SICILIAN TOURIST SERVICE

SINCE 1985

Travel should remain in the memories of each person as one of the most intense and perfect moments of life: this is the aim of our company.

Sicilian Tourist Service was founded in 1985 by a family deeply rooted in tourism in Sicily,
with a spread know-how coming from over 30 years experience in the field and from a continuous training.
Today it's among the most engaged tour operators in promoting Sicily.
Several family members are still engaged in the company and, as they specialize in different fields,
they consider themselves a true "dream team", able to meet any request from the costumers.
