BOLDMAN

INTRODUCTION

Boldman is a bespoke travel and charter services company headquartered at Grand Central Airport in Midrand, South Africa. Strategically located between Johannesburg and Pretoria, we operate from one of the country's most accessible and efficient aviation hubs, positioning us perfectly to serve a broad range of clients across Southern Africa and beyond.

Founded with a vision to redefine standards in private aviation, Boldman combines operational excellence, industry expertise, and a commitment to customer satisfaction to deliver tailored aviation solutions. Whether catering to private aircraft owners, charter operators, business travellers, or high-net-worth individuals, we take pride in offering a seamless and exceptional experience from ground to sky.

Our core services include private air charter solutions, aircraft management, ground handling, and concierge support — each designed with flexibility, safety, and client convenience in mind. We understand that in the world of private aviation, time, discretion, and reliability are non-negotiable. That's why every aspect of our operation is built around responsiveness, attention to detail, and a deep understanding of the needs of discerning travellers.

At Boldman, we recognise that no two clients are the same. Our team of aviation professionals work closely with each customer to ensure that every journey is meticulously planned and flawlessly executed, whether it's a business trip, leisure getaway, medical evacuation, or VIP transfer. We also provide bespoke support to aircraft owners and charter companies, including aircraft hosting, hangarage, crew coordination, and maintenance oversight, allowing them to focus on flight operations while we handle the rest.

Safety is at the heart of everything we do. Our operations adhere strictly to international aviation standards and best practices, with rigorous safety protocols and continuous training to ensure peace of mind for our passengers and partners alike. Combined with our efficient processes and state-of-the-art infrastructure, Boldman delivers an aviation experience that is as smooth on the ground as it is in the air.

SERVICES

At the heart of Boldman's offering is our bespoke private air charter service, designed to meet the unique demands of business executives, leisure travellers, VIPs, and special event organisers. We pride ourselves on delivering a personalised, discreet, and seamless flying experience, where every detail is tailored to the client's preferences and schedule.

Our diverse and versatile fleet is capable of accommodating both short domestic trips and long-haul international journeys. Whether you're flying to a corporate meeting, a remote lodge, or a high-profile event, Boldman ensures that your flight is smooth, secure, and luxurious from takeoff to touchdown.

From flexible departure times and exclusive airport access to private terminals and concierge-level assistance, we eliminate the stress of commercial air travel. Our experienced crew, rigorous safety standards, and on-board comfort set us apart, ensuring every flight reflects the quality and professionalism that defines Boldman.

LOUNGE

Our exclusive VIP lounge at Grand Central Airport offers an elegant and tranquil environment where clients can relax and unwind before or after their flight. Designed with the discerning traveler in mind, the Boldman lounge combines style, comfort, and functionality to elevate the airport experience.

The lounge features plush seating, high-speed Wi-Fi, charging stations, workspaces, refreshments, entertainment options, and private rest areas. It's more than a waiting space — it's a hospitality experience designed to match the luxury of the journey ahead.

In addition to serving our own charter clients, we extend lounge access and waiting area services to passengers from other charter companies operating at Grand Central. Whether it's a short stopover or an extended wait, passengers can enjoy comfort, privacy, and top-tier amenities throughout their time on the ground.

SAFARIS

Beyond the runway, Boldman opens the door to Africa's most breathtaking destinations through our exclusive luxury travel packages and safari experiences. We partner with top-rated game lodges, resorts, and boutique hotels across the continent to offer tailored itineraries that combine adventure, relaxation, and five-star service.

From private game drives in Big Five territories to sunset cruises, cultural excursions, and helicopter tours, each Boldman package is curated to immerse clients in Africa's natural beauty without sacrificing comfort or exclusivity. Our concierge team handles every detail — including charter flights, ground transfers, accommodations, and on-site experiences — so clients can focus entirely on enjoying their journey.

These travel experiences are perfect for honeymooners, families, business retreats, or anyone seeking a once-in-a-lifetime getaway with all the elegance and security of private travel.

BOLDMAN

SHUTTLE

To complement our air travel services, Boldman offers a professional and dependable shuttle service that ensures smooth, efficient ground transportation to and from Grand Central Airport. Our shuttle fleet is operated by trained chauffeurs who prioritise punctuality, safety, and discretion.

Available to both Boldman clients and partner charter operators, our ground service provides door-to-door transfers between the airport, hotels, business venues, and private residences. Whether you're a solo traveler, corporate group, or family on vacation, we ensure you travel in comfort with minimal waiting time and no logistical hassle.

Every vehicle in our shuttle fleet is well-maintained, air-conditioned, and equipped for comfort, allowing us to uphold the same high standards on the ground as we do in the sky.

RENTALS

Boldman offers state-of-the-art hangar rental facilities at Grand Central Airport, providing aircraft owners and operators with secure, climate-conscious shelter for their private jets and propeller aircraft. Our hangars are built to accommodate various aircraft sizes and offer protection from environmental wear, theft, and unauthorised access.

Our hangar services include 24/7 monitored security, controlled access, and convenient proximity to maintenance support, fueling services, and the airstrip itself. Whether for short-term stays or long-term storage, our facilities are designed to give aircraft owners peace of mind, knowing their investment is safely housed and professionally maintained.

We also offer optional add-on services such as aircraft grooming, valet repositioning, and crew coordination, making Boldman the preferred choice for aviation companies and private owners seeking reliability, flexibility, and top-tier infrastructure.
