Our reputation is built on providing quality service with real personal touches. We promise to provide you with the high-quality level of satisfaction.

Our vision

To provide superior travel and tour services with focus on customer satisfaction, within the best competitive prices.

What can you expect on our journeys?

Culture and Heritage

There are 22 Iranian sites and landscapes on UNESCO's World Heritage List, and many first-time visitors to the country end up devising their itineraries around visits to the big-hitters. Among Iran's attractions are the long-dead city of Persepolis and the vast palaces of Naqsh-e Jahan Square. Discover a slice of paradise in gardens like Bagh-e Tarikhi-ye Fin and get an authentic experience mingling with the locals at the buzzing bazaars.

Special Interests

Iran special interest tours are ideal for those of us who prefer to spend our hard earned time off doing something worthwhile and meaningful in order to replenish our mind; culinary tours, photography tours, history and languages, cookery and nomads; it's your holiday, so make it special.

Wildlife and Wilderness

Iran's diverse landscapes and varied climate are reflected in its many national parks and sanctuaries, each offering its own slightly distinct wildlife experience. From the desert of Lut to the Caspian Hyrcanian mixed forests the country supports a huge range of both unique species and those passing through on their annual migrations.

Active Adventures

From the vast mega dunes of the Lut Desert to the Hyrcanian Jungles by the Caspian Sea in the Alborz mountain range, all offer routes for new kinds of journeys for our international guests. On our expedition tours, we focus our visits on cultural and historical features of less known places and explore their meanings and present use by local communities.

Tailor made tours to Iran

We at **SURFIRAN** understand that not everyone wants the same holiday. So, we have tailor-made tours to match your budget, requirement and satisfaction.

SURFIRAN Volunteers stand behind the pile of litter they cleaned up in Golestan forests.

Environmental and Social responsibility

We, at SURFIRAN, think it is vital to respect nature and culture and keep our country a unique and impressive destination. We are fully committed to sustainable tourism and continued improvement. Many of our tours, by definition, travel through a variety of different environments. We try to cause as little impact as possible during our journeys, and where possible, to act in such a way to benefit the local communities and environment. We understand the impacts that our operations may have, and pro-actively proactively seek to ensure that our operations are as locally sustainable as possible.

When you book with SURFIRAN it means that you take environmental and cultural matters and the protection of nature seriously.

- We show our continuous commitment to environmental sustainability by:
- Preserving the current resource base for future generations
- Maintaining the productivity of the resource base
- Maintaining biodiversity and avoiding irreversible environmental changes
- Ensuring equity within and between generations
- Reducing waste by recycling and promoting responsible use of resources
- Preferring environmentally friendly suppliers and services
- Raising awareness among our staff and guides

It is important to value cultural, ethnic, racial, sexual, religious and spiritual diversity.

We aim to adhere to these principles and continuously improve on our environmental management system.

For questions or complaints regarding environmental issues please contact us at **eco@surfiran.com**

Explore Zagros Train

Mount Zagros by Train

HIGHLIGHTS

- An opportunity to visit three UNESCO World Heritage sites including Apadana, Chogha Zanbil, and the historical hydraulic system in Shushtar.
- Hearing stories about Iran's railway throughout history while cross the rocky mountains of Zagros.
- See the natural feature of Zagros is through using our provided rail car.

ITINERARY | 4 Days

DAY 1. WELCOME TO TEHRAN:

Our trip starts in Tehran in the evening where we will take a sleeper train to Khuzestan.

O/N: On board the train

DAY 2. SUSA AND VISIT PRE-IRANIAN CIVILIZATIONS:

We will get off the train in the morning at Andimeshk Station and will take a VIP bus to begin our road trip. Our first destination is the 6000-year-old city of Shush which is on the World Heritage List. In Shush, we will see Shahr-e-Panzdahom, the Apadana of Darius the Great, and the Castle of the French that was constructed using 3,000 year old bricks. Then, we will go to Haft Tap-e.

The third destination is Chogha Zanbil, which is also on the World Heritage List. Finally we will go to Shushtar and will stay at the historical house. In this house we will have lunch and take a rest.

In the evening, we will visit the historical hydraulic system in Shushtar.

O/N: Boutique hotel

DAY 3. MONUMENTS OF IRAN AND IRAQ WAR, BEAUTIFUL ZAGROS & DEZ RIVER

In the morning after having breakfast, we will visit Shadravan Bridge and then begin our rail car (Derezine) trip at Andimeshk Station. A rail car is a small rail vehicle that can carry up to 10 passengers at one time. It allows for a panoramic view while it is moving and will provide passengers with a completely different experience to what they have had before. Our first visit is to Dokooheh Station which was one of the most important garrisons during the Iran/Iraq war. Slowly we will move from Plains of Khuzestan towards the Zagros Mountains in the east.

After passing Gol Mahak Station, we will reach Balarood where we will visit some buildings and structures which tells the story of the early years of constructing the railway. On our way to the Zagros Mountains, we will visit two significant bridges named Dam Dam and Shahbazan, both of which are unique technically and aesthetically.

Multiple tunnels is one of the unique features of the railway in this area. Tunnels will emerge one after another and will provide a thrilling rush as we travel through the dark.

Passing through these tunnels by rail car is an opportunity to experience a different way of traveling on railways. Afterwards we will visit a bridge that had historical significance during the Iran/Iraq war. Along the way, the Dez River will accompany as we continue to see the beautiful sight of the mountains. Before entering Tang Haft Station, we will visit some other railway bridges and also some tracks that were used at the beginning of the construction of the railway system. We will say goodbye to the rail car at Keshvar Station and after taking a rest for a while, we will get ready for our trip back to Tehran.

O/N: Tehran

DAY 4. TEHRAN (DEPARTURE)

We will arrive at Tehran Railway Station.

Rail and River by Train

Nature and Railways

HIGHLIGHTS

If you are looking for a beautiful combination of nature and railways and want to create unique memories, we recommend the 3-day tour to Lorestan and Central Zagros with our Rail and Road tour.

ITINERARY | 3 Days

DAY 1. WELCOME TO TEHRAN

Our road trip starts from Tehran. After having breakfast near Qom, we will continue to Arak. On our way through Shazand and Noorabad, we will come across some railroad crossings, which serves as a prelude to our rail trip. Then we will visit some spots which have historical significance, such as the place where Iran's railway system began in 1938 which remains the second highest station in Iran.

Following this, we will encounter the Dez River which rolls alongside the railway for kilometers. After passing some old stations, we will embrace the beautiful scenery between Darband and Roodak and we will stop at Dorood station.

This station played a significant role in transferring war material to the Soviet Union during World War II. It is also where we will spend the first night of our trip.

DAY 2. MAGNIFICENT DEZ RIVER

The rail part of our tip begins today. After having breakfast, we will leave Dorood Station for Dez River Valley by rail car. On our way to the Valley, we will travel through the picturesque natural beauty of Lorestan. On our way south, we will visit different bridges, tunnels and stations which tells the story of the early years of Iran's rail system.

Sezar River which joins with the Bakhtiyari River will roar alongside of us and we will see fabulous sceneries along the route as the railway meets the river several times. We will pass through Lashkar Station and see aspects of Iran's railway history during the Iran/Iraq war and then arrive at the most southern point of our trip, the Tang Haft Station.

After having lunch at the station, we will begin the return journey and will revisit the views we had in the morning from a different perspective until we reach Bisheh Station where we will say goodbye to the rail car as well as visiting Bisheh Waterfall next to Sezar River.

Here we will have quality time to enjoy the beautiful nature and scenery of Zagros until the sleeper train to Tehran arrives.

DAY 3. ARRIVE AT TEHRAN TRAIN STATION

We will arrive at Tehran train station in the morning.

INCLUSIONS

- Travel with the private train
- Breakfast, lunch and dinner daily
- Guided off-train excursion
- Porterage services
