EVENT & WEDDING PLANNER

Tutti gli sposi desiderano che le proprie nozze siano un evento unico ed incomparabile.

Vera da anni organizza matrimoni, cerimonie e ricevimenti affiancando gli sposi nella scelta dei luoghi e dei dettagli, progettando ogni aspetto con cura, amore e passione. Supporto gli italiani che vivono all'estero nell'organizzazione del loro matrimonio in Italia sia per quanto riguarda la parte organizzativa e progettuale che per quanto concerne tutti gli aspetti burocratici e di viaggio.

All couples wish their wedding to be exclusive and unequalled. Vera has been organizing weddings, parties and ceremonies for years, supporting the couples in the selection of the venues and of all details, taking care of every aspect with care, love and passion. I support Italians living abroad to organize their weddings in Italy both for the organizational side and for all that concerns travels and admin aspects.
