About us

Musandam Sea Adventure Travel & Tourism (MSATT) was established in 2001 by Mr. Abdulfattah Al Shehhi with a clear vision to provide authentic and personalized experiences in the pristine waters of Musandam. Starting with just one vessel, the company has grown into one of Oman's leading tour operators. Over the years, MSATT has expanded its services across various regions of Oman and into the United Arab Emirates, catering to a wider range of travelers. Its success is rooted in a deep respect for the environment and a strong commitment to sustainable tourism, ensuring that the natural beauty and cultural heritage of the region are preserved for future generations.
