Expect engaging, exciting and insightful

At Heritage Guides, our tours go beyond facts. With a meticulous focus on research and storytelling, we bring to life a vibrant history. Whether it's an ascent through Edinburgh's iconic skyline or following in the footsteps of mayors and merchants in the City of London, our mission is to provide an experience of deep insights and enthralling tales.

An authentic approach

We select our guides for their enthusiasm and skill. Unscripted, each one brings their own energy to the stories of our past, whether they're telling you about Thomas Bloodworth – the true villain of 1666 – on a 'Great Fire of London' tour, or the day-to-day life of a cook at Linlithgow Palace in the court of James IV.

Our Green and Sustainability Commitment

At Heritage Guides, we know that our actions have an impact on the environment and our local community. Our team consistently take steps to ensure sustainability and a green approach is at the heart of everything we do, including –

- Promote Green Awareness and sustainability to all our stakeholders.
- Adopted paperless ticketing systems.
- Promote use of public transport and using clean energy from suppliers.
- Procure all of our goods and services locally and responsibly.
- Offer a flexible ticketing approach to support access and inclusion to local community groups.
