A way to experience the richness of Quito's culture

ILLA
EXPERIENCE HOTEL

We want you to experience Quito and its culture, not just stay in a hotel. That's why our rooms and services weave tradition and comfort together to make your visit as authentic as it is luxurious. Enjoy hand-embroidered linens, artisan-crafted furniture, and hot chocolate before bed here at Illa Experience Hotel. Our unique location, in the heart of Quito's iconic barrio of San Marcos, allows us to offer guests experiences outside of the run-of-the-mill city tour. We collaborate with our neighbors to give you a taste of local life: painting with a local artist, tasting a traditional quiteño treat like helado de paila, or taking a tour of an artisan's workshop. And for us, Illa isn't just a business, it's a way to give back to the community. Our goal is to generate employment for the people who need it the most. Illa is our way of doing something more for Ecuador.

Illa isn’t just a business, it’s a way to give back to the community. (...) Illa is our way of doing something more for Ecuador.
