OUR CORE BUSINESS PHILOSOPHY

- Our philosophy: **There is a need for an exotic destinations specialist who has the ability to offer, flexibility and is able to customize and create memorable holidays to suit all tastes and budgets …**Not all of us are in search of the same generic vacation, we all have our individual tastes and fancies, and this is where we stand out - the ability to build and create a flawless deluxe tour to the remote corners of the world.

- Our core values and foundation of our business philosophy can be boiled down to **Integrity and Reliability with a passion for excellence and professionalism in all that we do.**

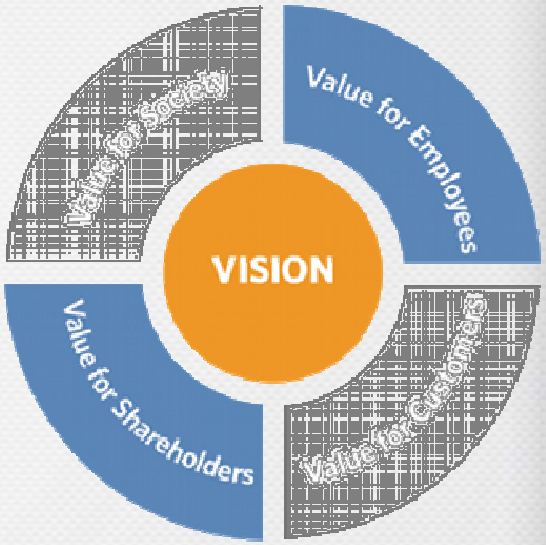

Never settle for the 'ordinary' ….. always strive for the 'superior' …. never sell a product we wouldn't want for ourselves…… never force a customer into buying something he/she is not entirely happy with …….and most of all, "RECOGNISE THAT THE CUSTOMER IS ALWAYS RIGHT"….we are always on the side of the customer.

fppt.com

Incentive Travel

- *"Money is the most expensive way to motivate employees, but it's still many leaders' first choice. Our experience and numerous studies, however, show that big bonuses are less effective than smaller, unexpected gestures, because gifts create a relationship while bonuses are purely transactional".*
