Re: **Reference letter for "Yes Event Management" LLC**

TO WHOM IT MAY CONCERN

UNHCR Representation in Azerbaijan office had the opportunity to cooperate with "Yes Event Management" LLC throughout 2017. The company was contracted for management of the Refugee Women and Youth Centre, functioning as social and educational platform for the most vulnerable segments.

During the implementation, a significant shift was marked not only in the number of courses, activities and tours organized, including country field trips, excursions to the museums and cinema visits for refugee women and children, but also the quality of events and professionalism in logistics. The team of young enthusiasts in the management of RWYC benefited the refugee community in many ways, since they were easy to approach and eager to open the door to new ideas on events and how best to engage the younger generation.

The dedication and innovative approach of "Yes Event Management" team, Vugar Rustamli and Nazrin Rustamli, went beyond expectations while supporting inclusion and integration of refugees into local society.

The work of "Yes Event Management" for UNHCR is highly appreciated and we wish the company success in future endeavours.

Sincerely,

Migena Tane
