Our hotels

ROC BLANC hotel : Classic and innovative hotel

It was set up in 1960. Roc Blanc hotel is the first hotel of the Andorran group and the first one which offered the benefits of thermal water in the Principality .

Located in the heart of the Pyrenean , in the city center and only 5 min from Caldea. Roc Blanc hotel is the classic one and really an excellent option for discovering the Pyrenean country.. It has all the conveniences and services of a great hotel.

Hotel with thermalism experience. Its thermal spa was inaugurated more than 40 years ago. It is known in the international market , due to the features and quality of the thermal, nature and miner medicinal water.

We wish to emphasize the gastronomy. The hotel has always bet for a modern , innovate gastronomy , the XXI century “cuisine”.

We always renovate and innovate the whole rooms, the thermal spa, meeting rooms, etc…

High standing hotel with a experience, staff, nice activity programs …. We assure you the success in your healthy stays.

Hotel Termes Montbrió

HOTELS

Welcome to the Wellness

TERMES MONTBRIÓ Hotel

A relax and wellness oasis.

Located in Montbrió del Camp , very closed to the best Costa Daurada beaches ,Tarragona and Reus. Nowadays is the thermalism building more modern in the Spanish country.

Located in a history property , Horta Florida 1643, was discovered by Domenec Torm in 1996 , when he found a thermal spring.

More than 4 acres of botanical gardens full of centenarian plants convert this location in the heart of thermalism water in Costa Daurada.

The thermal spa with the last technology has the relax and wellness programs .All of them are supervised for our staff of doctors and therapists.

The hydrotherapy programs are really a complementary options.

The gastronomy combine the art of the best meals low fat.

The hotel worries about the environment and has sun energy and exploitation the water for irrigation.

Aquatonic

Roc Blanc
HOTELS

Welcome to the Wellness

3**.- AQUATONIC:** Thermal ludic area

The award winner as the best resort&spa by the English magazine Professional spa. It is located in the heart of our gardens. Aquatonic offers one thousand sensations. It is really a SPA experience.

The Aquatonic circuit last 3 hours and has 3 areas with more than 60 different water: waterfalls , streams, circular rapids, steam bath and hydromassager jets for the massaging and relaxing muscles , micro bubbles that combine water and air .

Thermal caves and Greco roman baths. It is recommend to finish the circuit with some relax minutes using the ergonomics seats built in Italian mosaic for a relax effect.

Aquatonic has also a floating room , for wellness and relax.

4.- **THERMAL SPA by ROC BLANC HOTELS**

The Roc Blanc thermal spa and Termes Montbrió thermal spa are really a temples of thermalism and wellness.

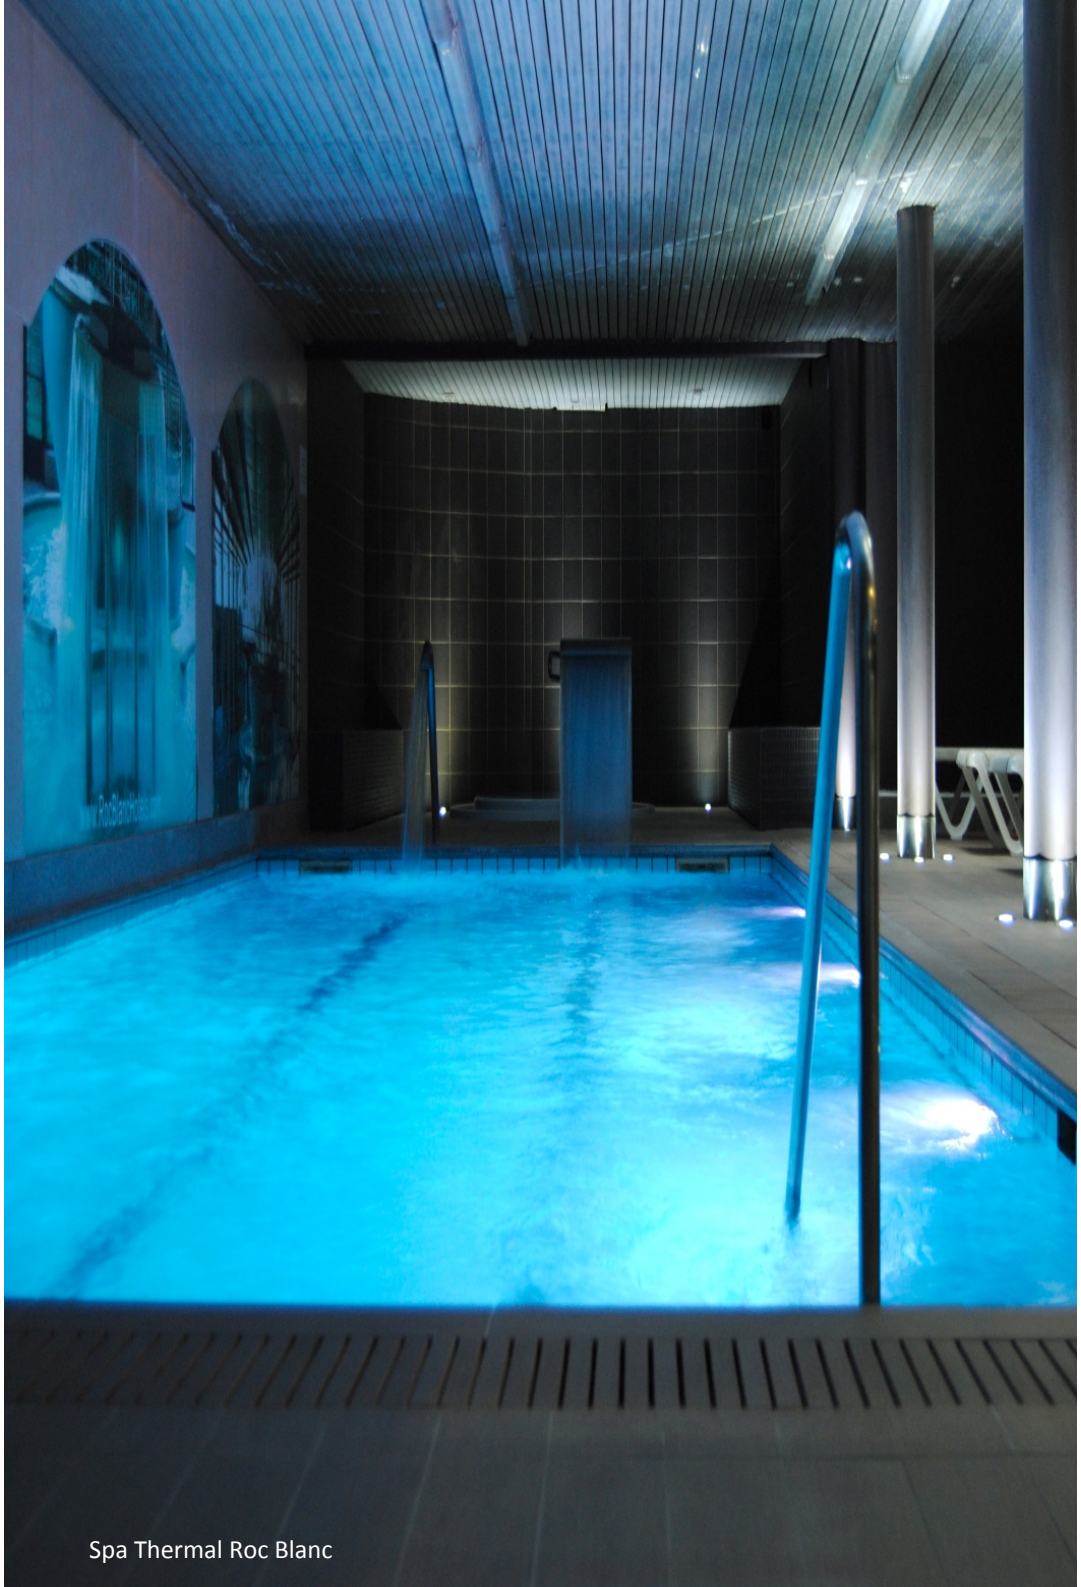

The therapists and programs combine the medicine properties with the knowledge of ancient civilisations and the experience of our human staff in all the specialities.

We have the experience of more than 40 years taking care of the Roc Blanc hotels customs.

HEALTH PROGRAMS to prevent and improve the vital functions and the possibility to follow the low fat diet under the medical Manager specialised in preventive medicine.

RELAX PROGRAMS, to balance the mind and body. Its combine traditional balneotherapies programs and the new therapies to maintain the energy balance with a deep wellness.

BEAUTY PROGRAMS. To improve the image with aesthetic facial and body treatments. The Termes Montbrió thermal spa has modern and advanced technologies in aesthetic face like anti wrinkles , facial mesotherapy, or and healthy face´s treatments.
