KENYA

DESTINATION

KENYA

Kenya, officially the Republic of Kenya is a country in Africa and a founding member of the East African Community (EAC). Its capital and largest city is Nairobi. Kenya covers 581,309 km2 (224,445 sq mi), and had a population of approximately 48 million people in January 2017. The capital, Nairobi, is a regional commercial hub. The economy of Kenya is the largest by GDP in East and Central Africa. [9][10] Agriculture is a major employer; the country traditionally exports tea and coffee and has more recently begun to export fresh flowers to Europe. The service industry is also a major economic driver. Additionally, Kenya is a member of the East African Community trading bloc.

Throughout World War II, Kenya was an important source of manpower and agriculture for the United Kingdom. Kenya itself was the site of fighting between Allied forces and Italian troops in 1940–41 when Italian forces invaded. Wajir and Malindi were bombed as well.

From October 1952 to December 1959, Kenya was in a state of emergency arising from the Mau Mau rebellion against British rule. The Colony of Kenya and the Protectorate of Kenya each came to an end on 12 December 1963 with independence being conferred on all of Kenya. Exactly 12 months later on 12 December 1964, Kenya became a republic under the name “Republic of Kenya”

Nairobi

Nairobi is Kenya's capital city. In addition to its urban core, the city has Nairobi National Park, a large game reserve known for breeding endangered black rhinos and home to giraffes, zebras and lions. Next to it is a well-regarded elephant orphanage operated by the David Sheldrick Wildlife Trust.

Nairobi is also often used as a jumping-off point for safari trips elsewhere in Kenya..Known as the safari capital of Africa, Nairobi is an energetic, modern city that serves as a fascinating introduction to both wildlife and nightlife. Music clubs pulse with life, shops and markets bustle, and a mixture of restaurants will tempt your taste in this former Maasai watering hole.

Top sights include the Karen Blixen Museum, Giraffe Centre and the black rhinos of Nairobi National Park. The compact city center is safe to walk in and taxis make other areas accessible.
