most fitness levels. The duration of this trip is a half-day. If you are comfortable in the water and looking for a fun day out refreshing in nature then this is the trip for you.
Leading to our basecamp, the guest gets to experience an offload drive through the mountain in a customized safari truck or 4x4. This unique experience is the UAE's first sustainable tourism program.
We work with the local community of Wadi Showka who offers us the camp facility. Even more, all food provided is prepared in the homes of the local villages using raw material from their private farms.
3-hour round trip hike depending on group pace (4km walk).

- 1 trail mix/ snack pack for the hike
- Experienced and certified Mountain Guide
- Assistant Guide (with big groups)
- First Aid
- Water
- Backpack and life jacket
- Emirati authentic lunch
- 4x4 safari ride in the wadi
- Transportation provided from Al Hamra Mall to Wadi Showka and back
- Difficulty level beginner/plus

Age group 10 years and above. Minimum group booking is 8 pax.

Hatta Dam Tour

The Hatta Dam Tour is an exhilarating journey where you will depart from your hotel to the lake nestled in the mountains of Dubai. In Hatta, you will have a choice to either venture into the mountains or visit a farm, exploring the beautiful nature of this area.

The Hatta walk will take approximately one to two hours. You will be able to immerse yourself in the beauty of the surrounding mountains, stroll along scenic trails, and breathe in the fresh air. Afterward, you will hop on bicycles and ride for 30 minutes, enjoying the natural landscapes and the serene environment.

Upon completing the bike ride, you will return to the starting point where you can embark on a kayaking adventure. During this exciting activity, you will explore a stunning lake and paddle on boats, savoring the beauty of the surrounding nature.

The entire journey will be accompanied by an experienced guide who will ensure your safety.

At the end of the tour you will enjoy a lunch in the local restaurant.

Hatta Dam - Activities

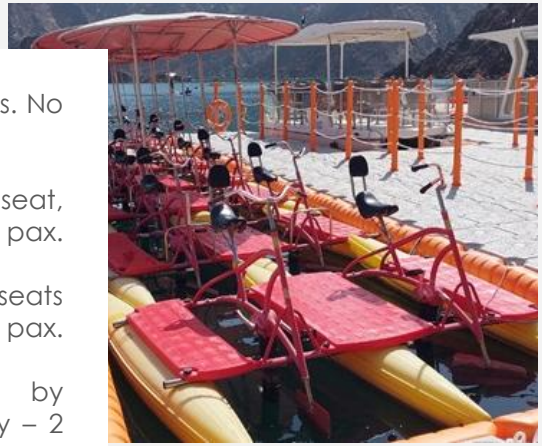

Kayaks - 1 seat and 2 seats. No weight limit.

Catamaran bicycle – one seat, weight limit – 75 kg per pax.

Trimaran bicycle – 2 seats Weight limit – 75 kg per pax.

Yellow boat (powered by pedals, not oars) Capacity – 2 pax.

Floating gazebo (electric). Capacity 4 adults + 2 kids.

Hatta Dam Tour

Hiking in Jebel Jais Mountains

You will have the opportunity to visit the highest point in the UAE, Jebel Jais Mountain. The ridge hike takes us on a donkey path leading to a viewpoint showcasing a 180-degree panorama of the Hajar mountain range. At an altitude of over 1000 meters, it is the perfect spot to admire the breathtaking view. Our walk starts early in the morning. The route involves a walk on gravel and flat terrain with very modest elevation gain. It is suitable for most people with moderate fitness levels.

The Sunriser Hike starts at 8:00 AM.
Duration: 2-3 hours round trip depending on the group's pace (4 km walk).

What's included:

- Snack pack for the hike

When visiting this tour, you will enjoy breathtaking views of Jebel Jais and the surrounding nature. The whole process is supervised by experienced instructors who will help you get comfortable and teach you how to control the sled for maximum safety and enjoyment.

Jais Sledder is an opportunity to get unforgettable emotions and a unique experience that will give you vivid memories of your visit to Jebel Jais Mountain in the UAE.

OPENING HOURS from Tuesday to Sunday.

WEEKDAYS: Tuesday - Friday from 13:00 to 19:00

WEEKENDS: Saturday - Sunday from 11:00 to 19:00

Zipline Tour Combo in Jebel Jais Mountains

Experience truly incredible sensations during the combined zipline tour, Jebel Jais Flight + Jais Sky Tour, at the highest peak in the UAE, Jebel Jais, soaring at **1,934 meters (6,345 feet**) above sea level.
Your journey begins with a 30-kilometer winding road to the picturesque peak of Jebel Jais. Be sure to arrive 30 minutes before the tour starts.

What is Jais Sky Tour?
This is a series of 7 ziplines ranging from 337 meters to just over 1 km, with a total length of 5 km. Moving from platform to platform, you'll soar over the majestic cliffs and canyons of Jebel Jais at an average speed of 60 km/h. During the tour, you'll also be on the highest bridge in the UAE, at an elevation of 1250 meters above sea level. Jais Sky Tour is conducted in a classic seated position using special safety harnesses. **Tour duration: 1.5 - 2 hours.**

What is Jebel Jais Flight?
After completing the Jais Sky Tour, an incredible flight awaits you on the Jebel Jais Flight zipline, spanning 2.83 km at speeds of 120 to 150 km/h, at an elevation of 1680 meters above sea level. This zipline is listed in the Guinness World Records as the longest zipline in the world. You can also experience the flight alongside a loved one on parallel ziplines. The flight will last approximately two to three minutes. **Tour duration: 1 hour.**

Zipline Tour - FAQ

What to wear?

- Comfortable sportswear;
- Closed sports shoes, without heels and open toes;
- If your trip is planned for the winter months, bring a jacket, as it can get quite cold and windy in the mountains;
- Always use sunscreen.

Restrictions:

Weight from 40 to 100 kg, minimum height 122 cm.

Working hours:

From Wednesday to Sunday:
- Summer time (until September 1st) 10:00 - 18:00.
- Winter time (from September 4th) 9:00 - 17:00.

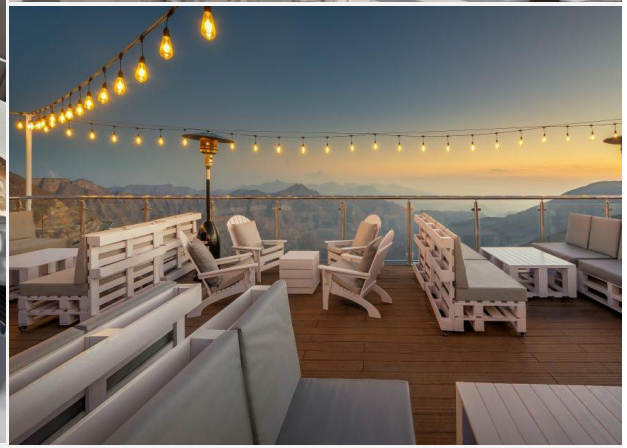

Monday, Tuesday - closed.

After the tour, you can enjoy lunch at the restaurant 1484 by Puro, where the terrace offers a breathtaking view of the Jebel Jais mountains.

Puro Café & Terrace

The restaurant is located at the highest point in the country **1,484 meters** above sea level in Ras Al Khaimah. That's why the restaurant operator had no trouble finding a name for it - '1484 by Puro'.

Situated next to the **Jais Adventure Centre**, the restaurant offers guests views of the peaks and valleys of the Hajar mountains. Positioned on the mountain-facing façade of the Jais Adventure Peak, an entire side of the venue consists of ceiling-to-floor windows that open up to uninterrupted views of the landscape.

Serving up a variety of healthy, flavor-packed options with a nod to the delights of the Arabian Gulf only meters away and temperatures that are around 10 degrees lower than sea level, 1484 by Puro welcomes diners to try breakfast favorites such as Eggs Benedict, traditional Shakshuka and more.
