ABOUT "CEYLON" SRI LANKA;

Sri Lanka was always known as the " Resplendent Isle ' The Paradise destination ' the Island that attracts people, visitors & holiday makers of different persuasions & beliefs.

Now Eco Tourism conscious apart from having the sun, sand & sea attractiveness, Sri Lanka now draws the visitor from not only the west but from other countries on the global compass.

Tourism has been well planned & organized now with legislations & regulations governing the habitat, the holiday hotels, restaurants, guest houses & pleasurable places. Shopping Arcades, Tea Boutiques, Al- Fresco Restaurants, Dining & Wining in the most carnival places has made Sri Lanka Tourism in to a well planned destination for all climes & for all times.

In this scene there are many travel agents & tourist promotion institutions, they are now professionals & among them are wish to present a company profile of one of the professional leaders Ancient World Tours & Travels in the heart of the capital city of Colombo.

They are now experienced team of professionals each one a dedicated & knowledgeable officer, the handling of visitors to our Island has become almost a pleasure to all categories of professionals, the travel agent, the hotelier, the waiter, the cooks, the stewards, & even the concierge & the baggage boys.

From the Bandarnayake International Airport right down to Colombo city & to the southern & Hill resorts, the visitor is handled with care & courtesy all the way. Air conditioned coaches, Trains, internal Airlines handle the visitor in comfort on long & short journeys.

As an economic exercise tourism has been benefited our National income, this is all the way more reason for the Government authorities to support the industry & it has indeed become one of the prime targets of the present Government which gives the hospitality industry the fullest encouragement & support.

The present Government of Sri Lanka is strongly committed to the development of tourism in the total global concept of things.Now that peace & normalcy has return to this internecine war-torn country after 20 years, it is all the more ready & willing to accommodate visitors from all parts of the globe. The traditional smile of the people wherever one may go throughout the island is traditional & well reputed the world over.

The old colonial traditions of the Portuguese, Dutch & British remain strong & ambiantic, relics of this three centuries of colonial rule still remain & one strong traditions preserved in old buildings, Achieves, canals, bridges & museums etc.What is significant is that the preservation of these traditions has been very valuable & an asset to tourism in the modern sense.

Travel Agents like Ancient World Tours & Travels have the experience to handle all aspects of modern tourism now prevalent in Sri Lanka.

COMPANY PROPOSAL

A PROPOSAL TO FORMULATE A BUSINESS VENTURE IN THE SPHERE OF TOURISM AND TRAVELS IN SRI LANKA

AN INTRODUCTION

I AM ***Noel Peter Fernando***, a Sri Lanka National and am the Chairman / Managing Director cum Consultant of a Tourism and Travel organization, namely, ***DELTA TOURS AND TRAVELS*** a subsidiary company of ***ANCIENT WORLD TOURS AND TRAVELS,*** which has been operative since January, 1995.

It will be appreciated that, without an element of doubt, Sri Lanka stands out as one of the prime destinations in the arenas of Tourism and Travel Internationally. We, in return, are pleased to assist somewhat and are proud to be a service- orientated "set-up" by playing an important and pivotal role by working towards the development and economy of our Island Nation.

Besides the above, we consider it an honor and privilege to introduce our organization with a proposition that will assure you satisfaction when dealing with professionals in Travel and Tourism for our veritable needs, value for money and commitment of service which could be rated as second to none, as we possess the requisite solutions that ideal for your requirements.

It will be relevant to state that at ***DELTA TOURS AND TRAVELS***, we do sincerely believe in the " Power Of People" as motivated, qualified and professional staff possessing the ability to change the destiny of any organization. This category of staff, it must be emphasized, helps in going a long way in enhancing the organization's image and its business profile to a great extent and could therefore source any requirements allied to Tourism and Travel on a global basis. We ensure that our staff works in synchronization with the expectations of our organization by maintaining principles such as absolute honesty, integrity, loyalty and ethics in business willingness to work beyond the call of duty relentlessly, striving for complete customer satisfaction.

Experience – wise, we possess immense experience and expertise in the sphere of Tourism and Travel, and we make use of the experience and skills gained for the benefit of our clientele around the world. To quantify this statement, we wish to stress that we are absolutely committed to provide every resource necessary not only to meet but also exceed our client's expectations. Via the acquired experience, we take pride in stating that we provide the highest level of services allied to Tourism and Travel in Sri Lanka, and afford them to our clients by attending to their individual needs and requirements by extending a personal touch. It is noteworthy, that customer satisfaction care and concern for our staff are deep rooted values, and we share them as a team supported by high professional standards and uncompressing integrity.

It is evident that there are major and minor competitors of less significance in the arenas of Tourism and Travel in Sri Lanka. We are aware that, to be a successful entity, experience, competence and professionalism should be proved beyond any reasonable doubt and portrayed attractively to potential clients.

How Do We Achieve?

It is an outcome of huge commitment, dedication, determination and gargantuan hard, disciplined, streamlined work and enthusiasm of all staff at ***DELTA TOURS AND TRAVELS***, besides hard work, commitment, application of knowledge and performance, we instill in our staff three major factors. They are attitude, loyalty and shouldering responsibility.

CONCLUSION

We wish to collaborate our services with International business partners, by inviting them to team up with us in the further development and for the future benefits of

DELTA TOURS AND TRAVELS.

It is worthy of mention that our key focus is to have close, open relationships with our clientele that will generate trust and confidence and to work and associate ourselves in partnership for the mutual benefit of our organization, challenge ourselves year on year to improve performance and to create long-term sustainability and develop and demonstrate our experience and expertise through our innovative and leading edge approach to create and deliver the right solution to our network of clients. It is an accepted fact that in the modern business scenario, organizations are required to focus on their core activities and not dilute them, thereby, enabling them to be more increasingly competitive. To ensure we stand out from the crowd, we maintain a responsive and flexible approach by reacting speedily to the fast – changing demands of or clientele coupled with accountability through a clear evaluation and measurement process which is an integral part of our services.

THE INVITATION

Taking in to consideration the above, we are, indeed, pleased to invite your company to propel our client relationship in the industry, improve on the effective account management, administrative and operational systems prevailing and create a broad partnership approach to attain higher plains.

Our aim is to exceed our clients expectations and requirements in the services we provide which is a vital concern that veritably leads to a further step towards achieving excellent customer care, and your inputs will certainly help bear fruit.

We are confident that our association with our good selves will pave the way for a robust long- term relationship, and on our part we will take heed to the allied recommendations and referrals made in their correct perspectives, as the case may be.
