Pricing

The price of a drone show **ranges from 140 - 200 € per drone.** If you are planning a multi-city campaign or multi-day festival, follow-up shows are available at significantly lower prices than the initial show.

The price depends on the following factors:

- Number of drones
- Choreography complexity
- Relocation costs

Safety

We hold all required operational authorizations for performing drone shows and operate with **highest-quality EU-made and certified drones and** equipment.

Our team is professionally trained and certified by national Civil Aviation Authorities (CAAs) bodies. Every show follows aviation-grade procedures, similar to aircraft operation (operational manuals, procedural checklists, maintenance procedures, etc.).

Each operation is managed by a competent crew on-site: operations coordinator, pilot, observers, security personnel, and others to ensure safe, controlled, and professional execution from setup to landing.
