16th CENTURY

meets millenials' luxury

Porta Hotel Antigua is located in the heart of La Antigua, a few steps away from Central Park. It has represented a tradition amongst locals and a true icon in the history of hospitality in Guatemala for more tan 65 years.

With 110 rooms, on three main areas, we have managed to blend Guatemala's traditions and atmosphere of the 16th century with modern comfort. Our rooms equipped with Wi-fi signal, flat screens, safety deposit boxes, spacious bathrooms, luxurious amenities as well as featuring colorful hand-made Guatemalan bedcovers.

Our Convention Center features 8 meeting rooms for up to 420 participants, with windows that allow natural light to enter and admire wonderful views of the hotel gardens.

For groups seeking exclusive and personalized attention, our event and catering team will ensure that everything meets their every need.

With two beautiful pools, an authentic dining experience, and a 100% holistic spa (unique in the area), we offer everything you need to experience the magic and warmth of La Antigua.

CHARMING
with a colonial flair

Beyond a traditional house in La Antigua, Casa Encantada is a boutique-hotel that offers every convenience sought by the discerning traveler, offering magical intimacy.

Just a few blocks from Central Park, nine individually-decorated guest rooms and a magnificent view of our rooftop suite shape this charming colonial jewel.
