Cubex Centrum Praha

Your color for your event

325 m

of ceiling lighting in the hall

The Chameleon Concept
Walls, surfaces and presentation systems provide the maximum space for presenting your thoughts and emotions. The lights in the area in front of the main hall entrance and on the ceiling in the main hall allow you to light the room in any color.

We want you to stand out! Therefore, we offer a very flexible and adapatable environment for your events according to your needs.

Media Wall
Your logo, event graphics, corporate advertising spot, or live stream from any meeting room or media. Our Media Wall will provide you with anything you want.
