Polo Day Experience

Full Day Experience, where we welcome you with authentic Argentine empanadas and wine while you discover the rules of polo and meet the ponies. Feel the adrenaline of a LIVE 4-chukker match played by professionals, and get closer to the pony line to chat, socialize, and take photos with the players.

Enjoy a traditional Argentine BBQ lunch with a selection of exclusive meats and excellent wines (vegetarian options available). Then, join us for 2 hours of polo lessons directly on horseback: you'll learn how to ride, hit the ball with the mallet, and even play a mini chukker.

Polo Night Experience

Live the magic of the world’s only illuminated professional sand polo field. Enjoy a 4-chukker night match played by professionals, feeling the adrenaline of the game while discovering the secrets of this exclusive sport.

Between chukkers, get closer to the polo line to see how the horses are saddled and practice different techniques with our foot mallets. Our host will guide you through the rules of the game so you don’t miss a single detail.

While enjoying the match, taste regional empanadas made on the grill and our exclusive Argentine wine. Finally, head to La Pulpería to end the night with a traditional BBQ: grilled meats, salads, grilled vegetables, and more Argentine wine.
